

Practices that are ***Not Allowed!***

Some music and religious **ideas** have **entered *SOME* Christian churches** that promote perverted or romantic thoughts toward **King Jesus**.

King Jesus is our Holy God and Sovereign King and He is *never* to be thought of or spoken of OR *SUNG* about with **any perversion or disrespect.**

... bringing every **thought into captivity** to the **obedience of Christ**,

2 Corinthians 10:5 NKJV

IF you need help controlling your thoughts, **pray and ask for help**. He will give it.

Read His word so that **His words will be** your thoughts.

Your **word I have hidden in my heart**,
That I might not sin against You.

Psalms 119:11 NKJV

Prayer is a *conversation*,
and you can *read* God's **word**
in a prayerful manner.

We are only to ***meditate*** on the
meaning and *application* of the words,
but **never** a ***mindless*** meditation.

This type of meditation **will open**
you to **demonic influence**.

Not Allowed! Never chant / repeat —
aloud or silently — a **word or phrase** in
order **to *blank-out* your mind**. You will
open yourself to demonic influence.

Not Allowed! Thinking or believing that
you or anyone else is *spiritually elite*.

There is no such thing as the
*spiritually **elite***. God's chosen people
are the Jews. **And they also**
must be saved by Jesus Christ
to go to heaven.

And **no one**, Jew or ***non***–Jew,
is spiritually **closer** to God
than anyone else.

Your relationship with God should be simple. ***Always simple.***

Always remember that **there are deceiving spirits** that are EVIL and if **they can distract you away from your relationship with God**, they will.

Not Allowed! Any ***ritual*** that involves **physically OR mentally** being ***overcome*** by the **Holy Spirit**. You open yourself to being overcome or ***tormented*** by **spirits** that are ***not the*** Holy Spirit.

The Holy Spirit can communicate with us if He chooses. **The Holy Spirit DOES speak to our hearts** and makes us feel guilty if we are **doing things we should not** be doing.

He will guide us if we let Him. But we must be **saved**, and we must **trust Him**. We **never** have **communication** with the **Holy Spirit** through **ANY** religious **ritual AT ALL**.

Not Allowed! Lying across graves (or dead bodies) to **absorb** or ***reclaim wisdom*** or ***gifts*** is ***NEVER OK***.

It is **a waste of time** for that purpose, but it also opens the person to a **demonic influence**.
