Noah and the Flood

**What happened
when the rain
stopped?**

**What can you
remember when you
see a rainbow?**

A Read-to-Me Bible Story

from Genesis 7:11–8:22; 9:8-17

Noah obeyed God and built an ark-boat. Noah took his family and all kinds of animals into the boat. Then it began to rain. It rained and rained.

Finally, the rain stopped. Months later the boat came to rest on top of a mountain. When the ground was dry, God told Noah it was safe to come out of the boat.

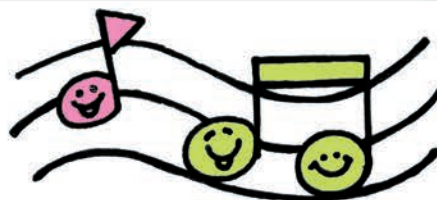

God made a promise to Noah. God said He would never again destroy the whole world with a flood. God put a rainbow in the sky. Whenever we see a rainbow, we can remember God's promise and know God cares for us.

God Cares

Words by Karen Statzer
(Tune: "Three Blind Mice")

God cares for me
When I am afraid.
God cares for me
When I am afraid.
When I hear a big dog bark,
And when my bedroom is too dark,
And when I fall down at the park—
God cares for me
When I am afraid.

Sing this song with your family. Finish coloring the picture.

R Is for Rainbow

Family Talk

Have you thought about the difference God makes in the life of a

child? Have you considered how essential God is to every aspect of life? Children can have their deepest needs met by knowing that God made them and loves them very much. All the challenges they will ever encounter can be faced with the knowledge of God's presence in their lives.

Treasure valuable moments of sharing how much God loves and cares for your children each and every day. Help your children understand that their worth is priceless, no matter how they look or feel or what they can do.

Daily Talks with God

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

Thank You, God, for taking care of Noah and his family.

God, thank You for keeping us safe.

Thank You, God, for rainbows and Your promise to care for us.

Bible Memory FUN

Genesis 17:1

Find this verse in a family Bible. Use masking tape on the floor to outline the bottom of a boat. Have your child jump into the boat and say the Bible verse.

This week, help your child remember:

God cares for us.

Family Fun...

Rainbow Wall. Find an open space on a wall. Use colored crepe streamers and reusable adhesive to create a large rainbow on the wall. Sit with your child beside the rainbow and thank God for His promise to care for us. Share ways that God has cared for you throughout the day. Talk about the story of Noah and how God put a rainbow in the sky after the flood.
