

SIN

It is not a fun topic, but it is needed.

Man does not think sin is very serious.

God is *very serious* about sin.

Now the works of the **flesh** are evident, **which are:** adultery, **fornication**, uncleanness, *lewdness*, **idolatry**, sorcery, **HATRED**, contentions, *jealousies*, **outbursts** of wrath, *selfish ambitions*, dissensions, heresies, *ENVY*, *murders*, **drunkenness**, *revelries*, and the like; of which I tell you beforehand, **just as I also told you in time past, that those who practice such things will not inherit the kingdom of God.**

[If you are saved, your salvation is secure. But! If you take pleasure in any of these things... you may want to have a heart-to-heart conversation with Jesus.

[Interjections in brackets] Galatians 5:19-21 NKJV

See page 43 for a Prayer to be Saved

If you trusted in Jesus, then the **Holy Spirit** is in you, and **He WILL convict you of sin.**

Convict in this case means that He will cause you to **feel guilty** about any sin you commit.

He will not cause you to be *not saved*, but He will give you **the twisted gut feeling**, letting you know that what you are doing is wrong.

If you sin and *you do **not** feel some guilt* about it, *that really is **NOT** a good thing.*

Think of it this way: **God hates sin.**

If you *THINK* you are *Saved*, BUT God is just letting you get away with your *sin*...

If the Holy Spirit is not at the VERY LEAST trying to make you think twice about your actions, thus *giving you a guilty feeling about it...*

? *Question:* Did you say the prayer — the one *FOR BEING SAVED* — with **your MOUTH only** or did you *truly include your HEART?*

Forever is a long time to be wrong!

If you are **willingly and wantonly** engaging in sinful acts, you should beware. **God will not be mocked.**

All sin is evil. No sin is greater or lesser than another.

Below is a list of sins that are pretty common. If you are doing something on this list, you should ask Jesus to forgive and to help you.

- **Idolatry** – this includes **any worship or devotion to anything other than God**
- willful unbelief or doubting God's absolute power
- Using drugs
- Drinking to the point of drunkenness.

- **Lust and Sex outside of marriage (any and all including adultery, necrophilia, pedophilia, homosexuality — God only recognizes marriage between 1 Man and 1 Woman)**
- Any involvement with Pornography
- Divination or Sorcery or Witchcraft or anything else like it.
- Hatred and Murder
- Violent Actions or Language
- Wicked Thoughts
- *Lying*

We did not put ***stealing*** on that list because of the **situation** you are possibly in. You have likely found this **guidebook** while **searching** for **supplies** you can no longer buy. And since **stealing** is defined as **taking** something that does not belong to you **without** permission....

Well ordinarily, **stealing** *would be* on that list. In a **survival** situation, if you take something that is not yours, set your **mind** that your **actions** are for survival only and that your actions will not intentionally cause **harm** to anyone else. **Seek God** to give you **good judgement** in your **actions**.

The bottom line is that our SIN SEPARATES us from God.

Wanting to be **separated from God** more than what you already are — in your current situation — seems **unthinkable**.

Could you really want that?

Trust God. HE WILL help you overcome your sins. And **you have** so much to look forward to with **only a little while longer** to have to deal with this!
