DAY 2

Read Exodus 1–2:10

Today, we're looking at the second book of the Bible, Exodus. Exodus means a mass departure, so basically, a lot of people are leaving one place.

After Joseph's death, the Israelites were still living in Egypt. And "the number of them greatly increased. There were so many of them that they filled the land" (Exodus 1:7 NIV). In Genesis, God had told Abraham, Isaac, and Jacob that there were going to be many people to come from them, and they would have a promised land to live in! So that

meant the Israelites weren't going to live in Egypt forever!

It was also really hard to live there. Exodus 1:14 says, "The slave drivers forced them to work with bricks and mud. And they made them do all kinds of work in the fields. The Egyptians didn't show them any pity at all. They made them work very hard."

God was going to rescue His people; He always has a plan. And a little baby, Moses, was going to be a part of God's big plan.

DAY 3

Read Exodus 3:1–10

In Exodus 3, Moses had grown up, run away from Egypt to a place called Midian, and was now living there. He's out in the wilderness shepherding a flock. But a big moment is about to happen. "The angel of the Lord appeared to him from inside a burning bush. Moses saw that the bush was on fire. But it didn't burn up" (Exodus 3:2 NIV).

Moses's normal day changed and he encountered God. God is so holy that Moses even needed to take his shoes off because he was standing on holy ground. The Hebrew meaning of the word "holy" means set apart.

God is so holy and good that He is set apart from all things. But we can know and have a personal relationship with this holy God. Through Jesus' death and resurrection, God has made a way for us to be in God's presence, to be close to Him.

Pray to the Lord today. You can pray something like this: "Lord, You are so holy and good. Because of Jesus, I can enter Your presence."

Read Exodus 3:10-4:17

You are chosen, and you are chosen to reflect His glory and holiness to others!

God saw the suffering of His people both in Egypt and as they were leaving, and He showed up to help. God is not far away. He's not too busy. He's not ignoring what you're going through. He was with Moses, He was with the Israelites, and He's with you too.
