Jesus showed them how to love others, and one day, He did something very special—He prayed for His friends! Jesus talked to God and asked Him to protect His friends and help them love like He does. And guess what? Jesus also prayed for YOU, for ME, and for everyone who would follow Him! Jesus prayed that we would obey Him and love one another just like He loves us. You can use your prayer box to do the same. Whenever you open it, take out one of the people cutouts and say a prayer for that person. We can love others by praying for them and doing what Jesus says.</p>
