## Welcome to the Study!

**Main Principle:** *True hope and strength are found by seeking God above all else.*

**Scripture:** “My soul thirsts for God, for the living God. When can I go and meet with God?”  
(Psalm 42:2, NIV)

### Introduction

Psalms 42–72, Book Two, invite us into a journey of spiritual longing, honest struggle, and renewed hope. In every season—whether we are overwhelmed, grateful, or searching for answers—these psalms remind us that our deepest thirst can only be satisfied by God Himself.

Book Two's central theme is “Thirsting for God: Finding Hope and Strength in His Presence,” capturing the longing of the human heart and God's faithful response. May these words guide our study: “My soul thirsts for God, for the living God. When can I go and meet with God?” (Psalm 42:2, NIV). As we walk through these psalms together, let them draw us closer to the God who sees, hears, and sustains us in every circumstance.

May this study help you know God more deeply and trust Him more completely, whatever you face.

Warm Regards,
