WHAT TO SAY

Today we're learning to care for one another! Do you know what it means to care? It means showing love and kindness to other people, just like Jesus shows love to us.

We're going to make something very special today—a care package! Inside your package, you'll put a cross to remind the person that Jesus loves them, two candies to make them smile, a small toy to bring them joy, and a card you can decorate to show your care.

When you finish, you won't keep your care package—you will give it to someone else! It could be a friend, a family member, or anyone you want to show love to.

When we care for others, we are sharing Jesus' love in a real, special way!

Let's remember: We care for one another because Jesus cares for us!
