This man really needed help, but the first person who walked by didn't stop to help. Then the second man who walked by didn't stop to help either. A third man was walking down the road, and he stopped to help the hurt man. He felt badly for the hurt man, so he covered his boo-boos, put the hurt man on his donkey, and took him to a safe place to get better! "Jesus told this story because He wants us to go and care for others in the same way. We can care for our friends by helping them when they fall down, by giving them a hug when they're sad, by giving them water when they are thirsty. (Hold up one of the water bottles.) There are lots of ways we can care for others and do what Jesus says! Who can do what Jesus says? I can do what Jesus says."</p>

Parent Note: Caring Water

Hi!
Today, your child made a Caring Water to give away, inspired by the Bible story of the Good Samaritan.
We learned that Jesus wants us to care for others and show kindness to everyone, just like the Good Samaritan did.
Please help your child give their Caring Water to someone as a simple way to share God's love this week!
