BYLAWS

PREAMBLE

WE BELIEVE:

That God's purpose concerning man is (1) to seek and to save that which is lost, (2) to be worshiped by man, (3) to build a body of believers in the image of His Son, and (4) to demonstrate His love and compassion for all the world.

That these believers, saved and called out of the world, constitute the body or church of Jesus Christ, built and established upon the foundation of the apostles and prophets, Jesus Christ Himself being the chief cornerstone.

That the members of the body, the church (ecclesia) of Jesus Christ, are enjoined to assemble themselves for worship, fellowship, counsel, and instruction in the Word of God, the work of the ministry and for the exercise of those spiritual gifts and offices provided for New Testament church order.

That it is evident the early apostolic churches came together in fellowship as a representative body of saved, Spirit-filled believers, who ordained and sent out evangelists and missionaries and under the supervision of the Holy Spirit set pastors and teachers over the church.

That the priority reasons-for-being of the Assemblies of God are to be an agency of God for evangelizing the world, to be a corporate body in which man may worship God, and to be a channel of God's purpose to build a body of saints being perfected in the image of His Son.

That the Assemblies of God exists expressly to give continuing emphasis to these reasons-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit, which enables them to evangelize in the power of the Spirit with accompanying supernatural signs, adding a necessary dimension to worshipful relationship with God, and enabling them to respond to the full working of the Holy Spirit in expression to fruits and gifts and ministries as in New Testament times for the edifying of the body of Christ.

That we are a cooperative fellowship of Pentecostals, Spirit-baptized saints from local Pentecostal Assemblies of like precious faith throughout the United States and foreign lands to be known as the Southern California District Council of the Assemblies of God, whose purpose is neither to usurp authority over the various local assemblies; nor to deprive them of their scriptural methods and order for worship, unity, fellowship, work, and business for God; but, instead, to disapprove unscriptural methods, doctrines and conduct, endeavoring to keep the unity of the Spirit in the bond of peace, "till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ." (Ephesians 4:13)

That the General Council of the Assemblies of God has made provision for the care and development of local assemblies through the agency of District Councils.

Therefore, we gladly assume this delegated responsibility that has been committed to us, and hereby assemble ourselves in scriptural order for the purpose of promoting and husbanding the interests of the fellowship in the territory assigned to us, and agree to be governed by the following bylaws.

ARTICLE I. NAME

The name of this organization shall be the Southern California District Council of the Assemblies of God.

ARTICLE II. RELATIONSHIP

This District Council is an integral part of the General Council of the Assemblies of God, Inc., with headquarters at Springfield, Missouri. Therefore, the principles of unity and cooperative fellowship as set forth in the Constitution of the General Council are the principles which shall govern the District Council.

ARTICLE III. HEADQUARTERS

The headquarters of this corporation is 17951 Cowan, Irvine, California. At such time as may be deemed advisable, the District headquarters may be moved to any place deemed feasible by the Executive Presbytery.

ARTICLE IV. TERRITORY

This District shall include all that part of the State of California lying South of the line beginning at a point where the California-Nevada State line is intersected by the Mono-Inyo County line, thence along county lines of Mono-Inyo, Mono-Fresno and Madera-Fresno Counties to a point northwest of Fresno where Dickenson Avenue intersects the San Joaquin River, thence south on Dickenson Avenue to the intersection of Dickenson and Central Avenues, thence west on Central Avenue along a projected line which intersects the San Benito-Fresno County line (approximately 4 miles south of Mercey Hot Springs), thence continuing along county lines of San Benito- Fresno, Monterey-Fresno, Monterey-Kings and Monterey-San Luis Obispo counties to the Pacific Ocean.

ARTICLE V. INTERCULTURAL FELLOWSHIPS

Ethnic or language groups may be authorized by the Executive Presbytery to form a fellowship of ministers (General Council Bylaws Article V, Section 7). The fellowship shall exist for the purpose of exchanging information, facilitating evangelism, and establishing churches. The ministers in the intercultural fellowship shall remain affiliated with the geographic section in which they are located. If a nationally recognized fellowship of the intercultural group exists, the District intercultural fellowship will be part of its national fellowship.

ARTICLE VI. TENETS OF FAITH

This Council shall stand for the Holy Scriptures as the all-sufficient rule of faith and practice and adopts the following Statement of Fundamental Truths approved by the General Council, to the end that we may all speak the same thing (reprinted from General Council Constitution):

STATEMENT OF FUNDAMENTAL TRUTHS

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us (i.e., that we all speak the same thing, I Cor. 1:10; Acts 2:42). The phraseology employed in this Statement is not inspired or contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it contains all Biblical truth, only that it covers our need as to these fundamental doctrines.

1. The Scriptures Inspired

The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (II Tim. 3:15-17; I Thess. 2:13; II Peter 1:21).

2. The One True God

The one true God has revealed Himself as the eternally self-existent "I AM," the Creator of heaven and earth and the Redeemer of mankind. He has further revealed himself as embodying the principles of relationship and association as Father, Son, and Holy Ghost (Deut. 6:4; Isaiah 43:10, 11; Matt. 28:19; Luke 3:22).

The Adorable Godhead

(a) Terms Defined

The terms Trinity and persons, as related to the Godhead, while not found in the Scriptures, are words in harmony with Scripture, whereby we may convey to others our immediate understanding of the doctrine of Christ respecting the Being of God, as distinguished from "gods many and lords many." We therefore may speak with propriety of the Lord our God, who is One Lord, as a trinity or as one Being of three persons, and still be absolutely scriptural (examples, Matt. 28:19; 2 Cor. 13:14; John 14:16, 17).

(b) Distinction and Relationship in the Godhead

Christ taught a distinction of Persons in the Godhead which He expressed in specific terms of relationship, as Father, Son, and Holy Ghost, but that this distinction and relationship, as to its mode is inscrutable and incomprehensible, because unexplained (Luke 1:35; 1 Cor. 1:24; Matt. 11:25-27; 2 Cor. 13:14, 1 John 1:3, 4).

(c) Unity of the One Being of Father, Son, and Holy Ghost

Accordingly, therefore, there is that in the Father which constitutes Him the Father and not the Son; there is that in the Son which constitutes Him the Son and not the Father; there is that in the Holy Ghost which constitutes Him the Holy Ghost and not either the

Father or the Son. Wherefore the Father is the Begetter, the Son is the Begotten, and the Holy Ghost is the One proceeding from the Father and the Son. Therefore, because these three persons in the Godhead are in a state of unity, there is but one Lord God Almighty and His name one (John 1:18; 15:26; 17:11, 21; Zech. 14:9).

(d) Identity and Cooperation in the Godhead

The Father, the Son, and the Holy Ghost are never identical as to Person; nor confused as to relation; nor divided in respect to the Godhead; nor opposed as to cooperation. The Son is in the Father and the Father is in the Son as to relationship. The Son is with the Father and the Father is with the Son, as to fellowship. The Father is not from the Son, but the Son is from the Father, as to authority. The Holy Ghost is from the Father and the Son proceeding, as to nature, relationship, cooperation and authority. Hence neither Person in the Godhead either exists or works separately or independently of the others (John 5:17-30, 32, 37; John 8:17, 18).

(e) The Title, Lord Jesus Christ

The appellation Lord Jesus Christ is a proper name. It is never applied in the New Testament either to the Father or to the Holy Ghost. It therefore belongs exclusively to the Son of God (Rom. 1:1-3, 7; 2 John 3).

(f) The Lord Jesus Christ, God with us

The Lord Jesus Christ, as to His divine and eternal nature, is the proper and only Begotten of the Father, but as to His human nature, He is the proper Son of Man. He is, therefore, acknowledged to be both God and man; who because He is God and man, is "Immanuel," God with us (Matt. 1:23, 1 John 4:2, 10, 14; Rev. 1:13, 17).

(g) Title, Son of God

Since the name Immanuel embraces both God and man in the one Person, our Lord Jesus Christ, it follows that the title, Son of God, describes His proper deity, and the title Son of Man, His proper humanity. Therefore, the title, Son of God, belongs to the order of eternity, and the title, Son of Man to the order of time (Matt. 1:21-23; 2 John 3; 1 John 3:8; Heb. 7:3; 1:1-13).

(h) Transgression of the Doctrine of Christ

Wherefore, it is a transgression of the Doctrine of Christ to say that Jesus Christ derived the title Son of God solely from the fact of the incarnation or because of His relation to the economy of redemption. Therefore, to deny that the Father is a real and eternal Father and that the Son is a real and eternal Son is a denial of the distinction and relationship in the Being of God; a denial of the Father and the Son; and a displacement of the truth that Jesus Christ is come in the flesh (2 John 9; John 1:1, 2, 14, 18, 29, 49; 1 John 2:22, 23; 4:1-5; Hebrews 12:2).

(i) Exaltation of Jesus Christ as Lord

The Son of God, our Lord Jesus Christ, having by Himself purged our sins, sat down on the right hand of the Majesty on high, angels and principalities and powers having been made subject unto Him. And having been made both Lord and Christ, He sent the Holy Ghost that we, in the name of Jesus, might bow our knees and confess that Jesus Christ is Lord to the glory of God the Father until the end, when the Son shall become

subject to the Father that God may be all in all (Heb. 1:3; 1 Peter 3:22; Acts 2:32-36; Rom 14:11; 1 Cor. 15:24-28).

(j) Equal Honor to the Father and to the Son

Wherefore, since the Father has delivered all judgment unto the Son, it is not only the express duty of all in heaven and on earth to bow the knee, but it is an unspeakable joy in the Holy Ghost to ascribe unto the Son all the attributes of Deity and to give Him all the honor and the glory contained in all the names and titles of the Godhead (except those which express relationship; see paragraphs b, c, and d), and thus honor the Son even as we honor the Father (John 5:22, 23; 1 Peter 1:8; Rev. 5:6-14; Phil. 2:8, 9; Rev. 7:9, 10; 4:8-11).

3. The Deity of the Lord Jesus Christ

The Lord Jesus Christ is the eternal Son of God. The Scriptures declare the following:

- (a) His virgin birth (Matthew 1:23; Luke 1:31, 35).
- (b) His sinless life (Hebrews 7:26; 1 Peter 2:22).
- (c) His miracles (Acts 2:22; 10:38).
- (d) His substitutionary work on the cross (1 Cor. 15:3; 2 Cor. 5:21).
- (e) His bodily resurrection from the dead (Matthew 28:6; Luke 24:39; 1 Cor. 15:4).
- (f) His exaltation to the right hand of God (Acts 1:9, 11; 2:33; Philippians 2:9-11; Hebrews 1:3).

4. The Fall of Man

Man was created good and upright, for God said, "Let us make man in our image, after our likeness." However, man by voluntary transgression fell and thereby incurred not only physical death but also spiritual death, which is separation from God (Genesis 1:26, 27; 2:17; 3:6; Romans 5:12-19).

5. The Salvation of Man

Man's only hope of redemption is through the shed blood of Jesus Christ the Son of God.

- (a) Conditions to Salvation
Salvation is received through repentance toward God and faith toward the Lord Jesus Christ. By the washing of regeneration and renewing of the Holy Ghost, being justified by grace through faith, man becomes an heir of God according to the hope of eternal life (Luke 24:47; John 3:3; Romans 10:13-15; Ephesians 2:8; Titus 2:11; 3:5-7).
- (b) The Evidences of Salvation
The inward evidence of salvation is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness (Eph. 4:24; Titus 2:12).

6. The Ordinances of the Church

- (a) Baptism in Water

The ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Saviour and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life (Matthew 28:19; Mark 16:16; Acts 10:47, 48; Romans 6:4).

(b) Holy Communion

The Lord's Supper, consisting of the elements--bread and the fruit of the vine--is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Peter 1:4), a memorial of His suffering and death (1 Cor. 11:26), a prophecy of His second coming (1 Cor. 11:26), and is enjoined on all believers "until He come!"

7. The Baptism in the Holy Ghost

All believers are entitled to and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Ghost and fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the endowment of power for life and service, the bestowment of the gifts and their uses in the work of the ministry (Luke 24:49; Acts 1:4, 8; 1 Cor. 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). With the baptism in the Holy Ghost come such experiences as an overflowing fullness of the Spirit (John 7:37-39; Acts 4:8); a deepened reverence for God (Acts 2:43; Heb. 12:28); an intensified consecration to God and dedication to His work (Acts 2:42); and a more active love for Christ, for His Word, and for the lost (Mark 16:20).

8. The Evidence of the Baptism in the Holy Ghost

The baptism of believers in the Holy Ghost is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance (Acts 2:4). The speaking in tongues in this instance is the same in essence as the gift of tongues (1 Cor. 12:4-10, 28) but different in purpose and use.

9. Sanctification

Sanctification is an act of separation from that which is evil and of dedication unto God (Rom. 12:1, 2; 1 Thess. 5:23; Heb. 13:12). The Scriptures teach a life of "holiness without which no man shall see the Lord" (Heb. 12:14). By the power of the Holy Ghost we are able to obey the command: "Be ye holy, for I am holy" (1 Peter 1:15, 16).

Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection, by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Rom. 6:1-11, 13; 8:1, 2, 13; Gal. 2:20; Phil 2:12, 13; 1 Peter 1:5).

10. The Church and Its Mission

The Church is the Body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit, is

an integral part of the General Assembly and Church of the Firstborn, which are written in heaven (Ephesians 1:22, 23; 2:22; Hebrews 12:23).

Since God's purpose concerning man is to seek and to save that which is lost, to be worshiped by man, and to build a body of believers in the image of His Son, the priority reasons-for-being of the Assemblies of God as part of the Church are:

- (a) To be an agency of God for evangelizing the world (Acts 1:8; Matthew 28:19, 20; Mark 16:15, 16).
- (b) To be a corporate body in which man may worship God (1 Corinthians 12:13).
- (c) To be a channel of God's purpose to build a body of saints being perfected in the image of His Son (Ephesians 4:11-16; 1 Corinthians 12:28; 14:12).
- (d) To be a people who demonstrate God's love and compassion for all the world (Psalm 112:9; Galatians 2:10; 6:10; James 1:27).

The Assemblies of God exists expressly to give continuing emphasis to these reasons-for-being in the New Testament apostolic pattern by teaching and encouraging believers to be baptized in the Holy Spirit. This experience:

- (a) Enables them to evangelize in the power of the Spirit with accompanying supernatural signs (Mark 16:15-20; Acts 4:29-31; Hebrews 2:3, 4).
- (b) Adds a necessary dimension to a worshipful relationship with God (1 Corinthians 2:10-16; 1 Corinthians 12, 13, 14).
- (c) Enables them to respond to the full working of the Holy Spirit in expression of fruit and gifts and ministries as in New Testament times for the edifying of the body of Christ (Galatians 5:22-26; 1 Corinthians 14:12; Ephesians 4:11, 12; 1 Corinthians 12:28; Colossians 1:29).

11. The Ministry

A divinely called and scripturally ordained ministry has been provided by our Lord for the threefold purpose of leading the Church in the following: (1) evangelization of the world (Mark 16:15-20), (2) worship of God (John 4:23, 24), and (3) building a body of saints being perfected in the image of His Son (Ephesians 4:11-16).

12. Divine Healing

Divine healing is an integral part of the gospel. Deliverance from sickness is provided for in the Atonement and is the privilege of all believers (Isaiah 53:4, 5; Matt. 8:16, 17; James 5:14-16).

13. The Blessed Hope

The resurrection of those who have fallen asleep in Christ and their translation together with those who are alive and remain unto the coming of the Lord is the imminent and blessed hope of the Church (1 Thess. 4:16, 17; Romans 8:23; Titus 2:13; 1 Cor. 15:51, 52).

14. The Millennial Reign of Christ

The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zech. 14:5; Matt. 24:27, 30; Revelation 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezekiel 37:21, 22; Zephaniah 3:19, 20; Romans 11:26, 27) and the establishment of universal peace (Isaiah 11:6-9; Psalm 72:3-8; Micah 4:3, 4).

15. The Final Judgment

There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the devil and his angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burneth with fire and brimstone, which is the second death (Matt. 25:46; Mark 9:43-48; Revelation 19:20; 20:11-15; 21:8).

16. The New Heavens and the New Earth

"We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness" (2 Peter 3:13; Revelation 21, 22).

This will dispense with the reading of the reports at the District Council.

Section 2. Special Councils

A. Procedure for Calling

Special councils may be called to meet any emergencies that may arise in the District. Such call shall be issued by the District Superintendent upon a majority vote of the

ARTICLE XIV. THE MINISTRY

Section 1. Ministry Described

Christ's gifts to the Church include apostles, prophets, evangelists, pastors, and teachers (Ephesians 4:11), exhorters, administrators, leaders, and helpers (Romans 12:7, 8). We understand God's call to these ministry gifts is totally with His sovereign discretion without regard to gender, race, disability, or national origin.

Three classifications of ministry are recognized, and transferable among all Assemblies of God districts: the ordained minister, the licensed minister, and the certified minister.

All ordained, licensed, and certified ministers holding current ministerial credentials are authorized to perform the ordinances and ceremonies (sacerdotal functions) of the church, and those holding a local church credential as provided below.

A fourth classification of ministry, a local church credential, may be provided by a local General Council affiliated church under basic guidelines adopted by the General Presbytery and such additional guidelines adopted by the district council. The local church credential shall be non-transferable (limited to the issuing local church) and shall be limited to 2 years, unless the credential is solely required for active and ongoing local ministry in a prison, hospital or institution. A person holding a local church credential can perform the ordinances and ceremonies (sacerdotal functions) of the church if authorized in writing by the senior pastor of the local church issuing the credential.

Section 2. Basic Qualifications

The following qualifications pertain to all applicants for ministerial recognition:

- A. Salvation. Testimony to having experienced the new birth (John 3:5).
- B. Baptism in the Holy Spirit. Testimony to having received the baptism in the Holy Spirit with the initial physical evidence of speaking in other tongues according to Acts 2:4. The Spirit-filled life will enable him or her to fulfill the fourfold mission of the church (Preamble to these bylaws).
- C. Evidence of call. Clear evidence of a divine call to the ministry, evidenced by a personal conviction, confirmed by the work of the Spirit and the testimony of fellow ministers.
- D. Christian character. A blameless Christian life and a good report of those who are without (Titus 1:7; 1 Timothy 3:7).
- E. Doctrinal position. A thorough understanding of and agreement with our doctrinal position as contained in the Statement of Fundamental Truths.
- F. Assemblies of God polity. A satisfactory working knowledge of the principles, practices, and purposes of the Fellowship through a study of the General Council and District Council Constitution and Bylaws.
- G. Voluntary Cooperation and commitment to the Fellowship. An active loyalty to our constitutional agreements, a cooperative spirit, and a readiness to seek and receive the counsel of older mature Christians and those in positions of authority.

By voluntary, it is meant that, upon learning the principles, doctrines, and practices of the Assemblies of God, and by seeing the benefits to be derived from being associated with such an organization, persons of their own free choice decide to become members, thus subscribing to all that for which the organization stands.

For the minister, by cooperation, it is meant to the best of one's ability, complying with all decisions setting forth and defining duties and responsibilities incumbent upon members of the organization. It includes active participation and respect for the will of the majority expressed through constitutional processes.

Hence, for the minister, voluntary cooperation means that when the minister decides to become a cooperating member of the Assemblies of God, this cooperation and participation thereby becomes obligatory and not optional.

- H. Basic educational requirements. Any level of formal academic achievement (diploma or degree) shall not be a requirement for credentials; however, credential applicants shall meet the following criteria:
- (1) All applicants are required to be interviewed by the District Credentials Committee and, in preparation for the interview, pass standard exams approved by the General Presbytery whereby they demonstrate knowledge of the Bible, Assemblies of God doctrines, and ministerial practices unless an exception is granted by the General Council Credentials Committee or permitted by General Presbytery policy; and either
 - (2) Successfully complete equivalent training to that indicated in paragraph (3) below, preferably, in an endorsed Assemblies of God postsecondary school; or in a seminary, college, Bible college, or school approved by the General Council General Presbytery consistent with criteria established by the General Council Credentials Committee; or
 - (3) Successfully complete courses, prescribed by the General Council General Presbytery
 - (4) Be recommended by the District Council Credentials Committee as qualifying for credentials through self-study and ministerial experience. Such candidates must have a proven and fruitful ministry of substantial duration. Requests from the district for such a candidate shall be presented to the General Council Credentials Committee and may be granted on a case-by-case basis.
- I. Mandatory screening. All applicants for ministerial credentials shall be screened through a designated screening agency established by the General Council Executive Presbytery. Said screening shall be done by the District Council prior to the submission of the application to the office of the General Secretary.
- J. Marital status. We disapprove of any married persons holding ministerial credentials with the Southern California District [Assemblies of God] if either marriage partner has a former spouse living, unless the divorce is recognized under one of the following biblical categories:
- (1) Recognition of pre-conversion divorce (2 Corinthians 5:17);
 - (2) Recognition of abandonment of the believer by the unbeliever (1 Corinthians 7:10–15);
 - (3) Recognition of spousal infidelity (Matthew 19:9);
 - (4) Recognition of domestic violence by a spouse to a spouse or child (Matthew 18:6; Ephesians 5:28–33; Colossians 3:19);
 - (5) Recognition of ecclesiastical annulment—a pronouncement declaring a marriage invalid as hereinafter provided. In such cases there must be clear and satisfactory

evidence of deception, or fraud, unknown to the applicant at the time of marriage. Additionally, the lack of consummation or other conditions which have a profound impact preventing the creation of a valid marriage union can constitute an ecclesiastical annulment.

Following the evaluation and recommendation of the District Executive Presbytery, each case requiring a recognition of divorce or ecclesiastical annulment shall be decided by the General Council Executive Presbytery on an individual basis as to whether the termination of that marriage is consistent with the scriptural position of the Fellowship relating to the granting or holding of ministerial credentials. Appeals of the decisions of the General Council Executive Presbytery may be made to the General Council General Presbytery.

- K. Eligibility of women. The Scriptures plainly teach that divinely called and qualified women may also serve the church in the ministry of the Word (Joel 2:28; Acts 21:9, 1 Corinthians 11:5). Women who meet the qualifications for ministerial credentials are eligible for whatever grade of credentials their qualifications warrant and have the right to administer the ordinances of the church and are eligible to serve in all levels of church ministry, and/or district and General Council leadership.
- L. Ministers from other organizations. If a minister from another reputable body desires to affiliate with the Assemblies of God, the credentials committees of both the General Council and the District Council are under no obligation to accept the applicant's previous ministerial status, but will judge each candidate on his or her own merits as to the level of credentials to be granted. Such applicants shall be required to:
 - (1) Conform to Assemblies of God criteria for recognition.
 - (2) Complete an application for ministerial recognition.
 - (3) Submit a letter of recommendation from a neighboring Assemblies of God minister and/or the regional executive presbyter for the applicant's area.
 - (4) Submit a recommendation from the body with which the minister was formerly affiliated. If such is not available, letters of recommendation should be sought from three reputable ordained ministers who are familiar with the applicant's ministry, two of whom should be with the applicant's former credentialing body.
 - (5) Take the credential examinations.
 - (6) Complete such courses as may be prescribed by the General Presbytery for ministers transferring from other credentialing bodies.
 - (7) Meet with the District Credentials Committee for an oral interview.
 - (8) Be recommended by the District Council Credentials Committee for action by the General Council Credentials Committee.

- (9) All previously ordained ministers so approved shall receive recognition as an ordained Assemblies of God minister with the laying on of hands by the Executive Presbytery. All other applicants so approved shall receive the appropriate level of credential recognition.
 - (10) Ministers who receive Assemblies of God recognition shall relinquish their ministerial credentials with any other organization, unless an exception is granted by the General Council Credentials Committee upon recommendation of the District Council Credentials Committee for good cause shown and a clear understanding of the priority of the Assemblies of God credential.
- N. Citizenship. Must either be a citizen of the United States or have a permanent residence status. Exceptions may be made at the discretion of the General Council Credentials Committee.

Section 3. Specific Qualifications

- A. Residency requirements of applicants. Applicants for all credentials must be residents of or hold credentials in the Southern California District and appear before the District Council Credentials Committee.
- B. Local church credential. A local church credential shall be administered by the local church pursuant to basic guidelines adopted by the General Council General Presbytery. It shall be non-transferable (limited to the issuing local church).
- C. Certified Minister.
 - (1) General requirements. They shall show promise of usefulness in the gospel work. They shall devote full or part time to Christian ministry and, at the discretion of the District Council Credentials Committee, may remain under the supervision of a pastor or a ministry coach or mentor. They shall show evidence of a divine call and be actively engaged in some aspect of ministry and proclamation of the gospel, except in case of ill health or advanced age.
 - (2) Pastoral requirements. In the event a certified minister is serving in a position as the pastor, he or she shall be expected to advance to licensure within 2 years of acceptance of the pastorate. This shall not apply to any minister who has reached the age of 65 or older, or whose certificate has been issued on a provisional basis. Any exception shall be at the discretion of the District Credentials Committee.
 - (3) Exception for provisional issuance. A Certificate of Ministry may be issued on a provisional basis to a person who has not met all the credentialing requirements but who is deemed by the District Credentials Committee to be essential to the continuity of a church or a ministry outreach for which a duly credentialed and qualified minister is unavailable. The reason for such a provisional issuance must be ministry driven, and the justification for its use is terminated when the minister ceases to be involved in the ministry for which it was initially granted unless he or she accepts another qualifying assignment. Other limitations are:

- (a) The ministry certificate on a provisional basis will be issued for 1 year and shall not be renewed more than two times.
 - (b) A person who has been granted the Certificate of Ministry on a provisional basis must meet the qualifications for a ministry certificate within a 3 year period.
- D. Licensed Minister. Qualifications for license shall include clear evidence of a divine call, character and preparation suitable for that calling, practical ministry experience, and an evident purpose to devote one's life in service to the proclamation of the gospel.
- E. Ordained minister. Qualifications for ordination are outlined in the New Testament Scriptures (1 Timothy 3:1-7; Titus 7-9). In addition:
 - (1) Applicants must be 23 years of age or older.
 - (2) They must have met all the requirements in making application and in completing the prescribed application form.
 - (3) No person may be ordained to the ministry until he or she has shown evidence of a divine call and has held a ministry license and has been actively engaged in ministry and proclamation of the gospel for at least 2 full consecutive years immediately prior thereto.
 - (4) Residency requirements of applicants. Applicants must be residents of or hold credentials in the Southern California District Council when they make application and appear before the District Council Credentials Committee. The District Council does not approve any applicant for ordination who may have been licensed in another district until such licensed minister shall have been a member of the Southern California District Council for at least 1 year. Applicants who have not been a member of the Southern California District Council for 2 full consecutive years must meet the requirements and secure the endorsement of the officers of the district in which they were previously licensed, as well as the district of their residence.
 - (5) Exceptions to requirements. The General Council Credentials Committee, upon request by a district credentials committee and where exceptional circumstances exist, may waive the requirements for an applicant holding a ministry license for 2 (two) full consecutive years or being a member of the district in which he or she is seeking ordination for at least one year.
 - (6) In order to maintain active status, ordained ministers shall be engaged in viable ministry and proclamation of the gospel except for cases of disability, retirement, or other valid circumstances as determined by the General Council General Secretary.

Section 4. Procedural Qualifications

- A. The General Council Credentials Committee delegates to the District Council the authority to examine, approve, and recommend candidates who qualify as certified ministers, licensed ministers, and ordained ministers. Final approval and issuance of the ministerial credential shall be made by the General Council Credentials Committee. All ordination services, with the laying on of hands, shall take place under the auspice of the District Council.
- B. Study course. The General Council Executive Presbytery shall approve the number and names of the Berean College courses needed for each credential level. The General Council Executive Presbytery may prepare and approve an alternative study course for all candidates for ministerial credentials, it being understood that such a study course would necessitate the applicant's passing a standard examination authorized by the General Council General Presbytery.
- C. Examination. The General Council Executive Presbytery shall provide an examination, with due regard to doctrine, Bible interpretation, Christian ethics, etc., and said examination shall be given to all candidates for ministerial credentials.

The process and administering of said examination shall be online or in writing as approved by the District Council Credentials Committee. Candidates shall be permitted to use the Bible, concordance, and dictionary as reference books during the examination.

- D. Examination reading. The District Executive Presbytery shall appoint a committee of qualified persons to read, correct and evaluate the answers written in the respective examinations given to the candidates for credentials. Such evaluations shall be provided to the respective Credentials Committee members along with the examination papers for the perusal of the said Committee members.

Section 5. Application for Ministerial Recognition

- A. Fees and residence requirements
 - (1) All applications for certified minister, licensed minister, ordained minister and reinstatement, shall be accompanied by an application fee, which is not refundable.
 - (2) Applicants shall maintain residence in the District for one year before they can receive credentials of any kind. However, if in the viewpoint of the Credential Committee unusual circumstances are involved, and if in the viewpoint of the Credentials Committee this requirement creates an undue hardship upon a candidate that may be ministering in one of our local churches, the Credentials Committee may waive this requirement for those applying for a credential.

- (3) All applicants for ministerial recognition shall obtain application forms from the Corporate Secretary.
- B. Appearances before the District Leadership Team
In cases of emergency, the District Leadership Team, at their discretion, may invite a candidate to appear before the entire Credentials Committee.
- C. Ministerial requirements
All persons seeking ministerial recognition with the Southern California District Council of the Assemblies of God shall be required to complete an application for ministerial recognition.

Section 6. Action of Credentials Committees

- A. Certified, licensed and ordained minister. The Southern California District Council Credentials Committee shall recommend candidates who qualify as certified, licensed and ordained ministers to the General Council Credentials Committee for approval and issuance of the appropriate credential.
- B. Ordinations. All ordination services, with the laying on of hands, shall take place under the auspices of the Southern California District Council.

Section 7. Credential Renewals and Reinstatements

A. Terminology

- (1) Renewed. The term renewed shall apply to all ministers who have met the December 31 annual deadline for renewal including those who are delinquent but who renew by January 15.
- (2) Reinstated. The term reinstated shall apply to the persons whose names have been deleted from the official ministerial list, who upon application, are approved for restoration of credentials.
- B. Expiration date. All fellowship certificates are valid only until December 31 of each year and must be renewed annually. The renewing of credentials is the responsibility of the individual minister.
- C. Grace period until January 15. All who shall have failed to renew their General Council fellowship certificates on or before December 31 shall be considered delinquent. They shall be required to pay a late fee of \$50 up until January 15, to be divided equally between the Southern California District Council and the General Council offices.
- D. Reinstatement of lapsed minister. Ministers whose renewal applications are not postmarked by January 15 shall be recorded as lapsed as of the expiration date of December 31. They must make application for reinstatement and pay a non-refundable fee of \$100, which shall be divided equally between the Southern California District Council and General Council offices. These ministers shall not be subject to the

minimal time-lapse required of those whose credentials have been terminated for other causes.

- E. Reinstatement of other than dismissed minister. When a minister who is a member of our Fellowship is removed from our rolls for any cause, except failure to renew and dismissal, and shall apply for reinstatement, he or she shall in no case be eligible for reinstatement until at least 6 months have elapsed after his or her name has been stricken from our list of ministers. The application must be made in the district where the minister resides and be accompanied with a non-refundable fee of \$100 which will be divided between the Southern California District Council and General Council. (See General Council Bylaws Article X, A, Section 12, paragraph b, for reinstatement of dismissed minister.)

The Southern California District Council shall seek a letter of clearance from the district which processed the termination (if different from the Southern California District itself) and, upon receipt of the clearance, may add its endorsement and forward the application, together with the letter of clearance, to the General Council Credentials Committee for its action.

Section 8. Non-disciplinary Credential Terminations

- A. On the initiative of the minister.

- (1) Lapsed. A minister who does not elect to renew his or her credentials, providing there is no cause for disciplinary action, shall be listed as having lapsed. His or her name shall be published as lapsed in the Assemblies of God Ministers' Letter, hereinafter referred to as the ministers' letter.
- (2) Resigned. A minister who has elected to remove himself or herself from the Fellowship shall submit a letter of resignation to the Southern California District Council. If there is no cause for disciplinary action, his or her resignation shall be accepted by the General Council Credentials Committee. His or her termination shall be listed in the ministers' letter as resigned.

- B. On the initiative of the District. (See General Council Bylaws Article X, Section 4)

Not renewed. If in the opinion of the credentials committees a minister's credentials should not be renewed short of disciplinary action, his or her name shall be published as not renewed in the ministers' letter.

- C. As a result of affiliation with another church organization. In the event a minister shall identify himself or herself with another organization granting ministerial credentials, and shall have received such credentials, his or her credentials with the General Council of the Assemblies of God shall be terminated. An investigation shall be made to determine the proper category of termination.
- D. Surrender of credentials. In all cases the minister shall be requested to surrender his or her credential (Certificate of Ordination, Ministry License, Certificate of Ministry) and

current fellowship card to the District office. The District shall forward these to the office of the General Secretary of The General Council of the Assemblies of God. Refusal to surrender his or her credential and current fellowship card shall be considered insubordination and may result in placing a charge against the minister.

Section 9. Transfers

- A. All ministers who move into the District with the purpose of making this their headquarters or place of residence shall request a letter of transfer from the former district of which they were members to the Southern California District.
- B. Ministers coming into this District and accepting pastorates shall immediately transfer their membership into this District. Evangelists and other ministers shall transfer their membership into the District within 90 days after establishing their residence here.

Section 10. Change of Address

All ministers shall keep the Corporate Secretary/Treasurer informed as to their whereabouts. When change of address is made, the Secretary/Treasurer should be notified of the change by mail. When a minister leaves the District, he or she shall inform the Secretary/Treasurer of such removal, giving a forwarding address where he or she may be reached when necessary. If the minister leaves the District for permanent ministry in some other district, a letter of transfer should be obtained for presentation to the Secretary of the new district.

Section 11. Resigning and Incoming Ministers

A. Resignation Defined.

- (1) Pastor. A pastor shall be deemed to have resigned from a church when the following occurs:
 - (a) He or she gives their resignation verbally or in writing to the church board, and/or to the church at any worship service or business meeting, and/or to the District Superintendent; or
 - (b) He or she is not reelected to their office in accordance with the requirements given for reelection in the local church bylaws; or
 - (c) He or she is removed from their office through a process provided for in the local church bylaws and/or through a disciplinary action of the District and/or General Council Credentials Committee.
- (2) Ministerial Staff. A ministerial staff member shall be deemed to have resigned from a church when the following occurs:
 - (a) He or she gives their resignation verbally or in writing to the pastor and/or church board; or
 - (b) His or her resignation is requested by the pastor and/or church board; or
 - (c) The senior pastor resigns (thus giving the incoming pastor freedom to select a staff that will cooperate with his or her program).

B. Resigning Pastor's Responsibilities.

- (1) He or she shall notify the District Superintendent, verbally or in writing, prior to his or her resignation or at least within 48 hours following his resignation. The District Superintendent shall inform the Executive Presbyter of a pastor's resignation.
- (2) He or she shall provide the District Superintendent, within five days, with the following:
 - (a) A current list of the church board and its officers and how to contact each board member.
 - (b) A current list of the church membership.
 - (c) A current copy of the church constitution and/or bylaws.
- (3) He or she shall not participate in the nomination or selection of an interim pastor or permanent successor unless consent is obtained from the District Superintendent.
- (4) He or she shall not delegate the pastoral care or preaching responsibilities to any person who is not a credentialed Assemblies of God minister.
- (5) He or she shall inform the church board and the assembly that the appropriate procedure for securing qualified candidates for the office of pastor is for the board to consult with the District Superintendent for his or her assistance.
- (6) He or she shall inform the church board and the assembly that these bylaws require that no amendments may be made to the assembly's articles of incorporation, constitution and/or bylaws, nor any resolutions adopted, that will in any way give the resigning pastor a continuing influence or authority, stated or implied, over the assembly.
- (7) The resigning pastor and spouse shall sever all normal pastoral relations with the assembly following his or her resignation. He or she shall not write to, or otherwise communicate with, any member of the congregation without the express knowledge and consent of the succeeding pastor. He or she shall make it clear to the congregation that he or she will not be available for pastoral counsel and/or advice in the future. It is recommended, where feasible, that the retiring pastor move from the general area of the assembly. In abiding by such principles of courtesy and respect, the teaching of the Lord ("The Golden Rule") is kept: "Do to others as you would have them do to you." In this manner, the resigning pastor will avoid unnecessary strife, unrest, and confusion in the church that grieves the Holy Spirit.
- (8) In the event a pastor serving a member church in the Southern California District feels the congregation cannot continue to operate for any reason, before disbanding the church he or she shall confer with his or her Regional Executive Presbyter who shall make an investigation and report his or her findings to the District Superintendent. Should the Superintendent deem it advisable to disband the church, he or she shall counsel with and provide direction to the Executive Presbyter, pastor, and church board in the disposition of any funds, furnishings

and/or property. Any funds remaining after all accounts are settled shall be transferred to the Southern California District Council.

C. Resigning Ministerial Staff Member's Responsibilities

- (1) The staff member shall notify the District Superintendent and Executive Presbyter of his or her resignation.
- (2) The staff member and his or her spouse shall sever all relations with the church as provided in (7) above.

D. Incoming Pastor and Ministerial Staff Member. A minister assuming the responsibilities of pastor or ministerial staff member shall treat the predecessor with the same respect which he or she would expect the predecessor to show, remembering that the "Golden Rule" applies to all.

The above provisions are formulated with the objective of preserving the harmony and growth of the assembly and of allowing the incoming minister the unhindered opportunity for full ministry, as well as protecting the resigning minister from embarrassment.

Section 12. Transfer of Information

The general secretary of The General Council of the Assemblies of God, and any district officer, may share information in a minister's file that pertains to the minister's fitness for ministry with any other district officer. The term "minister's file" includes files maintained for both credentialed ministers and applicants for ministerial credentials. This provision shall also apply to designees of the general secretary or district officer.

Section 13. Ministerial Ethics, Integrity, Loyalty

A. Ministerial Ethics, Courtesy and Integrity

- (1) All ministers of the Assemblies of God shall be courteous in their conduct, endeavoring by every means possible to strengthen the hand of their fellow pastors in their Assemblies. Any kind of communication with an Assembly shall be through the pastor, or if there is no pastor, through the responsible lay officers in order to maintain harmony in the church's life. Cooperation for the sake of Christian unity in the Assembly shall be the practice watchword.
- (2) Since all Assemblies are entitled to counsel from the District Superintendent when in need of advice, ministers should encourage the laity to contact him or her for such and to disengage themselves from anything that could conceivably destroy the peace and harmony of the church should unauthorized counsel be indulged.
- (3) Whenever there seems to be a matter of justifiable complaint against the pastor of an Assembly, ministers contacted with regard to the same should instruct complainants to contact the District Superintendent who shall inquire further into

the matter and then, if necessary, institute a more thorough investigation. The pastor involved shall be apprised of the complaint and asked to give his or her cooperation to a solution of the problem.

- (4) Care shall be taken so as not to destroy or to debase through groundless complaints a pastor's proper authority as the Biblical and constitutional leader of the church, nor to cause a division in the Assembly.
- (5) Ministers, former pastors, as well as others, must remember that first, foremost, and at all times they are fellow servants of the living God. "And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him." (Colossians 3:17)

B. Ministerial Integrity. All charges made against a fellow minister must be in writing and signed by the person making them. The person making the charges shall be required to face the individual charged, if requested to do so.

C. Ministerial Loyalty

- (1) All ministers of the Assemblies of God, active, inactive and/or retired are expected to support the local Assemblies of God in the communities in which they reside.
- (2) All Assemblies of God ministers shall refrain from derogatory remarks regarding the Assemblies of God Fellowship. Constructive criticism should be directed to those in a position to make changes or on the District Council floor.

Section 14. Ministry in a Non-Assemblies Church or Organization

Ministers shall not be limited or restrained from entering open doors to preach the Pentecostal message, so long as they retain Assemblies of God doctrine, standards of holiness, proper attitudes, and proper ministerial conduct without compromise.

Inasmuch as unity is a vital principle for growth and spiritual development of the Assemblies of God fellowship, it is essential that we recognize our relationship to each other and that we practice Christian cooperation in all our pastoral, evangelistic, missionary, and local church work.

We recommend therefore that our ministers confer with district council officials before engaging in ministry in any church group or organization not affiliated with the Assemblies of God so as to ascertain whether such ministry might result in confusion or misunderstandings. If the minister does not have district approval, he or she shall be expected to refrain from conducting services for the church. Ministers who violate this principle shall be subject to discipline.

Section 15. Transfer of Membership

It is strongly recommended that pastors urge members of Assemblies of God churches transferring from one church to another to go through the normal transfer procedure requesting a letter of transfer thus eliminating dual membership.

Whenever a pastor has good faith belief that a member leaving his or her church, going to another member church (whether requesting a formal transfer or not), has been participating in illegal activities, sexual immorality, or business practices or lifestyle behavior not in keeping with Assemblies of God understanding of Scriptural teaching, the pastor of the church which the member is leaving shall so inform the pastor of the member church to which the church member is going.

Pastors shall exercise great care not to encourage members of other churches to leave their present place of service.

Care should be used to avoid accepting members into another church who have a reputation as troublemakers in other Assemblies.

Section 16. Ministers in Local Assemblies

It is advisable that no credentialed minister may accept the office on any official church board without the express written permission of the senior pastor, except in his or her executive capacity as the pastor of the church.

Section 17. Ministers with Disabilities

Ministers with permanent disability or illness, which prevents them from engaging in active ministry, shall be indicated as disabled. The credential status of the minister shall remain unchanged. The annual renewal of his or her credentials shall take place in the regular manner. Ministers with disabilities thus approved by the district shall not have further obligation of financial support to the General Council.

Section 18. Senior Ministers

In respect and honor to those ministers who have given years of service to the Fellowship, the term senior-retired shall be used for those who are 65 years of age or older and who have ceased to engage in any regular appointed ministry.

A. Application for Retired Category

Senior-retired status shall be granted only to those ministers who have filed a request for such status with the District Office. The Corporate Secretary shall forward annual to the General Secretary a list of those ministers who have made these requests.

B. Guidelines

- (1) Reports. Senior-retired ministers shall file an abbreviated annual report to maintain a correct mailing address.

(2) Designations in publications. Senior-retired ministers shall have this status indicated in the Official List of Assemblies of God Ministers.

(3) Support of General Council National Leadership and Resource Center.

Senior-retired ministers shall be free to distribute as they desire the portion of their tithes previously paid to the General Council.

(4) District Support. Senior-retired shall contribute according to Article XIX, Section 5, A, (10) of these Bylaws.

Section 19. Vanguard University of Southern California Credential Applicants

- A. The accountant's office of Vanguard University of Southern California shall furnish the Corporate Secretary/Treasurer's office with a list of all students or former students who have delinquent accounts with the college after the approval of the list by the college Administrative Council, and at least 15 days prior to the convening of the Credentials Committee. The Corporate Secretary/Treasurer shall share this information with the Credentials Committee.
- B. Any student or former student of Vanguard University of Southern California who has an unsatisfactory financial standing at said college shall not be granted credentials until his or her standing is certified as satisfactory.
- C. All ministers holding credentials who owe money to the college shall be required to make arrangements with the administration of the college to liquidate their indebtedness or be subject to the withholding of District credentials.

Section 21. General Council Bylaws Article VII

Additional provisions related to this Article (The Ministry) are provided for in General Council Bylaws Article VII and/or subsequent replacement or revision thereof. ARTICLE XV. DISCIPLINE OF MINISTERS

Section 1. General Council Provisions

The discipline of ministers who are members of this District Council shall be conducted according to the provisions given in the General Council Bylaws Article X (Discipline) and/or subsequent replacement or revision thereof.

Section 2. Waiver of Claim

Notwithstanding the provisions herein before contained, credentials issued by the General Council of the Assemblies of God shall be issued on the condition and the understanding of the minister that suspension of the minister, withdrawal of the credential, and/or any other disciplinary action taken against the minister by the District or General Council shall be final and shall not give the disciplined minister cause for legal action (redress from any civil court) against the District or General Council. Each minister by acceptance of the credential certificate and these bylaws absolutely and unconditionally waives any right to bring a cause of action in any civil court against the District or General Council, or any member or officer thereof, in connection with the suspension, withdrawal of the credential and/or any other disciplinary action taken.

Section 3. Arbitration of Legal Claims

Any controversy or claim between any minister and the District Council, or any member or officer thereof, for which a minister may have a cause for legal action (redress from any civil court) shall be settled through binding arbitration by a panel of three arbitrators: one to be selected by the minister, one to be selected by the District Council (or any member or officer thereof against whom such claim is brought), and one to be selected by the two previously selected arbitrators. Each arbitrator shall be selected from the panel of arbitrators elected in accordance with Article XII, Section 5 of these Bylaws. Such arbitration shall proceed in accordance with Title 9 of the California Code of Civil Procedure or any successor statute.

This offering shall be called Fellowship Partners offering, and shall be included with the Annual Church Ministries Report. It is suggested that each church's minimal offering be based upon its average Sunday morning attendance. A church averaging less than 50 is asked to send \$25 for the year; less than 100 but more than 50, \$50; less than 250 but more than 100, \$100; less than 500 but more than 250, \$250; less than 1,000 but more than 500, \$500; less than 2,000 but more than 1,000, \$1,000; over 2,000, \$2,000.

Each church shall be encouraged to support to the best of its ability, on a monthly basis, world missionaries from the Southern California District under General Council appointment and US missionaries from the Southern California District under District or General Council appointment. - (4) Vanguard University of Southern California. Each member church shall be encouraged to give an amount equivalent to ten percent (10%) of its world missions giving to Vanguard University of Southern California.

- G. Proof of current casualty and comprehensive liability insurance. Each member church shall list the District Council as an additional insured on its liability insurance policy.
- H. Federal identification number.

Section 6. The General Council Affiliated Church

- A. Distinctives. The General Council affiliated church shall be a member church regarded, within the limits of these bylaws, as self-propagating, self-supporting, and self-governing. It may hold property in its name, govern itself by articles of governance consistent with the requirements of these bylaws and the General Council Constitution and Bylaws, elect its own pastor and officers, and engage in any ministry or activity

consistent with its own bylaws, its association with the Assemblies of God, and the law. The following is essential for maintaining the good order and nature of congregational church government characteristic to the Assemblies of God.

(1) The Office of Pastor.

- (a) The pastor, under Jesus Christ, is recognized as the head of the church. He or she is responsible both to the District Fellowship and to the church being served, and as long as he or she conforms to Scriptural order and complies with the Articles of Incorporation, Constitution and/or Bylaws of the local church, he or she shall be respected in this office. In case of any difference between the pastor and his or her pastoral staff, the Bylaws shall govern, and the Executive Presbytery shall be the highest court of appeal.
- (b) The pastor may, at his or her discretion, ask for a confidential vote of the members of the church being served. The vote is "confidential" and is designed to allow the pastor to know the feeling of the people; therefore, the result is not to be shared with the congregation unless the pastor chooses to do so. In the event the pastor does request a confidential vote, he or she may notify the District Superintendent, informing him of the results of said vote.

(2) Church Boards.

In a General Council affiliated church, there shall be a board consisting of qualified lay leadership elected by the voting membership. The board shall fulfill its spiritual and temporal duties in a spirit of servanthood to the Lord, the church, and pastoral leadership. Neither the pastor nor the board are to exercise dictatorial leadership over one another or the church; but shall cooperatively work together as a model of Christian unity and leadership, each submitting to one another as the Spirit, need, or circumstance may require. When disunity becomes present between a pastor and board, it shall be the responsibility of each to attempt to solve the difficulty between them; if failing to do so, it shall be the responsibility of each to seek the mediating efforts of the District Superintendent or their designee in order that the conflict may not be carried into the church, but resolved within the circle of leadership.

(3) Articles of Governance.

It shall be the privilege of each General Council affiliated church to adopt its own Articles of Incorporation, Constitution and/or Bylaws provided that the same are in accordance with these Bylaws and national, state, and local law. Members of a local Assembly shall be informed of the provisions of the church's Articles of Incorporation, Constitution and/or Bylaws. The pastor shall distribute or cause to be distributed copies of the aforementioned articles of governance and teach the church members concerning their use and the rights and privileges of membership.

B. Procedures for affiliation. General Council affiliated churches shall consist of the following:

- (1) All those member churches shown as General Council affiliated in the records of the Corporate Secretary on December 31, 1988, and
 - (2) All those churches who thereafter fulfill the procedure for affiliation given in the General Council Bylaws, Article VI, Section 1 or its successor provision and these bylaws and whose Articles of Incorporation, Constitution and/or Bylaws are approved by the Executive Presbytery.
- C. Change in Status. The Executive Presbytery shall have the power to change the status of a member church from General Council affiliated to District Council affiliated in any of the following circumstances.
- (1) **Active Membership Less Than 20.**
Whenever a General Council affiliated church has fallen below 20 active adult voting members exclusive of the pastor and spouse, the Executive Presbytery shall declare it to be a District affiliated church, unless an exception has been granted by the district in accordance with the provisions of General Council Constitution Article XI, Section 1, paragraph a, subparagraph (3); the pastor and church shall be so notified in writing by the District Superintendent; or at its discretion, the Executive Presbytery may authorize that an examination be made of the membership roster of a General Council affiliated church to determine the names and true number of its members. The Executive Presbytery is authorized to request that the pastor and/or secretary provide the name and address of each voting member of the church. The Executive Presbytery may request by mail that each member attest to or certify their membership. Failure of the pastor and/or secretary to provide such a list within two weeks upon the request of the Executive Presbytery may be interpreted by the Executive Presbytery as evidence the church has less than 20 members. No new members may be added to the membership roster once the Executive Presbytery has notified the pastor and/or the church that an examination of the membership roster is to be made. If the Executive Presbytery determines that the number of voting members is less than 20, it shall declare the church to be a District affiliated church. The church may appeal such a decision to the General Council Executive Presbytery whose decision shall be final. Such a church may again become a General Council affiliated assembly at whatever time it meets the criteria for General Council affiliation given in these Bylaws, Article XVII, Section 7, B.
 - (2) **Request by the Church for District Affiliation.**
The active voting members of a General Council affiliated church, for any reason, may elect by a majority vote of a quorum at a duly called meeting to place the church into District affiliated status. The meeting in which a vote shall be held may be called by either of the following: (1) provision of the church's own bylaws, or (2) the District Superintendent may call such a meeting upon written request of at least 20% of the voting membership. The District Superintendent or their designee shall preside at said membership meeting. When a General Council church appeals for District assistance either by its pastor, official board, or at least 20% of the voting membership, no names shall

be added or removed from the membership roll of said church from the date of the letter or petition of appeal to the District Superintendent until the matter is adequately resolved and the decision approved by the Executive Presbytery.

(3) District Superintendent Intervention.

If a situation is such that it requires more immediate action, the District Superintendent, after conference with the District Leadership Team and with the approval of the Executive Presbytery, may declare the church in the hands of the District as a District affiliated church.

Section 7. The District Affiliated Church

The District affiliated church shall be under the direct oversight and governance of the District Council in a manner provided for in these bylaws. The title of property of District Council affiliated churches may be held in the corporate name of the Southern California District Council of the Assemblies of God.

A. Classification.

A District affiliated church shall be a church which falls within one of the following classifications:

(1) Pioneer. A pioneer church shall be a church less than three years in existence which has not received General Council affiliation.

(a) Process for Opening. A pioneer church may be opened through a church planting effort initiated by the District, in cooperation with the Section; or, through the initiative of a pioneering pastor and/or group, and/or a member church. Those desiring to initiate a pioneer church shall follow this procedure:

(i) The initiator shall contact the Executive Presbyter.

(ii) The Regional Executive Presbyter shall contact his or her Regional Leadership Team, who shall investigate the project, as to nature and personnel, attitude of neighboring pastors, financial obligations involved and the possibility of the new work succeeding. (If any member of the Regional Leadership Team has a conflict of interest, he or she shall disqualify himself or herself.

(iii) The Regional Leadership Team shall render a full report, in writing, to the District Leadership Team.

(iv) The District Leadership Team shall consider all the facts and notify the proponent of the project of its approval, qualified approval, or disapproval.

(v) In case the proponent of the project is not satisfied with the decision, the entire matter shall be considered by the Executive Presbytery, whose decision shall be final.

(b) Setting in Order. Upon approval of the District Leadership Team or the Executive Presbytery, the Pioneer church shall be set in order in the following manner.

- (i) The Corporate Secretary shall file Articles of Incorporation for the pioneer church.
 - (ii) At the opening service of any church, a representative of the District shall be present and set said church in order as a District affiliated church of the Southern California District Council of the Assemblies of God. A letter of affiliation shall be presented the church at that time.
 - (iii) The pioneer church shall be governed by Articles of Incorporation and bylaws approved by the Executive Presbytery for all District affiliated churches.
 - (iv) A list of charter members of the new church, who have met the standards of membership as given in the local church bylaws, shall be furnished the District Office within twelve months following the beginning of the pioneer church.
 - (v) The pastor and church shall meet such additional requirements as may be determined by policy enacted by the Executive Presbytery.
- (2) Established. An established church shall be a church, existing more than three years, which has not received General Council affiliation.
- (3) Temporarily Dependent. A temporarily dependent church shall be a General Council affiliated church which has become a District affiliated church in accordance with the provision of this Article, Section 6, C. While the church is a District affiliated church, it shall be governed under Articles of Incorporation and bylaws approved by the Executive Presbytery for District affiliated churches, and such other guidelines and procedures as the Executive Presbytery may adopt.

B. Governance

The District Affiliated church shall be governed in accordance with these Bylaws, Articles of Incorporation and Bylaws approved by the Executive Presbytery for District Affiliated churches, and such other guidelines and requirements approved by the Executive Presbytery.

C. Process for becoming General Council Affiliated.

The District affiliated church, by a majority vote of its members, may request that the Executive Presbytery change its status to that of General Council affiliated. The Executive Presbytery may grant such a request provided that the church meets the following conditions:

- (1) A minimum of 20 voting members are required, unless an exception has been granted by the district in accordance with the provisions of General Council Constitution Article XI, Section 1, paragraph a, subparagraph (3). It is recommended that a church have a minimum of 25 voting members before requesting approval as a General Council affiliated church.
- (2) A sufficient number of qualified individuals to serve on an official board.

- (3) Approval of the District Leadership Team upon the recommendation of the Regional Leadership Team and/or official church board.
- (4) The church shall adopt Articles of Incorporation, Constitution and/or Bylaws approved by the Executive Presbytery.
- (5) Approval of the membership by a vote at a business meeting presided over by the District Superintendent or his designee.

Section 8. Cooperative Churches

Cooperative churches shall consist of all those churches shown as cooperative churches in the records of the Corporate Secretary on December 31, 1988. A cooperative church may become a General Council affiliated member church by following the procedures given in Section 7, C, above.

Section 9. Church Mergers

Pastors of churches considering a merger shall consult first with the District Superintendent and Regional Executive Presbyter prior to presenting the matter to their church boards or congregations. Any church considering a merger with another church shall be required to call a meeting of its voting members to consider such a proposal. A two-thirds vote shall be required of each church to approve such a merger. Said business meeting shall be presided over by the District Superintendent or one whom he shall designate. Before a church merger can be completed, it must have the approval of the Executive Presbytery.

Section 10. Established Churches Relocating

Any church contemplating relocating or a new church campus extension shall seek a site that will not conflict with another member church in the same area, letting the spirit of love rule over a sense of expediency. Said church shall apply to the Regional Executive Presbyter. The Executive Presbyter and a committee comprised of three ordained ministers of that region shall consider the request. The Executive Presbyter and committee shall render its decision and report to the District Superintendent. In the event that either the applicant or a neighboring church is displeased with the decision, they may appeal to the Executive Presbytery whose decision shall be final.

Section 11. New Assemblies Resulting From a Division

- A. Meritorious groups.
When efforts to maintain unity and harmony in a member church have failed, and a division results in a new congregation being formed, the District should exercise strong and wise leadership in ascertaining the facts and seek to preserve Assemblies of God adherents for the Fellowship. Within the bounds of ethical principles, sound doctrine, and District policy, the Southern California District Council will seek to retain any meritorious group within the Assemblies of God.
- B. Ministers Disciplined for Schism.

Circumstances of the occasion will determine whether a minister should be disciplined or denied ministry in either the original church or the dissident group or even residence in the area where the division occurred. If a minister is guilty of wrong conduct and wrong attitudes resulting in a split, the Executive Presbytery shall deal appropriately with him or her as provided in Article XV of these Bylaws.

C. Forfeiture of Credentials.

When a pastor has lost his or her credentials because of the circumstances involved in a group separating from a member church, any credentialed minister in the church electing to go with the dissident group, or subsequently joining the ministerial staff of that group, shall forfeit his or her credentials, unless an appeal is made to the Executive Presbytery and they decide on another course of action because of extenuating circumstances.

Section 12. Affiliation of Independent Churches

When an established non-member church in a region, being either an independent work or a member of another church organization, seeks affiliation with the Southern California District Council, the procedure followed shall be the same as that outlined in Article XVII, Section 7.

Section 13. Safeguarding the Assemblies

Pastors and leaders of assemblies should make proper investigation regarding persons who seek to gain entrance to teach, minister, or pastor. Use of the platform should be denied until spiritual integrity and reliability have been determined. It is recommended that Assemblies of God churches use Assemblies of God ministers since the use of non-Assemblies of God ministers may bring confusion and problems detrimental to the Fellowship.

No dismissed minister may be allowed to pastor or have ministry in an Assemblies of God church. Pastors and the District Leadership Team shall maintain an exchange of information regarding dismissed ministers known to be seeking ministry in our assemblies.

Section 14. Potential Conflicts in Governance

The District Council Articles of Incorporation and Bylaws shall take precedence over the Articles of Incorporation, Constitution and/or Bylaws of any member church. The District shall not usurp the authority properly vested in the local member church; however, whenever member church governance provisions are either silent on or in conflict with provisions made in the District Articles of Incorporation and/or Bylaws, the District provisions shall rule.

Section 15. Arbitration of Legal Claims

Any controversy or claim between any District Council member church, or cooperative church, or any member or officer, or any person claiming to be a member or officer of any such church and the District Council, for which either party may have a cause for legal action (redress from any civil court) shall be submitted to binding arbitration by a panel of three arbitrators: one to be selected by the member church, cooperative church, any member or officer, or any person claiming to be a member or officer of any such church; one to be

selected by the District Council, or any member or officer thereof against whom such a claim is brought; and one to be selected by the two previously selected arbitrators. Each arbitrator shall be selected from the panel of arbitrators elected in accordance with the Article XII, Section 12 of these Bylaws. Such arbitration shall proceed in accordance with Title 9 of the California Code of Civil Procedure, or any successor statute.

ARTICLE XVII. DOCTRINES AND PRACTICES DISAPPROVED

Section 1. Ecumenical Movement

While we recognize the benefits of mutual cooperation among different denominations, we are not in favor of the Ecumenical Movement whose purpose is not to unite all churches under the "Lordship of Christ," but to unite all churches at the expense of fundamental evangelical doctrine. We, therefore, disapprove of our ministers participating in any dialogue destined to promote such a union.

Section 2. Membership in Secret Orders

Because membership in lodges and other organizations which require secret oaths could cause division and mistrust as well as misunderstanding among brethren, it is recommended that we discourage membership of our ministers and members in such organizations.

Section 3. Abuses of Stewardship

(See Article VII, Section 7, General Council Bylaws.)

A. Tithing

- (1) According to the Scriptures, tithes should be used for the support of the active ministry and for the propagation of the gospel and work of the Lord and not be given to charity or used for other purposes. In tithing, ministers ought to be examples.
- (2) We recognize the duty of tithing and urge all our people to pay tithes to God. It is recommended that arrangements satisfactory to the pastor and the church be made by all pastors and churches, so that the pastor may receive regular and adequate support. We disapprove, however, of the teaching that all tithes necessarily belong to the pastor for his or her support.

B. Solicitation of Funds

- (1) It is considered improper and unethical for ministers or missionaries to solicit funds by letter or otherwise for anything or any reason whatsoever without proper authorization.
- (2) The purpose of this section is not to hinder or discourage legitimate projects but to protect the Fellowship from those who employ methods not in harmony with Assemblies of God principles or policies. Leaders in local projects shall have unquestioned freedom in local churches or communities. Projects of general interest to the district must have the authorization of the district officary. Projects or institutions of national scope must have the authorization of the Executive Presbytery of the General Council of the Assemblies of God. Promotion of all

projects of a missionary character must have the authorization of the Executive Presbytery.

- (3) The obtaining and use of mailing lists for promotional purposes not having proper authorization or which are not in keeping with policies of the General Council of the Assemblies of God shall be considered improper and unethical, whether it be under the name of a prayer chain beyond the local scope, chain letters, or appeals to the constituency for the support of ventures of strictly local or personal character. All offenders guilty of the practices expressed in the foregoing paragraphs shall be subject to discipline.

C. Private Ownership of Religious Institutions

The Southern California District Council of the Assemblies of God approves the holding of title to all church buildings, schools, or other institutions that are supported by funds solicited for the work of God by properly constituted corporations. It disapproves the holding title to such properties by the ministers of the Assemblies of God, through private ownership, corporation of sole, closed corporation or any other type of ownership where initiative of action or final authority is not vested in a corporation of the whole. In the event a local congregation is not incorporated or set in order by the District Council, title should be vested in proper qualified trustees. Where private ownership exists, a properly incorporated body shall be formed and title to the property shall be transferred to the corporation taking into consideration equity that the title holder may legitimately have. A disregard of this principle and recommendation shall seriously affect the relation to the Assemblies of God members involved in such ownership.

Section 4. Divorce and Remarriage

A. Membership

- (1) There are now among Christian people those who became entangled in their marriage relations in their former lives of sin and who do not see how these matters can be adjusted. We recommend that these people be received into the membership of local assemblies and that their marriage complications be left in the hands of the Lord (1 Corinthians 7:17, 20, 24).
- (2) We recommend that in no case shall persons be accepted into membership who are known to be living in a common-law state of matrimony.

B. Remarriage

Low standards on marriage and divorce are very hurtful to individuals, to the family, and to the cause of Christ. Therefore, we discourage divorce by all lawful means and teaching. We positively disapprove of Christians getting divorces for any cause except fornication and adultery (Matthew 19:9) or the abandonment of the believer by the unbeliever (1 Corinthians 7:10–15) or in the case of domestic violence by a spouse to a spouse or child (Matthew 18:6; Ephesians 5:28–33; Colossians 3:19). Where these exceptional circumstances exist or when a Christian has been divorced by an unbeliever, we recommend that the question of remarriage be resolved by the believer as he or she walks in the light of God's Word (1 Corinthians 7:15, 27, 28).

C. Local Church Leadership

- (1) It is recommended that divorced and remarried believers not serve in the church offices of bishop or elder and deacon unless the divorce occurred prior to conversion (Titus 1:5-9; 1 Timothy 3:12; 2 Corinthians 5:17) or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15). We recommend that all other opportunities for Christian service for which divorced and remarried believers may be qualified be made available to them.
- (2) It is understood that recommendations are not binding, but local assemblies shall maintain the prerogative of setting their own standards (in accord with provisions of Article XI of the Constitution of the General Council).

D. Performing Marriage Ceremonies

- (1) Ministerial guidelines. We discourage any Assemblies of God minister performing a marriage ceremony for anyone who has been divorced and whose former spouse is still living, unless the case is included in the exceptional circumstances described in Paragraph B of this section.
- (2) Violation of conscience not required. We realize that the remarrying of such persons included in the exceptive circumstances in Article IX, B, Section 5, paragraph b, could violate the conscience of a minister; and if this should be the case, the minister should not be expected to perform such ceremonies.
- (3) Same-sex ceremonies. No minister shall perform any type of marriage, cohabitation, or covenant ceremony for persons who are of the same sex. Such a ceremony would endorse homosexuality which is a sin and strictly forbidden in God's Word (Leviticus 18:22; 20:13; Romans 1:26,27; 1 Corinthians 6:9; 1 Timothy 1:9-11). Any minister of our Fellowship who performs a ceremony for these types of disapproved relations, unless innocently deceived into doing so, shall be dismissed from the Fellowship.
- (4) Counsel. An Assemblies of God minister is urged to counsel applicants for marriage ceremonies with scriptural guidelines for Christian marriage prior to performing the ceremony. A minister may not perform ceremonies for persons who, in the minister's opinion, approach marriage without proper forethought, wisdom, and sobriety.

E. Ministerial Credentials

We disapprove of any married minister of the Assemblies of God holding credentials if either minister or spouse has a former spouse living unless the divorce occurred prior to conversion or for the scriptural causes of a former spouse's marital unfaithfulness (Matthew 19:9), or the abandonment of the believer by the unbeliever (1 Corinthians 7:10-15). (See Article XV, Section 2, J, and also Article VII, Section 2, paragraphs k. and l. of the General Council Bylaws.)

ARTICLE XVIII. MINISTRIES

- A. In order to obtain effective promotion and development of the work of the District Council in specific areas of concern, ministries shall be established by the Executive Presbytery to resource the local church and shall be amenable to the District Superintendent.
- B. The Executive Presbytery shall be responsible to see that District Ministries and their personnel function in accordance with the desires and guidelines given by the Executive Presbytery. Each Ministry Leader shall function within the purposes and guidelines established in the Ministry Handbook adopted by the Executive Presbytery.
- C. The Executive Presbytery shall be responsible for the approval and review of all financial matters pertaining to all District Ministries.

ARTICLE XIX. DISTRICT FINANCES

Section 1. General Fund

- A. The District shall maintain a General Fund into which all monies shall be received and out of which all District operations and ministries shall be funded by budgetary allocations. This budget shall encompass all ministries and services of the District Council. Disbursements shall be under the supervision of the Executive Presbytery.

This fund shall be available for the support of the Executive Officers of the District, District Departments, the District Council office, traveling expenses, and other necessary District activities. A minimum of ten percent (10%) of this fund shall be devoted to missions work. It shall be disbursed under the supervision of the Executive Presbytery.

- B. Annually there will be Reviewed Financial Statements prepared by an audit firm, in accordance with the requirements of the laws of the State of California. A copy of the financial statement shall be made available to the District Council in session. A full audited financial statement may be requested by the Southern California District Executive Presbytery when deemed necessary.
- C. All personnel involved in the handling of District finance shall be covered by an adequate position bond. Theft insurance shall be provided for the personal effects of all personnel in the District Office.

Section 2. United Ministries Fund

Each church shall contribute a minimum of one percent (1%) of its General Funds income (this is to be interpreted as all funds excepting those for Assemblies of God World Missions and other specifically designated funds) to the United Ministries Fund. These amounts shall be forwarded to the District Treasurer monthly and shall be disbursed under the supervision of the Executive Presbytery.

DEFINITION OF VOLUNTARY COOPERATIVE FELLOWSHIP

The principle of voluntary cooperation upon which the General Council of the Assemblies of God is based, involves the following:

By "voluntary", it is meant that, upon learning the principles, doctrines and practices of the Assemblies of God, and by seeing the benefits one could derive from being associated with such an organization, a person of his or her own free choice decides to become a member, thus subscribing to all that for which the organization stands.

By "cooperation", it is meant that, to the best of his or her ability, one will comply with all decisions setting forth and defining duties and responsibilities incumbent upon members of

the organization, and will respect the will of the majority expressed through democratic processes, as long as he or her remains a member.

Hence, "voluntary cooperation" means that one of his or her own free will decides to become a cooperating member of the Assemblies of God, this cooperation being obligatory and not optional.
