Missions Moment

March Missions: Josh and Nicole Wilke—Commission To Every Nation

The month of March Globe Missionaries are Josh and Nicole Wilke. They are serving in Arequipa, Peru through Commission To Every Nation. They are living in Peru to obey God's call to come alongside and unite orphan care ministries, local churches, government agencies, and NGOs who want to see vulnerable children cared for in families and with the love of Christ. They have a desire to see the church care for the fatherless, empower the marginalized, and journey with the lost. They are excited to develop, empower, and release church and community leaders to care for vulnerable children excellently.

They are working toward starting a foster care system and moving away from an orphanage system using the above format.

For more information, you can visit the website: www.cten.org/contact.
