~Liz Burns

Liz has been attending College First since the fall of 2024, and now she is a member of our Student Ministry Team! Liz is in her final semester of studying Animal Science at The University of Findlay. She is also a member of UF's Student Government Association and a dedicated Resident Assistant.

In addition to her passion for animals and heart for serving others has inspired her to pursue a career in equine-assisted therapy post-graduation. Liz has spent countless hours volunteering at various equine-assisted therapy organizations including Challenged Champions and De La Cruz Farms.

Growing up in a Christian family, Liz's faith has always been a strong cornerstone in her life. Her favorite passage of Scripture to lean on is Psalm 23.

Best,

## WHAT WE'RE TEACHING

**RESTART:** A 4-Week Series from the Gospels and Old Testament on God's Promises

### **SERIES OVERVIEW:**

In a video game, you expect to face challenges and make mistakes, but there's always a way out. If things get too difficult, you can just turn it off and start over. In real life, it's not so easy for us to recover from mistakes or start over when we face challenges, but Jesus gives us a chance to restart— no matter how difficult our circumstances. In this 4-week series from the Old and New Testaments, we'll look at a few people who needed God's help to give them a restart. From their stories, we'll discover four promises from God we can trust: **when we feel like a failure, God helps us restart**, and at times in our lives, **when we feel overwhelmed, God takes care of us**. If you ever **feel stuck, God gives you guidance**, and if you ever **feel unwanted, God says you belong**.
