

All **Scripture is given by inspiration of God**, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, [*the **EXACT** translation of inspiration of God **is God Breathed***]

[*Interjections in brackets*] **2 Timothy 3:16 NKJV**

Quick Bible Lesson (it will be useful)

The **Holy Bible** is the **LIVING** WORD of God. Genesis is the first of the **66 books** in the Bible.

The Bible has **2 parts**. The **Old** Testament and the **New** Testament.

The **Old** Testament, which has the first 39 books, was written **BEFORE** **Jesus** was **BORN** onto the earth.

Do not get confused, **Jesus IS God** and was **present for** the Creation of ALL in Genesis.

The **New** Testament, which has the final **27 books** was written **AFTER** **Jesus** died, rose again, and **ascended into heaven** (physically rose to heaven).

By **Living Word**, we mean that no understanding of God's Word is possible unless allowed by the Holy Spirit.

Example: 2 Timothy 3:16

For easier reference, the **Books** (as from the *example above: 2 Timothy*) have been separated into **chapters (3)** which were also separated into **verses (16)**.

Above all, the Bible was written by God. **God** used *about 40 men* of different **backgrounds** to *physically* write the Bible.

The **human authors** of the **Bible** used their own views and writing styles. And they **recorded exactly what God intended**. The Bible was **NOT dictated** by God, but it was **perfectly guided** and **entirely inspired** by **Him**.

Despite being **penned** by different authors over **1500 years**, the Bible **does not contradict** itself and **does not contain** any **errors**.

The authors all give different perspectives, but they **all proclaim** the **same ONE true God**, and the **same ONE way** of **salvation—Jesus Christ**
