

In the *beginning* **GOD** *created*
the heavens and the earth...

**We will begin by focusing on
 those big words because they
 really are a big deal....**

***GOD* created;** therefore, **GOD**
gets to make the rules. If you had
 created, **then you** would get to
 make the rules. ***How* has that
 been working out for YOU?**

Since **we already know** the **answer**
 to that question, *we can move on.*

So, **God created. God made**
 the rules. Those rules are written
in a book called the **Bible.**

The Bible *gives us a record* of what
 happened: **creation** and **the fall of**
man, and ***God's* plan to save us.**

And **God** showed **Himself to mankind** through His chosen people, **the Jewish people**. So that we can know **HIS POWER** AND **HIS CHARACTER**.

God loves you so much that *He sent His son Jesus* to die for you that **you can have life forever WITH HIM**.

Forever *without God* is the **truest definition of HELL**. We hope you have changed your mind about God.

GOD IS WONDERFUL, by the way. *Why, you ask?* We are **happy** to **answer** that... **There are so many reasons**, but here are *just a couple* to **consider**.

GOD, knowing how terrible our sin would make our world, *made a plan to get us out of it*.

And the *best part IS*, He set ***a time limit*** for it to be carried out *so that we **would not have to wallow in the dung pile of sin forever.***

You should take a moment to say "Thank you" to God for that.

Here is another reason most people usually do not consider. The ***gods*** that **our humankind have created** for ourselves since the beginning of time have always *glorified **SURVIVAL OF THE FITTEST*** AND the ***KILL OR BE KILLED*** mentalities. Those ***gods*** have **amplified the lusts and perversions** of society and ***abused the weak***, including babies and children.

Those ***gods*** were creations of our own imaginations.

But the wicked, man-made rituals to worship those ***gods*** were influenced by satanic and demonic forces.

We are taking a moment to praise our God and say, **"Thank you!"**

Because *YOU, our loving God, are not as **WE** would have created You!"*

*Nope! God is Himself **NOT** created and **not like the terrible *gods*** we humans would make for ourselves.*

[God wants us to help each other...]

We who are strong ought to bear with the failings of the weak, and not to please ourselves.

[interjections in brackets] Romans 15:1 NIV

Our God — the God of Abraham, Isaac, and Jacob — **is truly worthy of all worship** and praise for the *longsuffering, mercy, and grace* **He has shown us.**

*[**God** wants **us** to lean on **Him...**]*
 The **LORD** upholds all who fall,
 And raises up all who are bowed down
[all who are humble].

[interjections in brackets] **Psalm 145:14 NKJV**

Do you ***need*** another reason?

The fact that you have *survived to*
read this is only by *God's* ***grace***
 and ***mercy***.

Mercy IS God **NOT GIVING** you what
 you **DO** deserve. **Condemnation**
 and **everlasting hell**. — *the same*
was true for us too.

Grace IS God **GIVING** you what you
DO NOT deserve.

Forgiveness and **salvation**.
God loves you!

The **Holy Spirit is with you** and in you if
 you have trusted in Jesus as your savior.

We cannot stress enough the
importance of getting ***Saved*** *IF*
 you have **not** done that yet.

See page 43 for a Prayer to be Saved

God loves and watches over us.

He also **allows us to go through trials**. Trials are the hard times we face that **help to increase** our **faith in God**.

When **life** is going **well**, we **hardly think** about God. **Why** would we, when everything is **going great?**

Well, **God loves us**. And because He loves us, **He wants us to know Him**. He wants us to *TRUST* and **worship ONLY Him**.

Afterall, **HE** DID CREATE **US**.

Hard times cause us to **seek God**.

Our faith in God is tested and refined.

Those times **do not show God IF** we will trust Him. They show **US** that **we CAN trust Him**.

Well ...

We have been **warned** for the **past 2000 years** about this time of **Great Tribulation!**

So ...

Because you were left behind, the Antichrist **will be allowed** to **hunt you down** and **kill you** for your belief in Jesus.

Your death, because of **your faith in God,** will cause others **to believe** in God also.

This is **not intended** to be **accusing** toward you.

In Jesus, there is no condemnation (**no judgment**).

We are all sinners

even as this is being written.

Important: Christianity is **not** a *religion*.

It is a relationship with God!

If you have always thought of yourself as a **religious person,** then ***FORGET everything*** you have ever learned about your **religion**.

Afterall, it has **not served you well considering** you are still here.

You would not be going through this terrible time now **if you had been *SAVED* and RESCUED *with us*.**

This is *not judgement*, **it is observation**. If something is *religious*, **FORGET IT**.

The next several pages are going to tell you what you need to know to combat the evil surrounding you.

For by grace you have been saved through faith, and that not of yourselves; *it is the gift of God, not of works, lest anyone should boast [and boasting is bad]*.

[interjections in brackets] **Ephesians 2:8-9 NKJV**

There is ***not enough room*** in this guidebook to cover all the things you should watch out for **and avoid**.

ALL *religious* practices and beliefs of the *Catholics, Jehovah's Witnesses, Mormons*, and **ALL other religions or cults.**

This includes believing that Mary can save you, or that Jesus is not God, or that you can become a god. *Lies! Lies! Lies!*
