KIDS MINISTRY CONTINUES TO GROW!

**Every week we
receive more and
more kids in our
children's ministry!
It is a moment of
great growth and
Debi is so happy**

**with what God is
doing!**

**God has also
blessed us with an
incredible group of
volunteers for the
children's ministry.**

Debi has been doing
training for the
current team and has
been working with the
new volunteers that
have become a part
of the team!

Los Heroes Church

We are very excited to be a part and see what God is doing in the Los Heroes church.

God is bringing more and more people to be a part of this family. Both Saturday nights and Sunday mornings are completely full.

The Church Worship Album is Done!

We are incredibly happy that our worship album that was written by the local worship team is finished!

It was a great experience for the team and we pray that is a huge blessing for our church!

We rented a nice studio and went there to record for three

days with all 30 of the worship team members.

It was great to see the team begin to do things that they had never done before.

Mexico and Dallas

Eric had the blessing of going to Mexico and Dallas where he was invited to lead worship and teach a workshop on worship and creativity.

He was also invited to write worship with songwriters and leaders from various countries. We pray that God uses those songs for His glory.

God is opening a lot of new doors for us as we connect with other countries that have the same vision.

Leading Worship at Christ for the Nations.

It was beautiful to be able lead worship with 1200 young adults at Christ for the Nations. It was a beautiful time to pour into their lives.

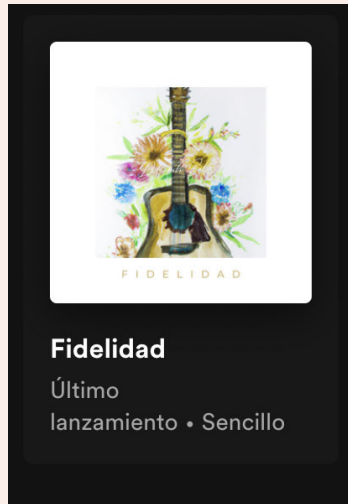

VIVE CONFERENCE!

We are working on our Vive Conference for this coming January. We will be hosting it from the 4th to the 7th. We are expecting about 350 people. We know God wants to do great things at this conference as

He has in the years before. That is why we are putting it as one of our main priorities for these end of the year months.
