

“So too, at the present time there is a **remnant** chosen by grace.”

**Romans 11:5 NIV**

### **Where did this *GUIDEBOOK* come from?**

Some members of a **remnant** church wanted to put together a helpful guide to what you need to know about our wonderful God and Savior Jesus Christ as well as the Bible.

A **remnant** church is considered to be a small, faithful group of believers **who remain true to God’s teachings** and commandments, even when most churches *and* society have strayed from God’s word.

*We are so thankful* that God has allowed *us* to offer *you* the only help we can. This is our testimony of *HIS Amazing Grace*.

Because He has allowed us to **assemble our understanding of His word**

— as it has been given to us over many years  
— *SINCE you will not have an easy time understanding the Bible on your own.*

*Especially* since you do not have **the luxury of many years to study the Bible** or access to the **PASTORS** and teachers to learn from as we have.

Being a **faithful** group of believers has never made any of us perfect, so **do not be afraid** to **add** yourself to this description.

If possible, assemble your own **remnant** church and **remain true** to God's teachings.

We hope you are able to form some sort of community with other people who also believe in Jesus.

**There will be many, many believers.**

We know this because the Bible tells us there *will be a **great multitude**, which no man could number.*

**Finding** them may be the **challenge**. It will be dangerous for anyone to advertise a belief in Jesus.

If you are able to belong to a small group of people for survival, **it is our hope that you all trust Jesus** and can help each other with basic needs and safety *but also to have a common **goal** in Christ.*

**Studying God's word together** and praying together will **strengthen and comfort** all of you. There is strength in fellowship, and **power in prayer**.

**NOT forsaking the assembling** of ourselves together, as *is* the manner of some, but **exhorting one another**, and so much the more as *you see the Day approaching*.

**Hebrews 10:25 NKJV**

Spreading the **Good News** about **Jesus** to others ***must be*** your **# 1** purpose.

*That* is the *Father's business* you should be about doing. There is not much time left and then it will be too late.

It is not too late for you but **what about the other people who do not know about Jesus yet?**

**Could they be saved if you told them?**

If you do not tell them, FOREVER is a long time for them to SUFFER.

You may be able to **share** Jesus covertly. You should **try** to do that as long as you can. But, when confronted you must **never, EVER deny Jesus**. Even when it means you will **die**.

***You will be hunted.*** *You MAY be tortured, even to death.*

*But if you have Jesus, death only ends the torment.* And then your new life begins.
