## The Prayer Life of a Disciple Maker

Are there people in the path of your life that are waiting to SEE Jesus? The claims of Jesus may seem too grand, the miracles too outlandish, or perhaps our own sight too limited. But the reality is that if you have trusted Christ as your Savior, you get to SEE Jesus everyday. As a follower of Jesus who is developing spiritual habits that connect us to God, we SEE Jesus by reading God's Word, through prayer and through the unfolding of the circumstances of your life that reveal God's will in real time.

We are entering the time of year when literally, billions of people around the world will SEE Jesus everywhere... Music will fill the air, and Christmas decorations will captivate people and inspire them with a sense of wonder and warmth. Sadly, most will see the lights, smell beautiful aromas, receive gifts and sadly miss the greatest gift of all... Jesus Himself.

What an amazing time to point people to the "Christ" in "Christmas" so they can understand the arrival of the Savior of the World! There are people in your life who are waiting to SEE Jesus!

In the church calendar, we refer to the weeks leading up to Christmas as "Advent." Advent is a season of waiting on God, a season of anticipation. It is a time to pause in the busyness and bustle of our culture and turn our attention to Christ. This month, our church is offering a simple five-week devotional as a gift to help you prepare for Christmas.

Please receive this gift [digitally](#) or by picking up a physical copy in the church lobby on Sunday. You can read it by yourself, with your family, or with your friends.

There is one devotion to read for each week during the four weeks of Advent, and also a bonus week to finish out the year. After you do the reading on the first day, take time throughout the rest of the week to revisit the Reflection as you continue to think about what you read the first day. Taking time during December to contemplate God's Word will prepare your heart for Christmas.

This will also prepare you for the new year as our church family continues our journey together through the "Practicing the Way Course" with a deep dive into "Generosity" in January. I will be practicing with you and also cheering you on in your spiritual growth and relationship with our Savior.

Because Jesus made us family,

*Pastor Sam*

# Christmas Offering Letter 2025

Dear Church Family,

One of the greatest joys of our church is that God has placed us here—right in the heart of Fremont and the Tri-Cities—to help our community and our world **SEE Jesus**. That vision shapes everything we do: **Sharing** life by helping people follow Jesus, **Equipping** disciples to be changed by Jesus, and **Engaging** community to join Him on His mission. This is where we are going as a church on mission with Jesus.

God has entrusted us with an incredible facility that allows ministry to flourish every day of the week. Beyond our Sunday services, our campus is alive with discipleship and mission:

- **Life Groups** where people take next steps in following Jesus
- **Bible studies** that deepen our faith
- **Free Dining**, which serves **≈ 15,000 meals every year** to hungry and unhoused neighbors
- **English tutoring** every Monday and Wednesday, opening doors for relationships and transformation
- And many other ministries that shine the light of Christ in practical and powerful ways

Our building is more than walls and rooms—it is a ministry tool that God uses to bless people, families, and our broader community. And because our facility is aging, we have a long list of projects that need attention so the ministry can continue to grow for decades to come.

After prayerful discussion, our Elders have approved the launch of a **Capital Campaign to raise \$1,000,000** to meet these needs. This campaign is not about buildings for their own sake—it is about strengthening our ability to help people SEE Jesus for years to come. We are building for tomorrow.

## Our First Project: Repairing or Replacing the Gym Floor

Our first major project will be **repairing or replacing the gym floor**, a space used for outreach, youth ministry, community gatherings, recreation, and countless events that bring people through our doors. The cost for this project ranges from **\$37,000 to \$130,000**, depending on the final scope.

# DiscipleShift and Why Life Groups Are Essential

Submitted by Ryan Bogert

Last spring in 2024, our Elders along with other leaders went through the book DiscipleShift: Five Steps That Help Your Church To Make Disciples Who Make Disciples. We went through this book because we were convicted that we needed to make some shifts in the life of our church to become a church that fulfilled the mission given to us as a church by Jesus in Matthew 28:19-20: "Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

This is the mission of every church, but it is incredibly easy to stray away from this mission and to become focused on distractions. Going through the book DiscipleShift challenged us to think about what we were focusing on as a church, and we talked a lot about how to become a discipleship-focused church. One of the biggest takeaways from this was that we needed to build our church strategy and focus around life groups. This ministry was modeled to us by Jesus - most of his time was not spent speaking to crowds, but with intentional discipleship with his close followers, especially the 12 disciples. Life Groups are a modern model of how Jesus lived out His ministry. Jim Putnam, author of DiscipleShift says this about small groups (AKA life groups): "If there had to be a choice, I would prefer our people attending their small group instead of weekend worship (Sunday service)."

On Sundays, you can come to church, worship, hear Scripture preached, and spend some time chatting on the patio. But it is also easy to come and go on Sunday without making deeper relational connections that lead to discipleship relationships and spiritual growth. It is easy to keep things at a surface level on Sunday mornings, if you want to. But life groups are where we take following Jesus to the next level - through regular rhythms of relationship and spiritual practices designed to deepen our relationship with Jesus. Life groups are where transformation, spiritual growth, accountability, and multiplication can happen.

We just finished an 8 week dive into prayer in life groups that included weekly prayer challenges designed to help all life group members experience God in new ways. We are also striving to make our life groups more missional by initiating opportunities to serve face-to-face with and reach our neighbors outside these church walls with the good news of Jesus. By doing all of this, life groups are how we as a church family SEE Jesus together by sharing life, equipping disciples, and engaging community

If there is one thing I want you to take away from this article it is this: If you are not in a life group, you are missing out! God is doing a new thing in the life of our church - and life groups are where we practice following Jesus together. I challenge you to take a bold step of faith and sign up for a life group today. You can sign up by [clicking here](#) or by calling the church office.

I am so grateful to be part of this church family, and I can't wait to see where the Lord leads us next!

God bless,  
Pastor Ryan

## Session Update (November)

Submitted by Al Trimble, Elder

Prior to the meeting, the Elders spent 20 minutes in prayer – both individually and in small groups – lifting up CPC and its ongoing mission. This time of focused intercession set a spiritually grounded tone for the gathering.

During the first hour, Pastor Sam facilitated a dynamic exercise in Leadership Development. His session emphasized that leadership is a vital component in cultivating a disciple-making culture. By strengthening leadership skills, CPC continues to equip its community to live out the Great Commission with clarity, conviction, and purpose.

The consent agenda was approved which included minutes of the October Session meeting, October 26 Congregational Meeting, as well as reports by the Clerk, Treasurer, Deacons, and Ministry.

The church has received a \$10,000 anonymous gift from a person who does not attend CPC. It is worth noting that our Engaging Community sometimes returns to us in unexpected ways. Evie Knottnerus gave an update on the status of "The Journey" which is experiencing good growth. The Journey offers a fellowship opportunity for young people, and provides Christian fellowship for marrieds, dating couples and singles.

Al Trimble presented the month-by-month details of the 2025-2026 budget. This discussion understandably led to questions about the various options regarding the repair-replace of the gymnasium floor. Options are difficult as we are not aware of the extent to which there is still water present under the flooring. Solutions range from patching, total replacement, or replacement with other than wood. Investigations of options are continuing.

A decision was made that there will be a traditional Christmas offering. Options of a giving target were varied, but there are many examples in the church of deferred maintenance that need to be addressed. Introductory discussions were held on Denominational Ordination Standards as well as Governance Policies and Procedures Manual. Considerable written documentation was available for preparation and will be included in the December meeting agenda for discussion.

The meeting was closed in prayer.

## Men's Breakfast Recap

On November 22nd approximately 40 men attended the Men's Breakfast to enjoy fellowship, and good food in the Free Dining Room. CPC's Volunteer Director of Discipleship, Tony Perez, spoke about what it means to have relationships centered on iron-sharpens-iron discipleship as brothers in Christ. Clips from the movie "The Forge" were shown that highlighted the importance and impact of brotherly relationships to help us in our walk with the Lord. The men took time around tables to share what was going on in our lives, how God was at work, and how we could pray for one another.

Special thanks to Larry Hsu, Matthew Jue, and Tony Perez for their hard work and leadership in making this event happen, and to all the other men who volunteered and showed up early to help set up for the event.

## Ministry Partner - Dennis and Linda Beck

Submitted by Larry Hsu

Since 2015, after returning from our overseas assignment in Eastern Europe, we started working on campuses with University Professors in a ministry of Cru called Faculty Commons. Currently, living in Ohio, we oversee the Faculty Commons regionally in the Midwest.

Professors are highly influential in the lives of the next generation, but often, Christian faculty do not know how they can be open about their faith on campus. We help them see their calling to be salt and light where God has sent them and give them a vision for the world. We also reach out to non-believing faculty to share the gospel and teach faculty how to share their faith in their setting.

Going to the world means bringing faculty overseas to minister, using their platform as professors to open doors and share the gospel. Last year we brought faculty to Italy and to Poland. The faculty were able to speak to students there using their field of expertise as respected professors but also tying in their personal testimony of faith in God.

During the academic year, faculty from various campuses partner with the Cru student ministry for outreach. At one university, invited by the Cru student movement, faculty spoke to students on "What I don't Say in the Classroom". In this way, students could hear respected professors talk about their faith in Jesus in a public way, opening the door to further spiritual conversations.

Our passion continues to be in winning, building, and sending Christ-centered laborers into the world. We can't do it alone. Our hearts are filled with thanks that you are a part of our team, and with God's help, we can together believe God to reach the whole campus for Christ. The whole campus to the whole world!

### Prayer Requests this month...

- Please pray for God to open the hearts of university professors to be open to talk about spiritual things, and to open their hearts to Jesus.
- Please pray for Christian faculty at universities to be willing to be known as followers of Jesus and be a light for Him in academia.
- Please pray for professors to become spiritual multipliers. (2 Tim. 2:2)
- Please pray for professors to go overseas with us and use their position to open doors for the gospel in other countries.

*Faculty Panel at Shawnee State University, speaking to students on "What I Don't Say in the Classroom"*

*A professor sharing her faith story in Krakow, Poland, giving a talk about "Staying Fit for Life" where she talked about the importance of physical, emotional and spiritual health.*

# Nominating Committee Annual Report

Submitted by Ryan Bogert

God calls people to serve through the Holy Spirit. A calling to serve comes in three parts:

- Inward: a clear and personal understanding revealed through the conviction of the Holy Spirit of a holy mission to serve
- Outward: a prayerful discussion of individuals (Nominating Committee) listening to the Holy Spirit and God's plan for selection of individuals to serve in church leadership
- Final: the approval by the Church (congregational meeting)

With respect to our church's mission to SEE Jesus, the Nominating Committee spends time in prayer and reflection to develop and maintain a slate of nominees for the offices of Elder and Deacon and for the office of the congregational members-at-large who serve on the Nominating Committee that discerns the will of the Holy Spirit and nominates candidates for leadership.

- **Share Life:** The Nominating Committee is deeply committed to seeking out leaders that share life with all people in Fremont including different ethnic backgrounds and generations. We seek opportunities to speak truth and love with suggested candidates for office when approaching them to prayerfully consider serving in this capacity.
- **Equip Disciples:** We are creating training and onboarding materials for leadership in the church as they prayerfully consider serving in this situation.
- **Engage Community:** We seek out leaders who are engaging community by personally living out the Gospel to their family, neighbors, co-workers, and more.

## Elders by class

2026	2027	2028
Stuart Howard	Tim Berquist	Leonard Babyak
Pat Lum	Linette Young	Chris Rojas
Laura Mares*	Rachel Schmit	
Lydia Palumpon	Al Trimble*

## Deacons by class

2026	2027	2028
Michael Chau	Glenn Anderson	Carol Carter
David Chelliah	Jennifer Rhoades	Cindy Romeo
Sugeetha Chelliah	Sheila Saxton	Joy Santor
Kristen Del Rio		Go Seguira
David Mayer		
Sue Mayer		
Sandy Romeo		

Through the guidance and direction of the Holy Spirit, we are grateful to present the slate of 2028 candidates to fill the offices Elder and Deacon. Almost all of these candidates were voted on and approved at our congregational meeting on October 26th, and we intend to hold a called congregational meeting to vote on Nominating Committee candidates as well as one additional Deacon candidate in the new year.

**If you are a member of the church and are interested in serving on the Nominating Committee, please email Pastor Ryan.**

# 33rd Annual Tea & Treasures

Submitted by Linette Young, Women's Ministry Moderator

Tea and Treasures on Nov. 8 was a big hit for all who came. This was our 33rd year spreading love & joy, and sharing life with the community. The Center Gymnasium was transformed into a wonderland of beautiful items for sale, showcasing the artistry of more than 40 vendors.

The success of the day was due to the many parts of the body of Christ, our wonderful women and some of their husbands, who gave of their time and talents to help the entire week. We are grateful for the many volunteers who worked during the long hours and even stayed to clean up afterwards. Many did double duty, working in several areas! We saw some wonderful people who stepped in to help even though they had not signed up to do it. By chance, if I have overlooked someone's efforts, be assured that GOD knows who you are!

Thank you to all of our Tearoom and Center set-up and take-down volunteers. The Kitchen Crew and hosts did a fantastic job and served nearly 200 lunches with many first-time visitors. Special thanks to Angie Bilardello for playing the piano for us to enjoy beautiful Christmas music for over 4 hours!

Our Secondhand Treasures room broke previous sale records thanks to the many donations of items from our CPC congregation. The money raised will help pay for many love gifts & projects around campus, as well as scholarships for retreats and events for Women, plus sponsorships for youth.

We are also grateful to everyone who baked "treats" and lent us card tables and got them there. Lastly, kudos to the Women's Network team, who took on many roles over many months of planning and during the event. Suzy Anderson, Sydney Belanger, Cydne Holte, Marta Kao, Pat Lum, Sue Mayer, MissC Willbanks.

Women's Network will meet in January, on the second Saturday of the month. Topics under discussion will be Women's Ministries plans for 2026. Email [linettey@comcast.net](mailto:linettey@comcast.net) if you desire more details.

# Investment Committee Annual Report

Submitted by Mike Cook

The Investment Committee's purpose is to preserve and grow if possible the liquid assets of the Church in various targeted and general funds currently held in nationally recognized financial institutions.

Highlights for the 2024-2025 fiscal year, include:

- Year to date, (Jan 1 to Sept 30), the DJIA performed at 9%, S&P500 13% and Nasdaq 17%
- Our core accounts, all but Reserve which grows cash until it is needed in our checking account, performed between 11% and 13%. So our conservative portfolio weathered the storm of inflation and recession so far by matching the indices. Pure NASDAQ investments are too volatile for our portfolio so we mostly track the Dow and S&P.
- On average 40% of our investments are in bond related funds earning 3 to 7% interest, so only 60% of our assets track the indices. Our growth was better than the stock indices due to donations into the Building Maintenance, Deacon, and Mission funds.
- Annual draws were made on the Yang Scholarship Accounts to fund the target mission of those accounts, scholarships for our students in college.
- The White Church account continued to fund cemetery and Townhome maintenance.
- The Building Maintenance Trust continues to stand ready to help with one time expenses for our property not covered by the yearly budget. BMT will likely become depleted this coming fiscal year as we finish paying for the Center (gym) roof and HVAC units. Your targeted giving could help restore the fund that has been in existence for forty-five years to help fund the next maintenance project above and beyond the scope of the annual budget.
- Pastor Housing, Missions, Deacons and Endowment accounts also stand ready to help during times of shortfall or extra need per the focus and guidelines of the original gifts.

The Investment Committee members thank God for providing this financial buffer and the congregation for the trust placed in us as we continue to serve in this role.

**Committee Members:** Mike Cook, Matthew Jue, and Norma Moore.

# Personnel Committee Annual Report

Submitted by Marilyn Khalaji,  
Elder & Chair of Personnel Committee

Personnel Committee ministers to our staff—both Pastoral and support staff. We are committed to assuring that CPC's Mission is implemented and assist in best practice management for staff and staff/congregational relationships.

Summary of Personnel Activities for FY 2024-2025:

- Much of the work of the Personnel Committee is behind the scenes. We are charged with ensuring that all current job descriptions, personnel policies and annual reviews for staff are completed.
- We have developed policies and procedures in written form, so future Personnel Committee members will have a reference to guide them.
- We also review the Employee Handbook and update any state and federal laws that may have changed.
- We also serve as a liaison between staff and congregation and other staff members.

**Committee Members:** Marilyn Khalaji, Carolyn Anderson, Marta Elliott, George Mathew, Pastor Sam Knottnerus

# THE JOURNEY

Submitted by Evie Knottnerus, Volunteer Director of Young Adult Ministry

The 20's and 30's are growing not only in number, but in depth! My heart is so full as I write this. Our young adults are becoming trustworthy leaders, actively participating in church events, serving in various ministries, strengthening Barnabas friendships, and discipling the next generation. They are becoming more teachable as they sit vulnerable and humbly, within regular rhythms of soul care and discipleship. And they are experiencing faith growth and a deep sense of belonging as they gather in our home. I hope you have noticed how full our front 2 rows are during the service, and the ways that others are placing themselves around the sanctuary.

An important update for the group is our decision to multiply. Beginning with our January PTW session, we will offer two options for gathering at the Knottnerus Nest. We will continue to have our Sunday gathering, and will now offer a Tuesday evening gathering. We will enjoy the same rhythm of potlucks being the first gathering of the month!

There are also deep dive discipleship groups for both guys and girls. If interested in these groups, let me know and I'll connect you!

# Annual Report: Buildings & Grounds Ministry

Submitted by Tim Bergquist

This year has been one of tremendous progress and faithful service as we continue to care for the campus God has entrusted to us. Our volunteers and staff have demonstrated extraordinary commitment, stewardship, and teamwork—living out our mission to **Share Life | Equip Disciples | Engage Community** in tangible ways that bless our congregation and community.

## Highlights from the Year

- **Gym Roof Project:** The long-awaited gym roof restoration is nearly complete! The final installation of HVAC units took place in November.
- **Young Life Club Room:** The Christmas offering Young Life Club Room was completed and is being used by all generations. Volunteer Jody Brahmst assisted Jim Burke in upgrading electrical systems in The Club room. We are so grateful for Jody volunteering his skills and gifts to support the church.
- **Center Kitchen Refrigerators:** After 30 years of use, the refrigerators in the gym kitchen failed and were replaced thanks to the help of Women's Ministry!
- **LED Screen & TVs Installed:** Praise God! The large LED screen and two TVs were successfully installed in the sanctuary—thank you to Leonard and Kathy Babyak for their invaluable tech skills and dedication in making this project a reality. These improvements enhance our ability to communicate, worship, and connect as one body.
- **Railings in the Sanctuary:** Jim Burke, Dave Fritz, and Tony Perez installed the new safety railings on the front center steps leading to the stage —another step toward ensuring accessibility and care for all who worship with us.
- **Tree Trimming Project:** In June, volunteers led by Mike and Zach Schmit trimmed trees hanging over the Club Room roof, preventing potential damage and improving the longevity of the roof. Their hands-on care reflects faithful stewardship of God's buildings.
- **Campus Clean-Up Day:** In September, Scouts, BSF, and other ministry partners joined forces to refresh and beautify our campus, exemplifying our heart to Share Life in service.

We are truly grateful to Tammy Sawyer for her faithful leadership of the Buildings & Grounds Team. This year also brought deep sadness with the passing of our beloved custodian, Scott Sawyer. His faithful service and joyful spirit will forever inspire us. We are profoundly thankful for the steady support of Jim Burke, William Jennings, and our summer temporary employees Alec Sanchez, Caleb Emmett, Fahim Rahimi, Evan Dickerson and Zach Schmit, along with numerous volunteers who have faithfully carried on this vital ministry of care and upkeep of the church campus. In an effort to cut down on expenses, we have hired a professional cleaning company and landscape company instead of hiring a second custodian.

Through every project, we've seen God's faithfulness—working through dedicated volunteers and staff to build not just facilities, but a community that reflects His love and care.

**Team Members:** Tammy Sawyer, Tim Bergquist, Jody Brahmst, Mike Cook, Mike Schmit, Ned Rendell, and Dean Nissen

# Volunteer on Sunday Mornings!

There is a lot of work that goes into our Sunday morning gatherings. Each week, we have dedicated teams of volunteers running our tech, greeting, and children's ministry, ensuring that our church is a welcoming place for all people. This January, we want to step into a season of focused recruitment. If you are not a part of any of our volunteer teams, we want to ask you to consider the opportunity to serve with us on Sunday Mornings.

We are specifically looking to bolster our **Tech Team**, **Welcome Team**, and **Kid's Ministry Team**.

## Scam Prevention

Submitted by Tim Bergquist

Most things progress. Cities, transportation, and especially technology. Criminals use technology to swindle money from individuals, groups and governments. Criminals also are always on the cutting edge of advancements to trick people out of their hard-earned money, This has been the case with early deceptive look alike website names, that redirect customers to fake websites, to modern "hello mom" calling scams. The latest technology is Artificial Intelligence ("AI"). AI programs, like Chat GPT, are the latest tool where criminals can exploit new technology for fraud. AI is being used to copy voices and can be used for "Deep fakes" where the program not only learns the syntax but voice patterns of people to replicate a person's speech.

The fear is if a scammer were to take public video of someone, like Pastor Sam, they could craft a "Deep fake" AI voice of that person for nefarious uses. The thing to remember is not to fear progress. All scams work on the same principles: you receive an unannounced call, text, or email asking for something (usually cash or gift cards) in a very rushed manner that is out of character of the person asking.

For example, if you were to receive a call or email from "Pastor Sam", or your "local banker", out of the blue, where the caller, who sounds like someone you know, is asking for money or gift cards for an emergency and is pressuring you to do it right now.

If this happens, follow the common-sense rules:

- Slow down
- Don't divulge any personal banking or password information
- Hang up and call the person or institution who is reaching out to you. Use the phone number you have for them, not one provided by that contact
- Confirm with a family member or church staff if this is a legitimate call or request

There have been no known attempts to use AI to spoof any of our church members or staff, though it could happen in the future. There have been past fake emails, using Pastor Sam's good name to solicit funds, but remember, Pastor Sam will never contact you for gift cards or cash donations personally.

# CenterKids

At CenterKids we believe children *are* the church! We exist to partner with parents to form kids in the way of Jesus. For us, Kids Church is more than childcare! Through thoughtful curriculum and community we are inviting kids to become more like Jesus.

Contact Next-Gen Director Josh Morgan with any questions or call the church office.

This November, CenterKids hosted Friendsgiving. This was a sweet time of expressing gratitude to each other and for everything God has done and provided in our lives. On December 14, we will be having the annual "Happy Birthday Jesus!" party! If you have any families in your communities, this would be a great opportunity to invite them!

## Operation Christmas Child

In November, our church participated in Operation Christmas Child. Our church showed up generously!

We turned in a total of **61 boxes** that are going to travel all over the world, carrying the love of Jesus to children in need.

## Upcoming CenterKids Events

**Happy Birthday Jesus Party**  
**Sunday, Dec. 14**

**Are you interested in volunteering in Kids' Ministry?**  
**Please contact Josh Morgan.**

At CenterStudents we believe in partnering with parents to form students in the way of Jesus. We focus on **Relational Connection, Gospel Centered Curriculum, and Fun**

Our Middle Schoolers meet the 2nd, 3rd, and 4th Sundays in the Young Life Club Room on the West side of campus. Check-in begins at 10:25.

On Sunday mornings, our middle schoolers go through the Bible together, asking questions, digging deep, and learning together. This space provides an awesome opportunity for our Middle Schoolers to interact with scripture.

### Young Life

Young Life Club meets every Monday Night from 7 to 9pm at CPC in the Club Room. For more information email [josh@cpcfremont.org](mailto:josh@cpcfremont.org) and be sure to follow Tri-City Young Life on Instagram @tricityyounglife

### Student Life Group

On Sundays from 4-6pm our students meet in our Young Life Club Room and go through Practicing the Way together. This is a place for our students to experience community and dig into the claims of Jesus and what it means to follow him. We eat together, laugh together, and learn together. **Middle School and High School are welcome.**

---

### Young Life Winter Camp

In November, some of our Highschoolers attended Young Life Winter Camp! It was a powerful weekend and a great opportunity to get away and put our focus on the Lord.

**We are excited to continue to invest in Middle and High School students this year! For more information on Middle or High School, email Josh or call the church office.**

## Front and Center

Front and Center is an outreach ministry of the CPC Music Department, whose mission is to bring the gospel to nursing facilities and retirement communities through song and testimony.

### Upcoming visit

Sunday, Dec 7 Cogir facility at 1:15 PM & Lincoln Villa at 3:15 PM

The Cogir facility has ample seating in its event room, so come join us for some great Christmas music that afternoon. We'll have some sing-alongs too!!

## 1 Corinthians

Jim Schoon Bible Class

Semester 2 | Jan 7, 2026  
7-8 PM | Zoom Only

Pastor Jim's Bible Study class on I Corinthians has completed the first 5 chapters, focusing on Paul's message regarding divisions in the church, the wisdom of God versus the wisdom of the world, and the faithfulness of the believer.

The class will take a break for the holiday season, and resume on January 7, 2026, studying a chapter per night. There will be two semesters: January 7-February 11, and February 25-March 25. The class will not meet on Ash Wednesday, February 18.

If you would like to enroll in the class, contact Molly in the office.
