

About the Children

It is **not stated** in the Bible that young children **will be** taken **out** of the world with us Christians — regardless of the ***religion*** each child is born into.

To clarify, this does not mean that anyone can be ***born saved*** or ***Christian*** *because that is not true*. As this is being written, it is still not a forgone conclusion that babies and young children will also **disappear**.

BUT: It is the strong belief by many of us that God will not take out His wrath on **innocent children**.

All children are born into sin just like we all were, ***BUT:***

- If they have not reached the age of accountability for their own actions, it is a **common belief** among us that they will also be rescued before God's wrath.
- This **might** include anyone who is not mentally competent (according to God, who knows all).

*And yet, we also know that babies will be **born** on the earth **during** the time known as the Great Tribulation.*

This part is **included** because ***WE HOPE it will be needed:***

We know that the sudden disappearance of a child is terrifying and heart wrenching.

If millions of people have disappeared at the same time, **including all babies and small children, REST EASY** knowing that **they are in absolute safety and comfort.**

And ***IF*** you are *SAVED*,
you WILL be with them again!

IF THIS EVENT has NOT yet happened **AND** you *believe your child is MISSING*, pray and dial **911**.

Otherwise, this guidebook will provide you with more insight into what is going on so that you can find comfort in knowing your family is indeed in HEAVEN with JESUS.

But in THIS EVENT, we ***DID NOT DIE*** to get there.
