OUR MISSION

The mission of New Wine Ministries is the same mission Jesus gave his followers: Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.

OUR VISION

The vision of New Wine Ministries is to create a community of authentic believers and to witness a city transformed by the life-changing reality of the gospel, as people come to know Jesus as their Lord and Savior.

FROM THE PASTORS

Thank you for your interest in the vision God has given New Wine Ministries.

The Word of God says in Proverbs 29:18, “Where there is no revelation, the people cast off restraint; but happy is he who keeps the law.” The word *revelation* in the Hebrew language means *prophetic vision*. This is a God-breathed vision. It is not vision through the aspirations of human reasoning. It is God speaking His plans and purposes to His people. When man is left to his own devices, he will *cast off restraint* and do whatever the flesh (works of broken humanity) desires.

At New Wine Ministries, our deepest desire is to romance and steward the presence of God well. We believe we are part of the Jacob Generation of Psalm 24:6, the *generation that seeks His face*. With this in mind, we have heard the heart of God, and He has now spoken into our future as to what His desire and purpose is for the years ahead. We believe in God’s prophetic vision so much that we created access to this vision in the e-book you have in your hands right now. We believe wholeheartedly in the gospel of Jesus Christ for salvation, and have preached and taught this for many years, and will continue to do so. God has now added to our vision: to look beyond the Cross and establish His Kingdom culture in all spheres of influence. We as a church have done well in establishing people in the faith, taking it into our homes and families, and reaching into our

communities. Now we will take that same faith, that same faith that has grown through the years, into the marketplace. In the parable of the minas (Luke 19:11-27), Jesus said, “Do business till I come.” This means *continuing to trade, using your gifts, and investing until I come*. Christ is conveying through this parable that we are to take what He has put into our hands and invest it in people, *do transactions*. A transaction is defined as *an activity of exchange*. When we use the gifts and resources God has given us, it becomes an investment in people and things here on earth. This is Kingdom exchange. This becomes how God’s Kingdom culture is spread throughout the earth. Saving souls does not necessarily change culture. We are called to save souls *and* teach them to carry the principles of God into business, government, media, education, religion, and the technology industry. These areas of influence are the giants of our day. As the church, the *ecclesia*, we have been called to pursue, overtake, and recover all. One of the instructions of Matthew 28:18-20 is “Go therefore and make disciples of all nations, baptizing them in the name of the Father, the

Son, and the Holy Spirit.” Here, “to baptize” means *to immerse into a new nature and culture* of the Father, the Son, and the Holy Spirit. This goes far beyond the four walls of the church. To disciple nations is to bring the influence of God’s Kingdom into all the spheres of society and reform them with Kingdom attributes. This is what we intend to do. We will not only romance and steward well the presence of God and preach the gospel unto salvation, but through our relationship with God, we now have a mandate, a vision, to raise up the next generation to take Kingdom culture into all the earth.

We invite you to join us.

Pastors Victor and Tammy Torres

INTRODUCTION

In 2013, the Word of the Lord was spoken to the House by Prophetess Nancy Ralph:

- “I am preparing a people—to raise up a people, an outward people.”
- “Within a 75-mile radius, God is going to bring people.”
- “Your vision isn’t big enough.”
- “He’s about to open your vision into foreign fields.”

In 2017, we received a Word from the Lord by Prophet Roy Ralph:

- “It’s time to reexamine your vision for this church.”
- “I’m about to increase your vision and increase your understanding.”
- “Your effectiveness will reach out to Mexico, Canada, and Europe.”
- “I saw this church as a hub—like a wagon wheel—the church and all the people were in the center.”
- “You’re in school, they’re in school, they’re learning how to flow in the Spirit.”

With these prophetic words in mind, Pastor Victor Torres, apostolic leader of New Wine Ministries, shared a series of seven messages defining the ten-year vision for the House and where God is taking this Body in the future. As instructed by God in Habakkuk 2:2-3, the vision has now been written and made plain so that he may run who reads it.

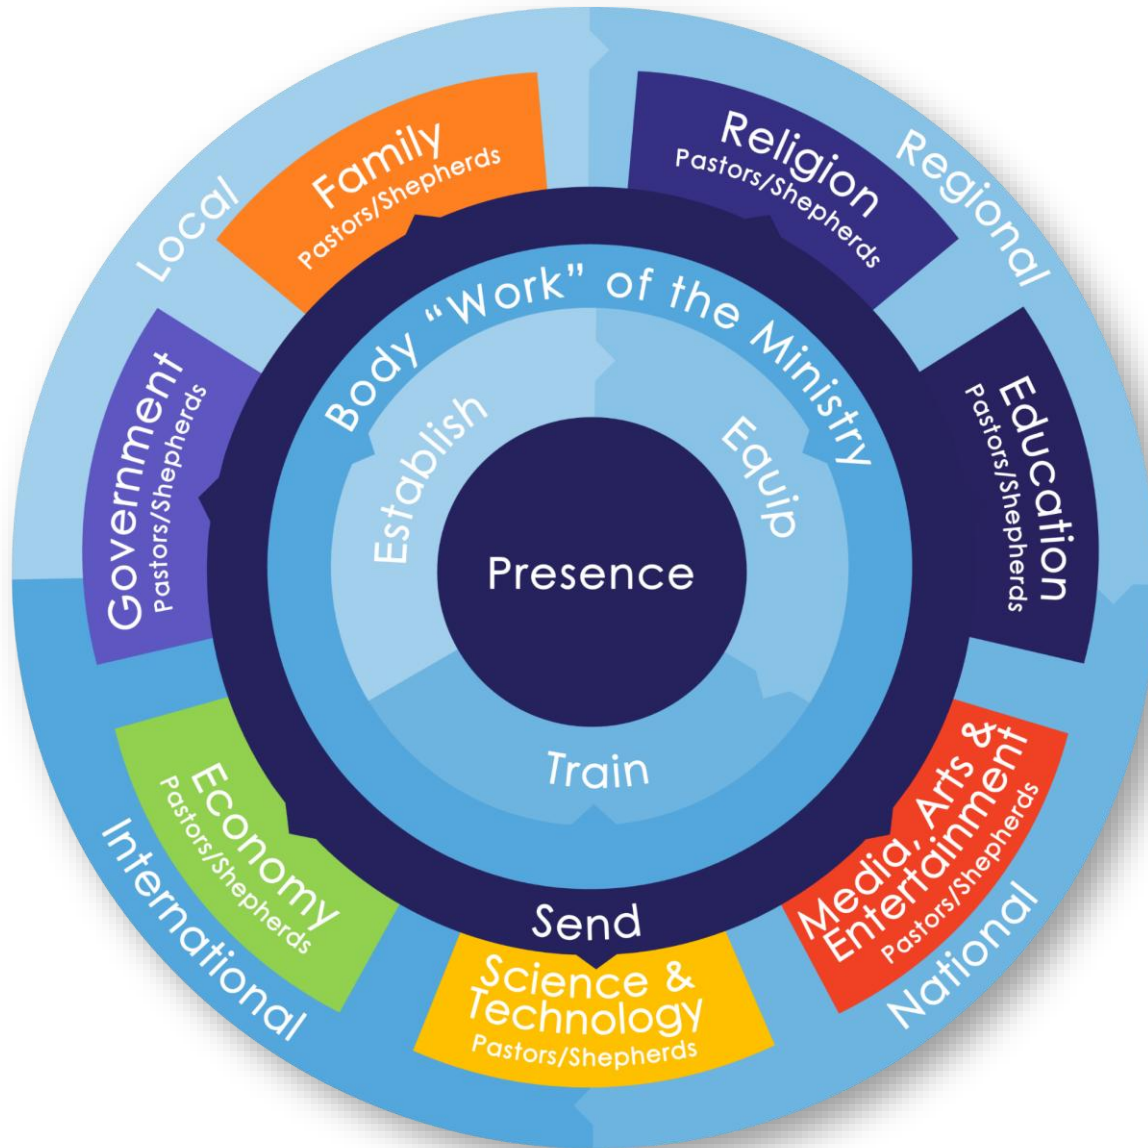

This e-book summarizes the vision and will allow the reader the opportunity to read, study and listen to the messages defining the vision of the

House. Scripture references and ten-year sermon videos are included in these pages.

The Appendix includes information about our leadership team, prophetic words highlighted here, and other relevant prophetic words spoken to New Wine Ministries.

Engage your faith with us as we look to the future revival, reformation, and transformation God is bringing through a prepared and ready people!

2025-2035 10-YEAR VISION

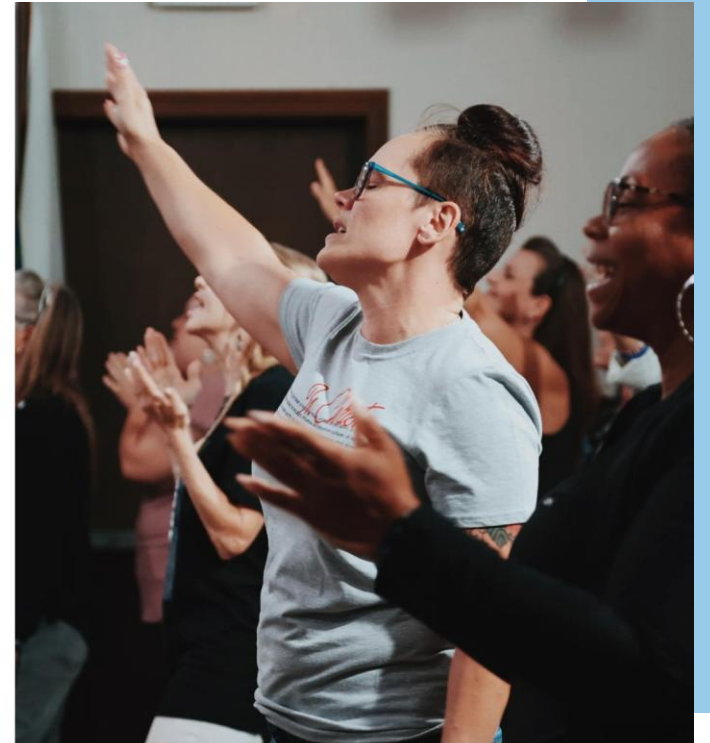

HIS PRESENCE CHANGES EVERYTHING!

The Presence of God changes everything. If New Wine Ministries is marked by any one particular trait, we are marked by His Presence. It has been the desire of Pastors Victor and Tammy to have a heart like King David—a heart that seeks the face of God.

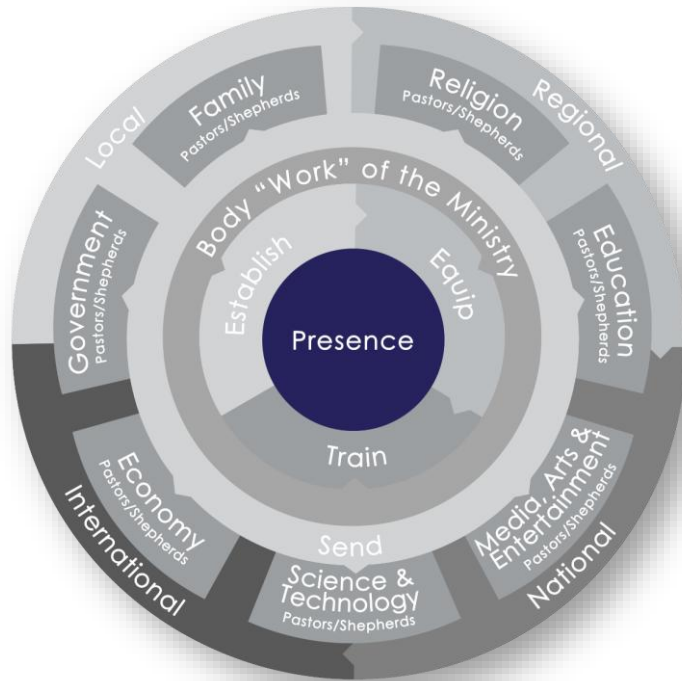

Communing with the Presence is truly at the center of everything we do. We hold dear the revelation of an open heaven. Whether in times of change, fighting enemies, or any other transition, the Fathers of the Faith did not want to go anywhere without His Presence. Like Moses and King David, we will not *go* unless His Presence goes with us.

We have seen and experienced many transformations and restorations here, and it can only be because of His abiding Presence. As a body of believers, we come with the expectation to hear and experience God. The Apostle Paul says in Hebrews 11:6, “He is a rewarder of those who diligently seek Him.” We do this through discovery and pursuing those things that are on His mind. We believe in setting the atmosphere, filling it with faith, and preparing our hearts to encounter God through times of worship, prayer, intercession, and approaching God in humility and obedience.

As you will see in the pages ahead, our heart is to make sure that as we step into creating any new part of the New Wine Ministries Hub, in all things, if the Father’s Presence does not go with us, we will not move forward into that part of ministry. We know that in all things, victory and joy are *only found in the Presence of God*.

VISION

Seek, invite, and experience the Presence of God in everything we do.

ESTABLISH IN THE FAITH

Throughout the past 38 years of being a born-again Christian, the Lord has allowed me (Pastor Victor) to see patterns. One of the patterns that I have witnessed is a weakness within the church body. We major in salvations and minor in establishing people in their faith. It's one thing to receive a Savior so that you will not go to hell, but it is another to learn and depend on the Christ-like nature that establishes a person's faith walk with God while on earth.

Many people who were once saved fall back into the lifestyle of the world. That is because they were never discipled and were taught a watered-down gospel. Once the storms of life came, they found out that they had built their house on sand (Matthew 7:26) and were never firmly rooted (Colossians 2:7) in experiencing the true presence of God, nor were they established in the foundation stones of the faith (Hebrews 6:1-2).

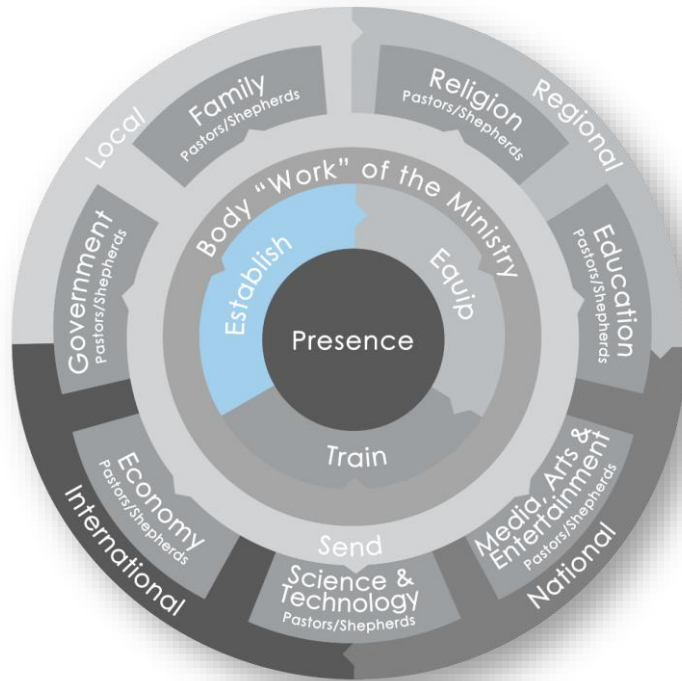

Establishing people in the faith is as important as leading them to Jesus as their Savior. New believers become what the Apostle Paul describes as "babes in Christ" (1 Corinthians 3:1-2). Surely no one would bring a baby into the world and not nurture, protect, love, correct, and raise the child until he or she can walk, talk, and then take care of themselves. This is what *established in the faith* means. It is not only doctrinal teaching that is needed, but these "babies" need to partake of fellowship and accountability. They must learn consistency (1 Corinthians 15:58), develop a devotional life, and grow to know and become connected to fathers and mothers in the House. Fathers and mothers are mature believers who are willing to care for and support the discipling process to ensure the establishment of new believers, securing their walk and stance during the testing and trials of life.

EQUIP THE NEW MAN

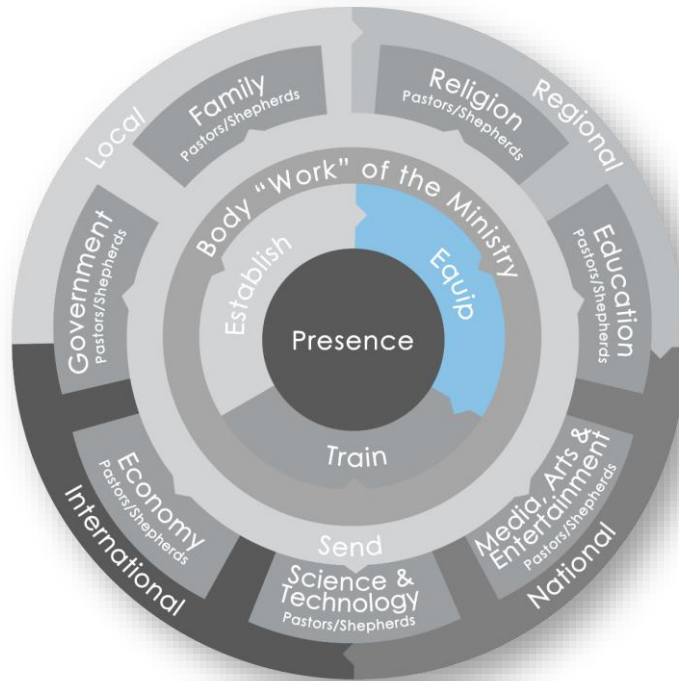

Experience the presence of God. Establish new believers in the faith. Equip the New Man.

The word “equip” is to make sure believers are *complete, thoroughly prepared, and made ready*. Believers need to know why they believe what they believe. They need a relationship with the Word of God, not as a set of rules but as a witness to who God is and how we should approach the living God. Our vision is to equip believers with proper doctrine so they will not continue to walk according to the old lifestyle. Our expected outcome is that they become complete and thoroughly equipped for every good work and prepared to do the exploits of the ministry (2 Timothy 3:16-17).

We equip believers at New Wine Ministries through a variety of course opportunities. All courses are designed to be stepping stones to maturity. We have learned not to assume everyone knows a little about the Bible, so we start new believers with a simple “How to Study your Bible” course to provide them with study methods and tools to learn about God’s Word. We teach them how to live in the new lifestyle of righteousness—to live in the new nature possible by the Blood of Jesus Christ (Ephesians 4:24). Believers must also learn how to do righteous works (James 2:24). We see each course and position of ministry as equipping opportunities. These opportunities range from having a relationship with God in worship and His Word to security training, finance course, media training, intercession, works of service, outreach, and many others.

Each member of the Body of Christ has different natural and spiritual gifts given by God to edify and strengthen the body. We want every member to know that the work of the ministry doesn’t start after four years of seminary but can begin right after salvation. We activate believers in their faith and good works so they can help others come to believe in Jesus Christ and experience the tangible God here and now.

VISION

Equip believers spiritually and naturally to discover and fulfill their God-given purpose in the earth.

TRAIN TO MATURITY

Romance the Presence of God, then, establish, equip, and train.

At New Wine Ministries, we believe in preaching and teaching the pure gospel of the Kingdom while creating a culture of training. This culture of training takes place in our courses and services.

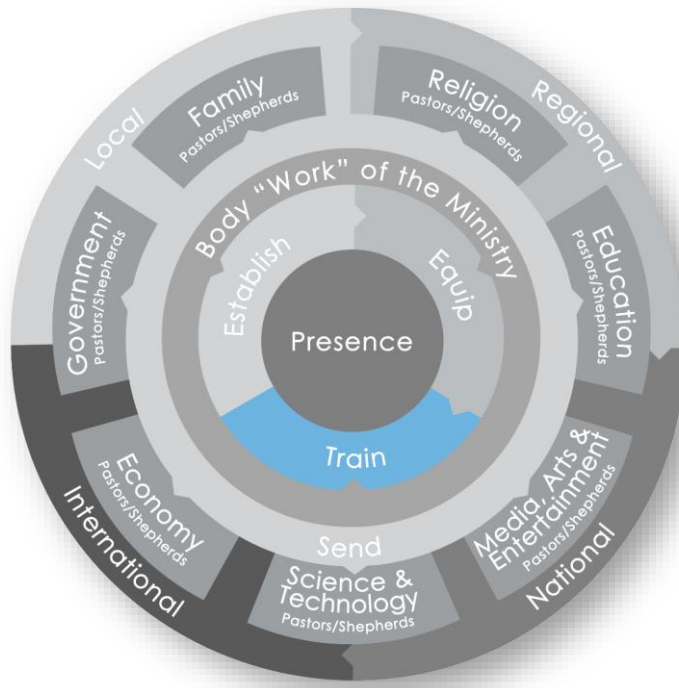

As believers grow in the Word of God and the gifts of the Spirit, they need opportunities to practice their spiritual gifts. Hebrews 5:14 highlights this point: “Those who by reason of use have their senses exercised to discern both good and evil.” In this chapter, the writer speaks about exercising the gifts and why this is necessary. He says, “For though by this time they ought to be teachers...” they were “unskilled in the word of righteousness.” He called them babes in Christ. These believers were immature and unskilled in the Word. They needed to go back to the first principles because what they had learned was not applied in practice, nor was there accountability.

We provide teaching and training sessions with activations. Participants listen to the teachings, and then the opportunity is made to activate the gifts by faith. Activating means allowing an atmosphere for believers to take steps of faith to discern what God is saying. For example, maybe God wants them to lay hands on the sick for healing. We also have times of encouragement and, at times, loving correction to help them discern what is evil and what is good.

We offer training for all areas of ministry to prepare God’s people for His divine purpose in their lives and to help them mature in their faith and spiritual gifts with accountability.

VISION

Create an atmosphere for training the Body of Christ in their gifts, maturing them for their purpose.

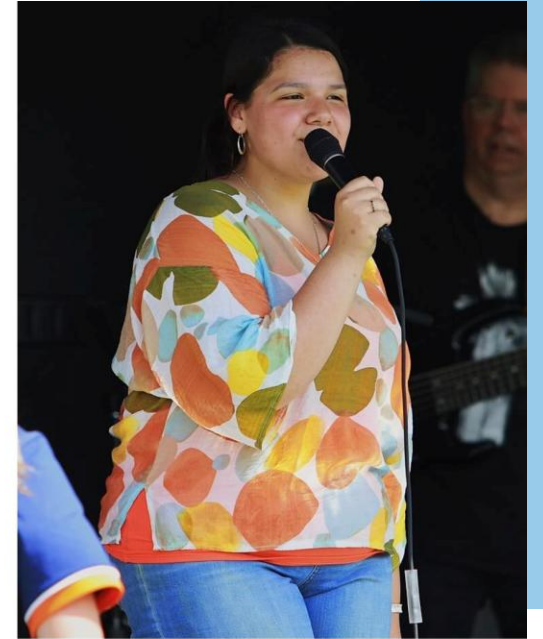

BODY “WORK” OF THE MINISTRY

Romance the Presence of God, establish, equip, and train for the work of the ministry.

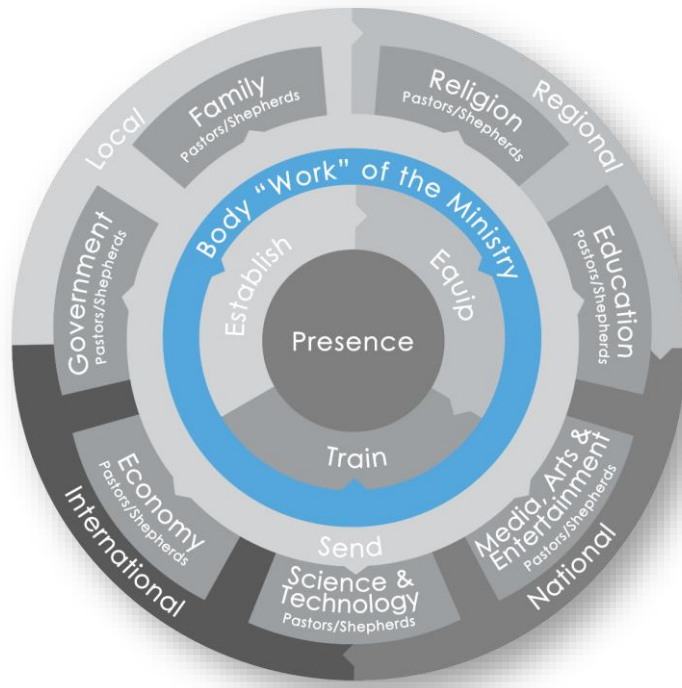

We are so thankful for all the people God has given New Wine Ministries. They are all precious to us.

Our concept of the work of the ministry (Ephesians 4:12) is that all believers, both young and old, have a “work” of the ministry. Ministry begins when a person is born again. They become a part of the Body of Christ. In Ephesians 4:7-16, Apostle Paul writes about the importance of understanding our place in the church. He gives the illustration of one joint in the body supplying what another joint or other body part needs. We are joined and knit together, each in need of the other. In 2013, I (Pastor Victor) received a prophetic word from Prophet Roy Ralph that said, “You must catch God’s vision and you must do your part of the vision says the Lord. You must join yourself to what I have given to the vision of this place, for I have not put it in just one man, but I have put it in my body, says the Lord...”

Vision is like a puzzle, but no one person holds all the pieces. I have come to understand that to accomplish the vision God has put in me for New Wine Ministries, I must be willing to see and receive the other pieces that God has put in other people. In this ministry it is not a Victor and Tammy thing, it is a Body of Christ thing, knowing full well “that every joint supplies according to the effective working by which every part does its share...” (Ephesians 4:16). The point is, “all” believers have a ministry work to do. Maybe not like the pastor or the evangelist, but it is still ministry. We desire for all members of to find their place.

BODY "WORK" OF THE MINISTRY

VISION

Provide opportunities for every believer to do their "work" of the ministry.

WORK OF THE MINISTRY:

Service of the Kingdom, a deed that carries out an inner desire

A PARADIGM SHIFT IN THE CULTURE OF THE CHURCH:

An important change that happens when a new and different way replaces the usual way of thinking about or doing something.

WE DO THIS THROUGH:

- Setting the Culture—culture is everything
- Service
- Prophecy
- Laying Hands on the Sick
- Casting out Demons
- Communion
- Anointing with Oil
- Working Miracles
- Prayer and Intercession
- Baptism
- Giving
- Transforming Culture

SEND – OUR GREAT COMMISSION

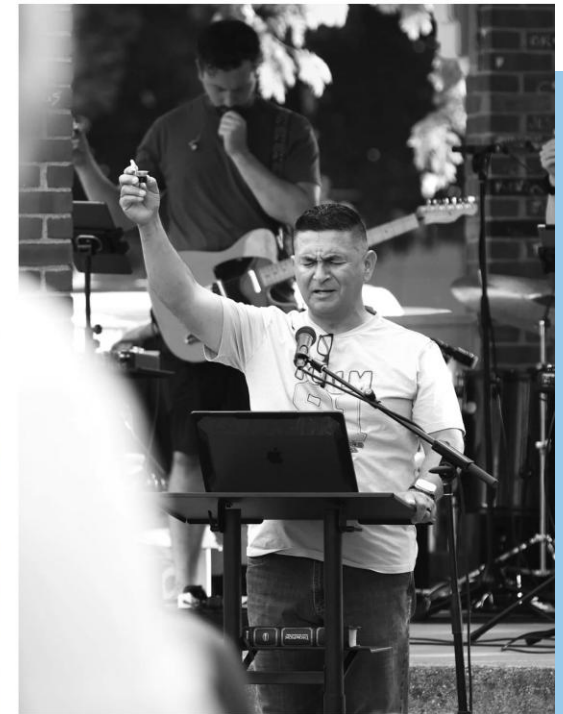

Romance the Presence, establish, equip, and train for the work of the ministry to send.

The Great Commission is a charge given to the Body of Christ. In Matthew 28:16-20, we see the directive of Jesus to “Go therefore and make disciples of all nations...” Throughout the ministry of Jesus, He taught the principle shown in Acts 1:8, “to send.” He sent his disciples out to be His witnesses, to Jerusalem first—your family and hometown; Judea second—your community, your city; and Samaria third—your state, region, or nation; and then into all the earth—all nations and cultures.

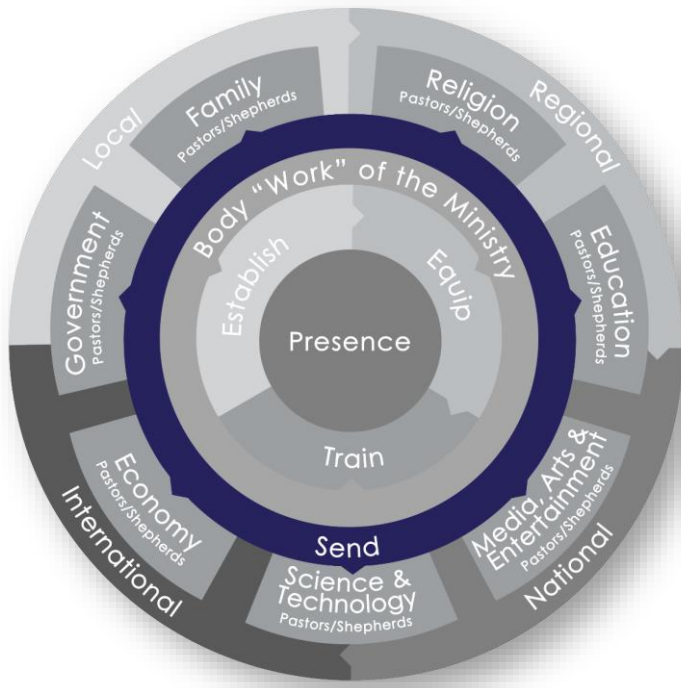

At New Wine Ministries, we are so excited about experiencing the presence of God that we are compelled to share it with our family and at our workplaces. We host outreaches into our local communities and cities, and now we will be sending others (with proper training) to other states and nations.

As part of our vision, we will also raise up shepherds/pastors who will oversee and train the next generation to lead with Kingdom culture in the Seven Mountains of Societal Influence (Government, Media, Arts, and Entertainment, Education, Religion, Family, Science and Technology, and Business). These seven areas are not exhaustive, but inclusive of the main influential cultural spearheads that govern society. This is what Jesus meant by “all nations.” His command is to disciple and baptize every *ethnos group*, every *nation* on the earth in the Name of the Father, the Son, and the Holy Spirit.

1 John 3:8 says, “For this purpose, the Son of God was manifested, that He might destroy the works of the devil.” At Jesus’ ascension, He left the church/ecclesia as His delegated authority in the earth to act in His stead, drawing all nations unto Himself. We have heard and accepted the call of God to go make disciples in our homes, cities, states, and nations as His extended hands and feet, and to destroy the works of the devil.

7 MOUNTAINS OF SOCIETAL INFLUENCE

In the Book of Daniel, the people of Israel had been in captivity under the rulership of a foreign king and their gods. This was, in essence, the judgment of God released against Israel for idolatry and disobedience. After many warnings, God turned them over to their enemies, but not without redemptive hope. In His mercy, God limited their judgment and, in time, would raise up a people that would repent and desire to obey the oracles of God and receive His promises. God gave a dream to a foreign king that would bring hope to all of Israel. The dream was given to King Nebuchadnezzar of what would transpire in the latter days. The imagery given to the king was of a statue whose head was of fine gold, its chest of silver, its belly and thighs of bronze, its legs of iron, its feet partly of iron, and partly of clay. See Daniel chapters 1 through 5.

One of the ways God speaks to man is through dreams and visions, but the average person needs help interpreting what dreams and visions mean. God gave Daniel insight into the timing of his people's release and hope to be in expectation of God's plans that would unfold in the future. Daniel 2:44-45 states, "And in the days of these kings the

God of heaven will set up a kingdom which shall never be destroyed, and the kingdom shall not be left to other people; it shall break in pieces and consume all these kingdoms, and it shall stand forever inasmuch as you saw that the stone was cut out of the mountain without hands and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold—the great God has made known to the king what will come to pass after this. The dream is certain, and its interpretation is sure."

The dream was interpreted by Daniel the prophet. God gave him insight into the symbols, types, and shadows within the mystery of it. The gold, silver, bronze, iron, and clay were symbolic of the rise and fall of nations that would be in the earth but not only the nations, they also represented the spirits that influenced their kings and regions. This can easily be seen in Daniel's account in Chapter 10. Here he speaks of open visions of angelic beings coming to help him understand the dreams and visions, and giving Daniel insight into what was hindering his prayers and timelines. These hindrances were demonic spirit entities ruling over the very regions Daniel was praying into for

knowledge. These spirits influenced kings and nations. These spirits influenced kings, who influenced the decrees and policies that created and dictated culture. This culture influenced how people lived, the gods they served, how they treated one another, and how they ruled other nations. Through all of this, they ruled and dictated economies through trade, treaties, and war. Another symbol used in Nebuchadnezzar's dream was of a stone that was cut out of the mountain without hands, which broke all the sections of the statue into pieces. We can see through proper Bible hermeneutics that the stone represented the coming of Jesus the Messiah, and the mountains

7 MOUNTAINS OF SOCIETAL INFLUENCE (CONTINUED)

represent within the culture something high, strong, and influential—the kingdom of God or the kingdom of man. We can see in Daniel’s interpretation that the demonic spirits war and influence the kings and kingdoms of this world to dictate culture and policies governing societal influences. It was not God’s intention for evil to rule, but it is what transpired through the fall of Adam and Eve.

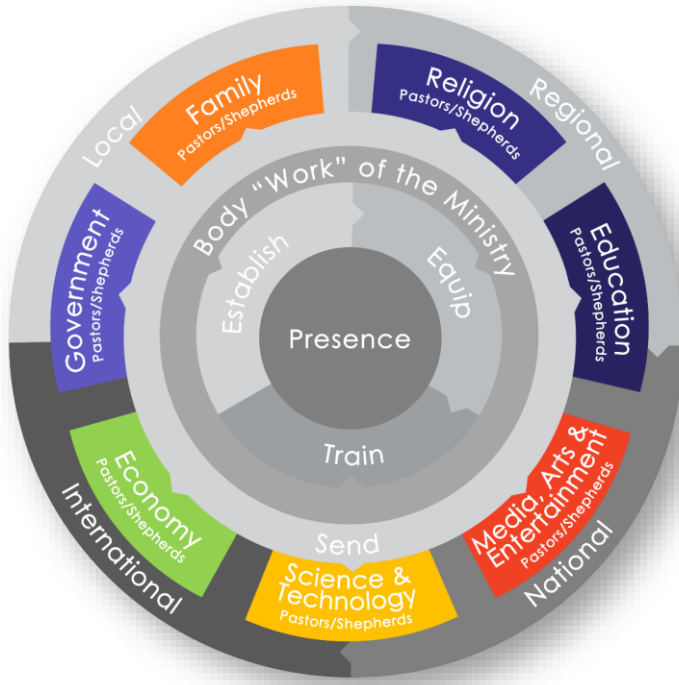

I know this piece is lengthier than the others, but an explanation is needed to understand why the paradigm of the church as a whole must change. The church has done well through the years in saving souls, but saving souls and waiting for the rapture was not God’s plan for humanity in the earth. Jesus will return without a doubt, but what we do in this in-between phase matters to Him. Saving souls is only the beginning. The mandate is to preach the gospel to all and baptize nations. This means we take the life and authority Jesus died and rose again to influence and transform the earth. Through our prayers and intercession, we take authority away from the spirits that hold regions in bondage and bring the culture of the Kingdom of God into every sector of society. This is

revealed in Micah 4:1: “...the mountain of the Lord shall be established on top of the mountains and shall be above the hills, and peoples shall flow to it.” The mountains and hills represent societal influences on the earth over people groups and nations. But this scripture gives insight into the mountain of the Lord. In other words, it could be said, *the authority and influence of the Kingdom of God shall be above and established on top of the authority and influences of the earth, and all will be drawn to it.* You see, the only reason we here in America have seen so much injustice in politics and government is because of some erroneous teaching in the church which said believers should stay out of politics and government. The reason there is much injustice throughout the earth in all these spheres of influence in society is that the church and the Kingdom culture have been absent. We at New Wine Ministries refuse to do church as “normal.” We believe “go into all nations” means go to *all ethnos groups*. “All ethnos groups” means every mountain that influences every realm of society. We are raising up the next generation with spiritual and natural intelligence of Kingdom influence, and training them in the spheres of

religion, government, media, arts and entertainment, education, business, family, and science and technology. These will be training hubs with the Presence of God at their center. No longer will the church get people saved and wait for the return of Jesus. We will lead people to Jesus and, through them, bring Kingdom influence in every sphere of society. The Church is no longer in defense mode, just trying to make it to heaven. The church’s paradigm has changed. We stand in the offensive posture, bringing cause and effect to the places the devil once owned. May King Jesus receive His inheritance and the ends of the earth for His possession. Amen.

PROPHET ROY AND NANCY RALPH 2013

Word of the Lord To Pastors Victor and Tammy Torres

Prophet Roy Ralph: “The changes have come, and they've been slow at times. But they've come. And you've seen the glory of God and you've seen the presence of God in your life. And you've seen God work even in your own family, and in things around about you. And you've seen the heart of God as it began to be expressed through the needs of others in your hearts, and you've wept at times as the needs of others began to come to your mind and heart. And you've given of yourself unto Me that I might even use you as a vessel of honor and use you even as an intercessor at times to cry out on behalf of My Body. And I would say unto thee, My son, it is because of all of that, and because of all your faithfulness, that I have even begun to honor you, and I will continue to honor you, for I will begin to cause your name—and I know you haven't asked for this—but I will begin to cause your name to be known in the community, and people will know that it is the Lord that has done it. For promotion doesn't come from the north, south, east, or west. Promotion comes from the

Lord. And I am about to promote you, says the Lord, even in this community where they will begin to know there is a man of God that stands on the principles of God. And they will know there is a man of God that says, that speaks the Word of God, and that it will come to pass because he became the mouthpiece to declare it. My son, great things are ahead for you. Don't get a big head, but allow Me to be your head, and as I am your head, says the Lord, great things will come about. Amen.

Sis, you've known it a long time. You've known it, that is why you hooked yourself to this man. Amen. The Lord is even beginning to renew your youth in some ways and beginning to do a new change within you, says the Lord. I will even begin to cause you to have dancing feet and a merry heart that is better than medicine, says the Lord. And I'm going to cause even the things of thy God that you have looked at and you have said, 'Lord, I want this and I want that' and 'I see this in your Word, and I see that.' The Lord's going to begin to open your eyes to see the fulfillment of those things. Amen. Amen. Yes, Lord. Yes, Lord. You're going to begin to call out

destinies in peoples' lives, and you'll begin to see what God has created them for, and you're going begin to speak of them first in prayer, but then speak of them even out loud to others and to them as well. Amen. Amen.”

Prophet Roy Ralph

PROPHET ROY AND NANCY RALPH 2013 (CONTINUED)

Prophetess Nancy Ralph: “When we first came in tonight, we had a tour of the building. I sat down here, and the Lord spoke to me, and He said, ‘Just as I’ve prepared this building for you, so I am preparing a people.’ These people will join with this Body, and the whole community will know and there is going to be a change, like Roy prophesied. But it is because of your heart and because of your coming before God in humility, that He is going to raise up a people, and it isn’t going to be an inward people, but an outward people. Church doesn’t stay within these four walls; we go out and we take the Lord to the community. Within a 75-mile radius, God is going to bring people to this place.”

Prophet Roy Ralph: “As she first began to speak, the Lord spoke this word to me: ‘Your vision isn’t big enough.’ Ok. Your vision isn’t big enough. He’s got more. Now, you’ve been faithful in the vision He’s given you thus far, I’m not saying that. But He is about to open your vision even greater. Oh yes, He’s going to open your vision not just for this community, but even into other communities and into foreign fields. ‘I will begin even to raise you up in days to come, not tomorrow but days to

come, and I will put a burden on your hearts for the nations, and you shall begin to raise up men and women that will go to the nations. For you shall begin to train them for the purpose of God in their life, and begin to send them out, for there shall be many who go from this place to the nations and declare the Glory of God. I’m opening up your spirit and opening up your mind, says the Lord, that you will become a father to many, many, many, individuals and care for them as a father would care for them, and bring them into their place, says the Lord. But thus sayeth the Lord to you, Yea, for this to take place, you must catch the same vision, and you must do your part of the vision, says the Lord. You must join yourself to what I have given to the vision of this place, for I have not put it in just one man, but I have put it in my Body, says the Lord. I’m putting it there so that it might go forth out of the Body of Christ into the nations, into the communities, into the surrounding areas, says the Lord. I’m calling you to take off the garments that have been holding you back and holding you down, and begin to put upon yourself the garments of Christ that say I can do

all things through Him that strengthens me,’ sayeth the Lord. Amen. Amen. Hallelujah. Hallelujah.”

Prophetess Nancy Ralph

PROPHET ROY AND NANCY RALPH 2017

Word of the Lord To Pastor Victor Torres

Prophet Roy Ralph: “I know that I am going to minister to the leadership later on, but I can't get away from this. I feel like I'm hearing the Lord say, ‘It's time to re-examine your vision for this church, for this community, to reexamine it and to increase your vision. For I have some things for you to do.’ Boy, as I was listening to your announcements, it sounds like you're pretty busy. “But I have some things for your to do, says the Lord, that you have not started with yet. I'm about to increase your vision and increase your understanding, and I'm about open some new doors of effective, effective ministry in the area, says the Lord. And I'm about to open up some new relationships, says the Lord.’ Pastor Victor, you are going to be very important in that aspect. The Lord says, ‘I'm going to open up some new relationships in the area, (with) some new pastors and some new churches, and some new effective ministry working together with other churches to accomplish the goals that I have set for this area. And I am going to cause you to look not just to this area but even into other areas, says the Lord. And your effectiveness will reach out to Mexico, to

Canada and even into Europe, says the Lord. Your effectiveness and the ministry of God will begin to go forth from this place into many different areas, into many different places, so look up to know you cannot do this on your own, but as I encourage you, as I strengthen you and as I pour Myself into you, you shall find new things beginning to happen. New vision, new ministry, new strength, and you shall begin to see new doors open, effective doors. Not all doors that seem to be open will be ones that I am opening, but you will know, says the Lord. As they open, you will sense My presence and step through, says the Lord, and you will find great things beginning to happen above what you thought possible, says thy God’, in Jesus’ Name. Amen.”

Prophetess Nancy Ralph: “I saw this church as a hub ok, like a wagon wheel. The church and all the people were in the center. But it's like you're in school, they're in school, all right? They're learning, they're learning how to flow in the Spirit. They're learning how to share the gifting that the Lord has given them. But then as they learn, there's spokes reaching into the

community, going a long way and sharing what they have learned and bringing people in to receive the Lord for healing, for restoring, for whatever they need. They will bring the people back into the hub so that they can receive what they need from the Lord; receiving training, and then they can go out. And this hub, or the spokes, keep on going and going, reaching out to the community and even to different states.”

Pastors Victor and Tammy Torres

PROPHET ROY RALPH 8.17.21

Word of the Lord To Pastor Victor Torres

Prophet Roy Ralph: “I love you, brother. Can I borrow your jacket for a minute? (Pastor Victor takes his jacket off and gives it to the prophet, who then puts the jacket on himself.) I borrowed this jacket for a reason, Brother Victor. The Lord told me earlier, ‘I want you to take that jacket, and I want you to put it on for a few minutes because I am going to take some of the anointing that is on you, and I am going to give it to you’ (pointing to Pastor Victor.) You have already begun to enter into a new anointing and a new realm of the spirit. You have already placed yourself, and you have cried out to God, ‘God I must have more, and God I’m not able to really lead this people and do this, but God I’m just going to be faithful to you, and just whatever you say to do, I’m going to try to be obedient to you.’ And the Lord says, ‘You have been faithful before Me, son, and even at times when it seemed like everything was about to fall apart, and everything was about to go the way of the world, yet you stood in the midst of the people, and you declared My presence, and you declared My glory, and I am about to put a new anointing

upon you says the Lord. For even when Aaron went to come into My presence, and they took the garment of priesthood off of Aaron and put it on his son, so I symbolically (as he takes the jacket off and puts it back on Pastor Victor’s shoulders) take your coat, the one you have, and I place it on you as a sign of a fresh anointing that is coming upon your heart and on your life, that is going to cause you to come into My presence in a whole new manner, says the Lord. For you have been found faithful before Me, to declare My Word, and even to stand when others have said, ‘No, you’re wrong’ and ‘you’re not right’ and ‘you can’t do this’ and ‘you can’t do that.’ You stood and said, ‘This is what God is saying, and this is what we are going to do.’ And I have proven you, says the Lord, and I have proven Myself in you and through you, to bring forth even a higher realm of relationship with Me, says the Lord. Know my son, that as I have done this symbolically to you, so I am placing upon you that higher authority. But understand that it also brings a greater responsibility, and at times greater struggles. But just as Job, I knew that Job would stand, so I know that you will

stand says the Lord. So I anoint you this night in a new, fresh way, says thy God, In Jesus’ Name, and you will raise up other men and women of God. And I know you have raised up some here, but I am saying that you are going to raise up other men and women of God. You are going to begin to go out to spread the gospel, and they are going to start New Wine Ministries in new places, says the Lord. And people’s hearts are going to be changed because of the anointing that will not stay upon you, upon your head, but will go upon your shoulders, even down to the skirt of your garment as it were, and others will begin to sense the same anointing. And they will have it, and will begin to go forth, and you will lay hands upon them and they will receive the same anointing that I have placed upon you here tonight, says the Lord.”

APOSTLE JANE HAMON 8.19.21

Word of the Lord To Pastors Tammy and Victor Torres

Apostle Jane Hamon: “And the Lord says, Daughter, although I have given you a pastoral heart, I have also given you a prophetic vision, says the Lord. Actually, I have put a prophetic release upon both of you, and the Lord says I am commissioning you to raise up a company of Deborahs and a company of Esthers, says the Lord. And daughter, you're going to gather prophetic women, and you're going to gather watchmen and intercessors, women that know how to engage in the Spirit of the Lord.

The Lord says, I want you to know, son and daughter, that she won't just teach women, and he won't just teach men, but you are going to function together as a team, says the Lord, teaching and raising up the Body of Christ. The Lord says, Daughter, there was a time that the Jezebel spirit came after you, because Jezebel hates women, and she hates prophets, and you're both. And the Lord says that Jezebel spirit tried to get you to back up and to back off, but the Lord says, Daughter this next decade My hand is on your back, and there is no more hiding out, there's no *more just in your mind preferring others*. The Lord says, Daughter, I am calling you to the forefront to stand side by side. I am calling you to the forefront to let your voice be heard, and the Lord says, Daughter, it's also mixed with that very strong compassion gift. And I am going to put you on the radio, says the Lord. People are going to hear your voice. They are going to begin to arise to that sound that I put inside of you. Tonight, the Lord says, I break you free from that spirit

that would keep you quiet, and I loose you in authority. I loose you in the Holy Spirit, with clear revelation. I also heard the Lord say that you are going to raise up non-traditional people, so He is going to put you in a non-traditional building. I feel like it's close to here. It's about a ten-minute drive. I feel like the Lord is saying it's going to come sooner than later. I don't know what your plans are, but I hear the Lord saying it's coming sooner than later. And the Lord says that this is going to be a season of calling the things that are not as though they are. Begin to call it into being.”

APOSTLE JANE HAMON 8.19.21 (CONTINUED)

“And the Lord says, It’s time, Son and Daughter, and if you will begin to knock, I am going to begin to open. The Lord says, it’s going to be a non-traditional building that will house these un-traditional people that I am raising up in this apostolic hub, says God. I am going to do a miracle for you. It hasn't been time yet because it (the building) has been otherwise occupied, but if you will begin to watch and pray, I will show you exactly where it is, and I will begin to pave the way and make the crooked places straight, and I will give you a miracle, says the Lord. I will give you a miracle that's going to blow people’s minds as a testimony of what I can do even in the midst of a crisis time and a chaos time. I am going to bless you in the midst of it, declares the Lord.”

Apostle Jane Hamon

PROPHET ROY RALPH 3.19.2022

Word of the Lord To Pastors Victor and Tammy Torres

Prophet Roy Ralph: “That which I have accomplished in you is just beginning, says the Lord. For I am about to raise up an army of brothers and sisters in Christ who are going to go forth in honor, and honoring, preferring one another, and doing that which I am teaching them, and that which I have called them to become, says the Lord. And I am going to cause the church not just to grow numerically, but I am going to cause it to grow spiritually, especially, says thy God. There will be those that will actually go forth from here and start new buildings, new churches, new places, new ministries, and even into the mission field, says the Lord. And people will begin to recognize that there is a God not just in Waterford, Michigan, but there is a God that loves all people, says the Lord, because My people are about to rise up in a unity that has never been seen before, says thy God. I am going to stop for just a moment. How many of you have seen what's going on over there in the Ukraine? How many of you have recognized that what's happening in the Ukraine is not because the Ukrainian army is so strong or so populated, it's

because they are in unity. That's the unity, says the Lord, that I am about to bring forth in the Body of Christ. A unity of brothers and sisters that says, 'you're my brother, you're my sister.' It doesn't matter to me what your faults are. It doesn't matter to me when you fail. I will be there to lift you up. I will be there to carry you, says the Lord. And you shall begin to be known throughout this state, and even in other states, known as a people that know their God. Yes, Lord, yes Lord. And that's been your heart. You weren't seeking for notoriety for yourself, but seeking for notoriety of your God, and what He has done, and what He is doing. And the Lord your God has seen the humility, the humbleness and the willingness to give of yourself unto others, willing to teach and to minister and to raise others up. And the Lord would say, My Son and Daughter, I am going to cause the two of you to become pillars in the household. Not just this household, but the household of faith, says the Lord. And people will know that the Lord thy God has done a great and mighty work in you, and in those that seek to know Me, says the Lord. More Lord. For there's been a hidden desire in your spirit that you have hardly even talked about. There's been a hidden

thing inside of you that you have talked to Me about but hardly anybody else, but I would say unto thee, My son, that it is that which I have put within you, and you shall begin to see it come to pass as I raise up other men of God with the same character and the same nature that you have, says the Lord. And I will cause them to become Fathers and Mothers. I will cause them to become godly husbands. Men and women of God that will stand and declare, 'this is the way, walk ye in it,' says the Lord. Yes, Jesus. I'm just going to say this, I think there have been times when you've felt like a failure. There have been times when you thought you had failed, and failed even this Body. And the Lord says, Not so My son, but I have been taking you through the crucible. I have been taking you through the trials, the struggles of life, and I've been bringing you even into purity, says the Lord. Don't you understand, to get the new wine, you've got to crush the grapes? And I have been taking you through the crushing process, and I will cause the new wine to come forth out of your spirit and out of your life, says the Lord. and from out of your innermost being will flow new wine as a river of God, says the Lord. More Lord, just bless him.”

DR. STEPHEN EVERETT 10.22.23

Word of the Lord To Pastors Victor and Tammy Torres

Dr. Stephen Everett: “For surely I have constructed even a pool of Siloam in this place. I have raised up even those that I consider in My Spirit to be ones that will be sent. Surely you will be sent with even the waters not only of refreshing, but you will be sent with even the waters of reformation. Do you not realize what I have ordained for this, your season, and for this, your portion? Open thine eyes. Rise, rise, rise, saith the King of Glory, and look at things even from My view from this day forward. For surely you must fill the earth. You must fill the earth as My sent one, carrying forth My waters that will heal conditions that have been long-standing. For where there has been hopelessness, and yet the waters that are inside of you shall even become even pitchers of refreshing. And yea, even pitchers that shall change the conditions in the land. For you are not here by chance, but like Esther of old, you have been called into the kingdom for such a time as this. For have you not dealt within your heart that there is both deliverance and enlargement inside of you? Have you not dealt within your heart that all that is necessary to hang the Hamans of this age I put it in you already? All I desire is your voice to be My voice. For you to speak in the earth in My stead. And when you do, watch what the King of Glory will do, not only in your midst, but in all the areas of influence that I will send you. Change your mind about how you see yourself. Repent of the things that you have said that are inconsistent with My word about you. For when you look into, yea even the waters of My word, do you not see the reflection of My face and your face? Know clearly in this hour who you are, and rise to the occasion. The Spirit would say, Rise to the occasion. Mount up in this moment, for this is your hour, this is your time, and what I have been birthing inside of you. The time has come for it to come forth in fullness, because this is your time.”

Dr. Stephen Everett

APOSTLE BARBARA YODER, 4.3.24

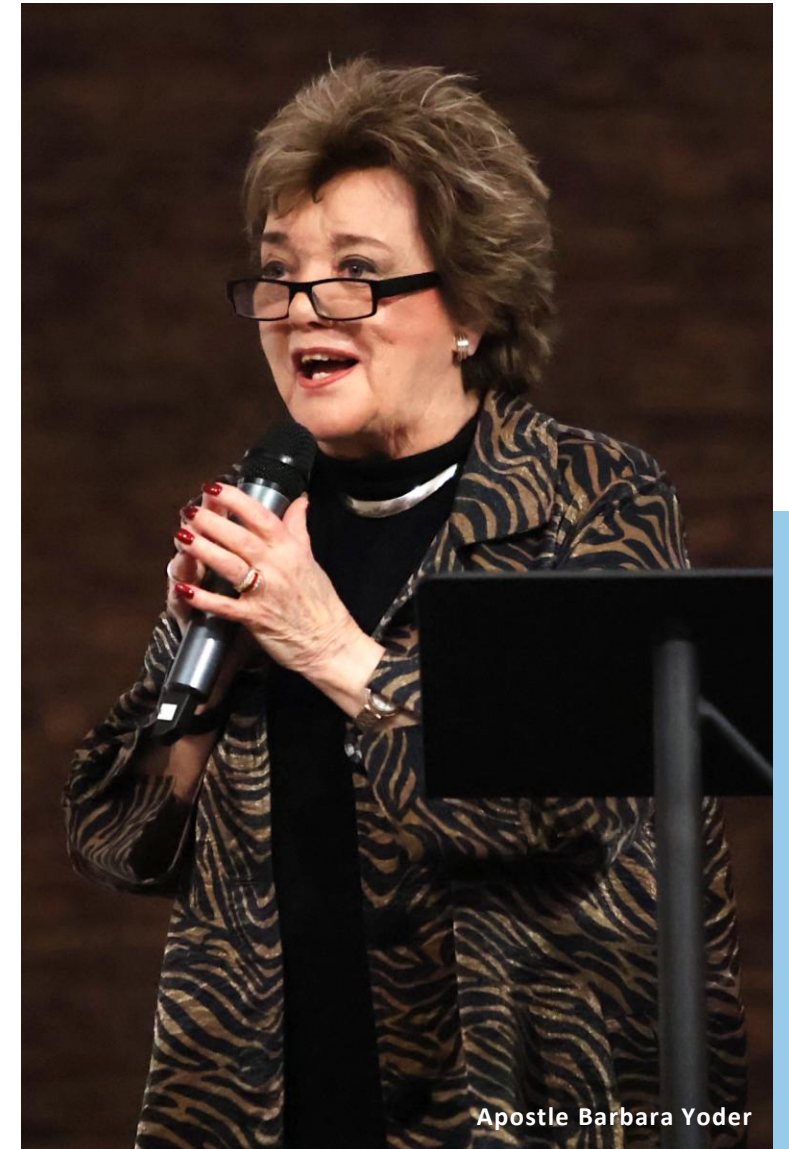

Word of the Lord To Pastors Victor and Tammy Torres

Apostle Barbar Yoder: “I hear the Lord saying, I saw you standing before a mountain, and in Zechariah, you know it was like I saw this mountain, and I saw like an empire. It was like a village. You know, maybe today, it was like an ancient sort of, an ancient vision, where there would be a city behind this mountain or a large village. But there was a whole city behind there, but there was a mountain in front of it. You were looking at the mountain, and I heard the Lord say out of Zechariah, He said to Zerubbabel, ‘It’s not by might, it’s not by power, but it is by My Spirit says the Lord.’ You are in a place where you’re getting ready to cross over, but you have no clue how, and you feel like you’re stuck. Well, welcome! We’re all stuck until God does it. And I say, hold on, keep walking, even say grace to the mountain. I am blessed of God. I am multiplied.

I say to you that you are marked for the future, and God has marked you for multiplication and God has marked you for blessing. The Lord said you will outgrow this place, and you might just

better be looking for bigger places right now. I mean looking, scoping the territory. You don’t have to get it, it’s not quite time yet, but scope the territory because God said, I am with you. You have even had people say, not in here but in another realm, Is he really called? Are they really doing what they are supposed to be doing? And the Lord said, Just keep going forward and shout grace to the mountain because you are going to break out on your right, you’re going to break out on your left. God is getting ready. I don’t know, I just see money being multiplied. It’s like you have sort of been up against a rock and a hard place in terms of moving forward, but the Lord says you are right there, so just keep declaring, just keep speaking. You saw the vision. You’ve received the promise together. You have the gift of apostle, prophet, and pastor. You have that mix between the two of you. The Lord said, I’m going to multiply, and furthermore, I am going to bring young people in. Get ready, because young people are looking for their hope. They are looking for Fathers and Mothers. They are looking for couples who have a fathering and a mothering heart.

Apostle Barbara Yoder

APOSTLE BARBARA YODER, 4.3.24 (CONTINUED)

And I am going to multiply you. I don't know how, but I see a stream of young people beginning to come out. Don't do what some of the people in the Jesus People Movement did. They made them clean up before they got in. Let them in any way they are. Let them in dirty, whatever, because God is going to clean them up. God has called you to raise up an army in this territory, one who understands. An army of worshipping warriors that literally understands breakthrough. And you will break through. God is going to give you influence over this specific region, the southeastern area of Michigan. You are going to have great influence in this region. Don't try to get it, just keep going and God will open the right doors and make the right connections. In the power of Jesus' Name, I say there is blessing. I declare blessing. I declare multiplication. I declare finances. I declare sensitivity to the Spirit of the Lord, that they will only walk forward when they hear God say, 'Take the next step.' When they take the next step, it may seem even like a mistake. I hear that the next step you take is going to initially seem like a mistake, but don't back up; keep going. There will even be those who try to

say to you, 'It was a mistake.' It is not a mistake. God is testing you. Keep going, move straight ahead when you step into that place, no matter what adversity comes against you. Because there is the other side. And you are going to break through. But when you begin to break through initially, it's going to be like 'Did we do the right thing?' Yes, you did the right thing. God is testing you to see if you will be one of the "huios" of God. One of the sons of God. You are blessed in your coming in. You are blessed in your going out. The blessings are coming in. They are going to overtake you. And you're going to be shocked at the degree of the blessing of the Lord that makes rich and adds no sorrow with it. For this is the day that the Lord has made, and you will rejoice, and you will be glad in it. That mountain that's in front of you, just get up and do a glory dance all around it and say 'grace' to it because I declare in the power and Name of Jesus to that mountain, that it is coming down and will not stand in your way. But I declare distraction to that mountain right now and I say grace, grace, grace. And the God of peace will soon crush Satan underneath your feet."
