A Movement of Prayer for the Entertainment Industry

Happy 2026 and HAPPY 25th ANNIVERSARY to our Hollywood Prayer Network family!

We are so grateful to be praying with you again as we step into a new year and **celebrate twenty-five years of ministry together!** Today also marks **one year since January 7, 2025, when fires devastated our city.** In the year since, fewer than a dozen of the more than 13,000 homes lost have been rebuilt. After months of cleanup, billions in capital damage, and countless lives disrupted, thousands of families remain displaced, still waiting for restoration to fully begin. **Yet we pray with a hope that does not disappoint us, believing God is still releasing His fire of love, joy, and revival across Los Angeles!**

In celebration of our 25-year milestone, we are declaring 2026 the **YEAR OF MIRACLES!** We invite every praying person you know to join us in lifting up the people, projects, and issues shaping one of the most influential people groups on the planet, the Hollywood entertainment industry. We believe God is moving, and we are expectant of supernatural breakthroughs. We want you to experience this year with us! Will you get excited with us for all that the Lord is going to do in our marketplace and mission field? Please forward this email to your praying friends and help spread the word!

Let's begin this year of celebration with praise and thanksgiving...

START THE YEAR WITH AN ATTITUDE OF GRATITUDE

Long time HPN friend and former TV Show Runner, Coleman Luck, offers a perspective on "The Way of the Servant Warrior" with his Podcast on his channel, Thorncrown Studios. Chapter 10, entitled "The Secret of Resilience: Can Gratitude Defeat Despair?" talks about how having a grateful heart can get us through any struggle. JANUARY IS HUMAN TRAFFICKING PREVENTION MONTH

Human trafficking is a global crisis affecting millions each year, including widespread exploitation within the United States and especially in the entertainment industry. In response, **Hollywood Prayer Network is launching the Exploitation in Entertainment Prayer Call**, a new monthly Zoom gathering dedicated to Scripture-led intercession for victims, justice, and transformation. The call launches Friday, January 9, 2026, and will meet on the first Friday of every month. This prayer call is led by HPN Boston Local Chapter Director Jennie Fournier and is open to those committed to standing in prayer for victims of sexual exploitation, with clarity, compassion, and perseverance. Praises

PRAISE GOD FOR WAKE UP DEAD MAN

We have to rave about the amazing film *Wake Up Dead Man: Knives Out 3* that came out over the 2025 Christmas season. Writer/Director Rian Johnson released his 3rd *Knives Out* feature and it's not only as compelling and well written as the first two, but this one has powerful Christian messages all throughout. We want to acknowledge Rian's honest spiritual journey: From a Christian in his childhood, to "non-religious" now, Rian lays out many powerful Christian truths, is respectful of the Lord, and is forthright about the broken people who taint the message that Christ preaches. HPN is excited about this film that "deepens the mystery" of Jesus and humanity. And we ask you to join us in praying that more filmmakers, like Rian, will bring the truths of scripture into excellent scripts, compelling stories, challenging messages, and moving performances worldwide.

MILES CATON'S GOD-HONORING FIRST SPEECH OF THE YEAR

In his Critics Choice Awards speech, Best Young Actor Winner Miles Caton kicked off the 2026 awards season this past Sunday with a God-Honoring speech. He credited God for his success, stating, "First off, I want to give honor to God. None of this would be possible without my unwavering faith and belief in the plan that He has for my life." We see the significance of this speech at the first aired award show in 2026, and we are excited to see how God is glorified through this bold artist, who knows for whom he creates and performs. We pray that as Miles gave all the glory to God, that other winners of upcoming awards shows will be inspired to do the same!! Here are the other winners of the Critics Choice Awards, which we hope that you will turn into your prayer list.

Requests

PRAY FOR EVANGELINE LILLY

The Marvel Universe star, Evangeline Lilly, age 46, fell while shooting a film in Hawaii and now has brain damage. We want to pray for a miracle healing for her and that she will know it came from the Lord. We believe that 2026 is going to be the year of miracles for HPN and we want to start with Evangeline. May she see God's miraculous healing power in her own life and be changed forever!

META IS BUILDING IN RURAL LOUISIANA

Let's pray for a massive \$10 billion building project on farmland in northeastern Louisiana that Mark Zuckerberg is overseeing, as the new Meta data center to support their state-of-the-art AI. It's a visionary complex that will bring many jobs into Richland Parish, so we want to pray for the plans, the leaders, the employees and the AI that will be generated there. Progress will never stop, so let's not fight it or be afraid of it, but embrace it in prayer, giving it to God, and trusting that He will use it for His glory! And pray God's guiding hand on Mark Zuckerberg as well.

PRAY FOR HPN IN IT'S 25th YEAR

As we step into 2026, we invite you to pray with us for the continued growth, reach, and lasting impact of Hollywood Prayer Network. We believe for meaningful relationships with industry professionals and the prayer partners who stand with them, and

for God to move in ways that are both tangible and far-reaching.

We also want to say this clearly: partners and donors make this ministry possible. Your generosity fuels every gathering, every prayer initiative, and every opportunity to show up for the people shaping culture through media and storytelling. As HPN grows, so does the need for committed partners who believe in the future of Hollywood and want to help shape it through prayer, presence, and provision.

In 2026, we are building toward:

- The continued expansion of our [Professional Discipleship Program](#)
- The growth of our [Vocational Community Groups](#) serving creatives across the industry
- Industry-wide [Resources](#) and Prayer Events that unite and strengthen believers in entertainment
- Our [Hollywood Prayer Breakfast on May 7th](#) - an intentional gathering for Pastors and Ministry Leaders serving the LA creative community
- **The growth of our [Giving Team](#), whose faithful support sustains and advances this work!**

We invite you to pray with us, stand with us, and consider how you might help fuel what God is doing through Hollywood Prayer Network this year!

Thank you for praying with us in the new year. We couldn't be more excited for all that God is doing, all the people He has connected us to and all of the answered prayers. Don't miss this extraordinary movement of God and know that with Him ALL THINGS ARE POSSIBLE. And remember, Hollywood is not Sodom and Gomorrah! It's Nineveh and is being redeemed!

With love,
Karen, Kelry, Myesha and Melody

Quote

"Prayer does not prepare us for the greater work; prayer IS the greater work."

Oswald Chambers

Scripture

"This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears us - whatever we ask - we know that we have what we asked of Him." 1 John 5:14-15

Weekly HPN Devotional: SIMPLICITY

Oh, how complicated and stressful our lives can be! Yet God tells us He wants us to live simpler, more peaceful lives. He MAKES us lie down in green pastures, which shows we're not very good at it on our own. Let's spend this week seeking simplicity in our lives and be free of the things that are weighing us down. He's offering us a simple life. Let's accept it!
