

2025 – Fall Community Group Sign-Up

**Community Groups are the best way to get to know people in the church.
They are also a great way to grow in your faith, care for each other, and stay connected!**

Generally, the groups are made up of 6-12 people who meet weekly
to discuss faith and get to know each other better.

(Many meet via ZOOM, so location does not matter! - most night groups meet at 7-8:30 pm)

This semester, they will meet from the week of September 28th to the week of December 7th.

You can join if you are watching the services online.
