

Hi College First Families,

We will have regularly scheduled Youth Group this Sunday at 5:30pm to continue to learn about Biblical ways of navigating our doubts.

Our Bible Quizzing team will be heading to our final tournament of the season on July 23rd at Camp Sunrise Mountain. In preparation, we will have an inter-squad scrimmage this Sunday, July 20th from 4pm - 5:30pm. If you are interested in learning more about Bible Quizzing or would like to come and support your friends on the team, feel free to come a little early to youth group this week and check it out. Snacks and drinks will be provided.

It was a time of exploring and reflection last week at our summer Kingdom Adventure Day. We spent time seeing the amazing creatures God created, ate a picnic, and enjoyed some ice cream. A big thanks to Zack for sharing a devotional with us about how we can learn about God through the things he has created.

Best,

Pastor Nancy

WHAT WE'RE TEACHING

IN THE SHADOWS: A 4-Week series from the Old Testament on Doubting God

SERIES OVERVIEW:Where there is shadow, there is light, so the shadows don't have to scare us. As we grow and experience more life, we might find the shadows of doubt or questions creeping towards us. Rather than run from the shadows, we can look to God to cast some light on the situation. In this 4-week series from the Old and New Testaments, we'll explore how we can step into the light whenever we doubt God's presence. We'll talk about how when we doubt God can be trusted, we can find the light and choose to remember what God has already done. We'll learn how when Jesus' followers disappoint us, we can step up to be what we don't see. We'll explore what can happen when we've lost hope and how we can ask God to surprise us. And we'll see how even when the shadows make it feel like God's not listening, we don't stop praying.
