Dear Pastor Claude Harris, Jr.,

On this occasion of your first pastoral anniversary, I want to pause and let you know just how proud I am of you. I have watched you grow in wisdom, strength, and grace as a leader, and it fills my heart with joy to see how God is using you to impact lives through the ministry. Your dedication to God's call and your love for His people are evident in the way you serve.

I am confident that this is only the beginning of the great work the Lord will continue to do through you.

As your father and Overseer, I pray God's very best for you—that He will keep you, guide you, and bless the work of your hands as you continue to walk faithfully in His will.

With love,  
Overseer Claude Harris, Sr.

# *A Letter from Dr. Regina T. Harris*

Dear Pastor Claude Harris, Jr. a.k.a. Pastor J,

Congratulations on your first pastoral anniversary! From the very beginning, I knew that God had prepared you for this moment. Watching you step into your calling with such strength, wisdom, and humility has been a blessing beyond words. You have truly grown as a leader, and I am proud of the way you shepherd God's people with compassion and faithfulness.

As you continue this journey, always remember the promise of Jeremiah 29:11: "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future." The best is yet to come, and I know God will continue to use you mightily for His glory.

With love and joy,  
Dr. Regina Harris

CONGRATULATIONS
