

Serving God in the Republic of Panama Since 1981

Our annual September Womens' Conference was such an amazing time.

Our teachers were:

Rebecca Erlemeier, Valarie Smith and Jody Baker

Our ministry of helps were Celina Holliman, Audrey Roscon and Grace Johnson.

Ministry is not possible unless you have good help. These ladies were great! The teachers taught on living in the purpose that God created women to walk in. It was beautiful to watch the ladies grab a hold of how God created women. They identified where they bought into lies that have kept them from being all that God created them to be. What a blessing to see who attends our conferences. One lady is the head of all the schools in Darien. Many people walked for miles and took several canoes and buses to attend the conference. People here are so hungry for the word of God. Only the word of God will satisfy them. The radio station makes this possible.

Speaking of Radio Vida, some new classes are being added; one for families and another one for children. What an amazing tool God uses to reach those in hard-to-reach areas.

GROUP OPPORTUNITIES

Because of protests, we were unable to commit to the men's conference. Thankfully, the protesting has ceased and we are able to go ahead with the women's conference.

Prayer Requests

Please pray for Lucrecia Barcorizo to have favor with the government. She has been under house arrest for about a month or more. Because she is one of the chiefs of the village she was held accountable for a bunch of people who attacked a police officer in their village. Please keep my health in your prayers. I am healthy but need to stay that way.

He reveals Himself to you.**

We are excited to be able to have the children's ministry clowns from Colombia return. A month-long children's crusade is planned for the kids in Darien. It's always an adventure with these clowns. They really know how to connect with the children here and bring godly truths in a way that the children talk about for a long time afterwards. The children are so excited.

Ministry Needs _____

I am in need of a couple of skilled work teams to help with construction needs in the ministry.

I am still lacking about \$16,000 to purchase the new truck.

Any help would be greatly appreciated.
