## Covenant Women Secret Sisters 2024

Our Secret Sister program is designed to provide a fun, special way for the women of Covenant to bless and encourage one another. Each participant is assigned a "sister" to pray for and encourage. *If you'd like to participate, questionnaires are due to the church office, or can be given to Jenny Friend, by Sunday, April 28.* We will have a reveal party December 7, 2024.

Here are some guidelines:

1. This is a commitment! Please plan on praying regularly for your sister, and blessing her once a month with a note of encouragement and a small gift. If you are unable to fulfill this commitment through the year, please let Jenny know!
2. Gifts do not need to be extravagant to be a blessing! You will receive your sister's questionnaire, so you will know her preferences of a variety of items. Ideas include (but are not limited to) cards, lip balms, lotion, gift cards, socks, stationary, candy, gum, drinks. Have fun and be creative!
3. Drop off.... There is a table under the south staircase in the foyer where you can leave a note or gift, or you can put something in the mail, or you can drop an item off in their community group room before class starts.... Don't forget to put their name clearly on the front – and don't sign it with your name! **Please do not use the church office to leave gifts.**
