

Hi College First Families,

We have a couple of opportunities to serve coming up.

Ice Cream fundraiser: August 26, 27, 28, 29- This is critical fundraiser for our youth program. Volunteers are needed on most of these dates from 1pm - 10pm. You will be scooping ice cream and collecting cash from customers. It was a lot of fun last year and you do receive a fair pass to get in and can enjoy the fair before or after your shift. Please respond to this email and let Pastor Nancy know when you are available and she will help you get signed up or you can use the signup sheet outside the church office. Shifts are 2-3 hours long.

Volunteers are also needed on Sept 1 to help tear the booth down from 3pm - 5pm.

Free Sale- We are accepting donations of anything from now through August 21st for our annual free sale. Items can be dropped off at the church or sent with your student to youth group. All items are accepted and will be made available to students and the community for free.

We had an awesome time at the pool party last Sunday. Thanks so much to the Swaisgood family for hosting!

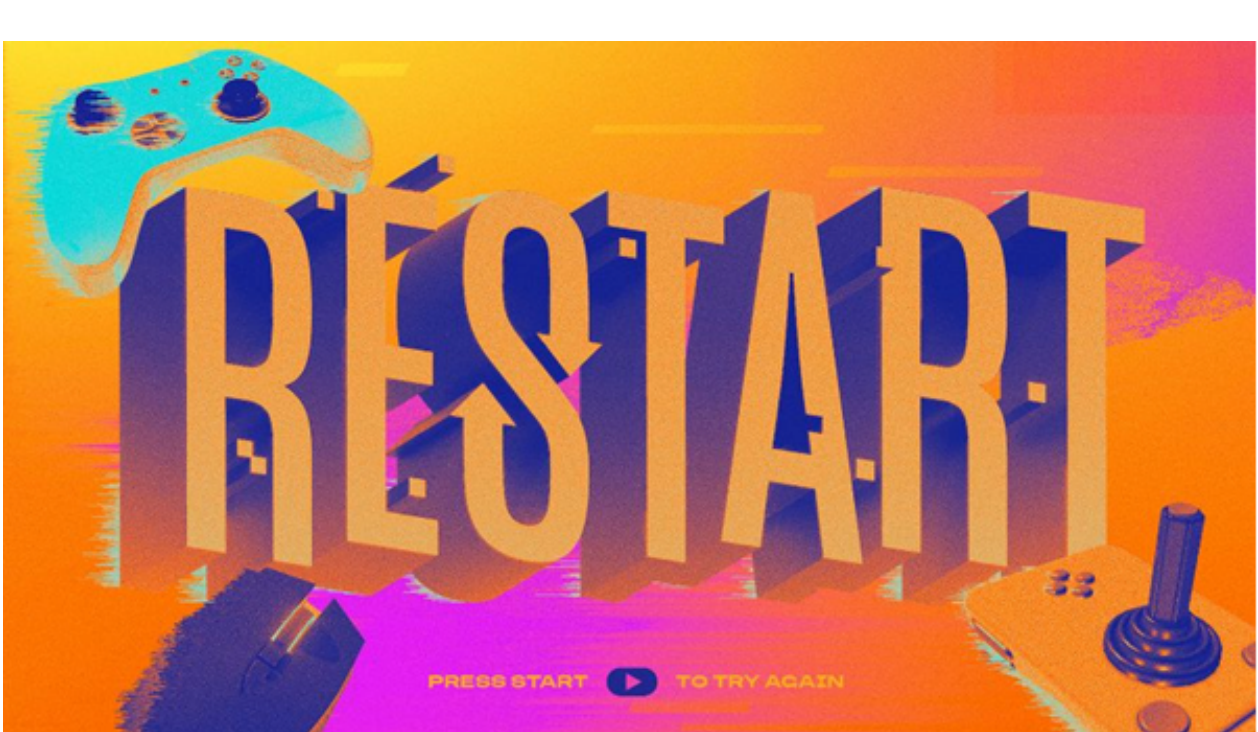

Best,  
  
Pastor Nancy

WHAT WE'RE TEACHING

RESTART: A 4-Week Series from the Gospels and Old Testament on God's Promises

WEEKLY OVERVIEW:  
In video games, you can start over whenever you feel like it, but it's not so simple in reality. This week, we'll see how David might have wished for a way to do things differently when he was confronted by his mistakes. This story will remind us that while we can't go back and change what's already happened when you feel like a failure, God helps you restart.
