

Teaching about Jesus

This story is based on Acts 3:12-26; 16:4-5; 18:23; 20:20.

One day Peter was preaching in the big city of Jerusalem. Many people were there. Peter was telling them about Jesus. He was like a minister.

“Jesus loves you,” said Peter. *(Have your child repeat Peter’s words: “Jesus loves you.”)* “Jesus wants to help you.” Many people heard Peter in the big city and believed what he said.

Another man liked to tell people about Jesus. His name was Paul. He visited little towns.

Sometimes he talked to people in their houses. He told the people, “Jesus is God’s Son.” *(Repeat Paul’s words together: “Jesus is God’s Son.”)*

Paul also told them, “Jesus wants to be your friend.” Many people in the towns heard Paul and believed what he said.

Peter and Paul went to different places and talked to different people. But they both told about Jesus and His love.

Family Time

Use these activities throughout the week to review the Bible lesson as a whole family or individually with your child.

On the Go

Use the time you spend in the car this week to learn more about Jesus. Play a CD of praise songs your child is familiar with from Sunday school and church or listen to recorded Bible stories.

Sweet Dreams

As you get your child ready for bed, talk about what you learned about Jesus that day. Who helped you learn more about Jesus?

Play Time

Act out with your child the different places you learn about Jesus together. Let your child play Sunday school with you. Include some stuffed animals or dolls. Talk together about very recent family devotion times and what you all learned together.

Bible Time

Use these Bible activities during family devotions or special Bible times you have with your preschooler.

In God's Book

Let your child pretend to be Paul or Peter and share with your family his favorite Bible story. Then change roles and share your favorite story about Jesus with your child. Everyone in your family can take a turn sharing their favorite story about Jesus.

Let's Pray

Ask for one truth your child knows about God. Reinforce this truth. Then ask who helped teach this and where your child learned this truth. Thank God for those people and times.
