

Israel

This Great Tribulation is God's way of bringing Israel back to believing in Him.
But it is also meant to bring Judgement to the rest of the world. It is literally the Wrath of God.

What that means for you is not pleasant, but we hope this guidebook is helping you find the strength and hope to get through it. The countdown has begun, and
King Jesus is coming back!

Why is Israel so important?

Israel is God's prophetic timeclock.

Everything that was written in the Bible **about Israel was written** in order **for God to reveal Himself to the world.**

So many times, the Bible tells us about Israel's rebellion against God. And through them all, God reveals *HIS* **power and glory.** And God also reveals *HIS* **mercy and love for His chosen people and ALL people.**

Paraphrased from Genesis 12:3:
God will bless those who bless Israel and curse those who curse Israel. Never forget that.

No other country or **nation** has been in the news as much as Israel, a nation about the size of New Jersey

Over 10,000 rockets and missiles were fired at Israel between Oct. 7, 2023, and February 2025. Any other place on earth *the same size* **would have been a crater.**

Physically, Israel suffered very little due to these rockets and missiles.

Of course, the people of Israel probably spent *as much or more time in their bomb shelters* as they did anywhere else during that time.

But only GOD is capable of that level of protection. To hate the Jewish people and attack Israel is to hate and attack that which God loves.

For thus says the Lord of hosts: "He sent Me after glory, **to the nations which plunder you [Israel]**; for he who touches you **touches the apple of His [GOD'S] eye.** [*Poking **GOD** in the eye...*

NOT a great plan.]

[*Interjections in brackets*] **Zechariah 2:8 NKJV**

We should have the utmost respect for the Jewish people. **Any other *people / nation* of the world **would have treated God just as badly or worse** and look at the **suffering** that the Jewish people have gone through **as a way *for us to see God*.****

God Bless Israel! And it is our hope that many — *an innumerable many* — were saved and raptured with the rest of the **church body**.

God's Wrath on His Enemies

God is jealous, and *the* **LORD avenges;**

The LORD avenges and is furious.

The LORD will take vengeance on His adversaries,

And He reserves wrath for His enemies; **The LORD is slow to anger and great in power,**

And *WILL NOT* AT ALL ACQUIT THE WICKED.

The LORD has His way In the whirlwind and in the storm, And the clouds are *the dust of His feet*.

Nahum 1:2-3 NKJV
