A Movement of Prayer for the Entertainment Industry

Greetings to our faithful HPN Mighty Warrior Attack Sheep,

Happy July! It's beautiful in Southern California and we're celebrating God's handiwork all around us! We're thrilled to announce the launch of our brand-new UPDATED HPN website: hollywoodprayernetwork.org! It's your new hub for all things HPN—including our Blog with Op-Eds from our community to help you become part of the conversation as you intercede with us, and connection to our new APP, which we hope you ALL download now from any APP store. Just type in Hollywood Prayer Network. If you have something to say that encourages prayer for Hollywood, we'd love for you to contribute your voice to our blog: [SUBMIT YOUR INTEREST HERE](#).

Now let's praise God and pray for our industry.

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. But first, let's get into this week's praises and prayer requests! LET'S PRAY!

KELRY SHARED HER TESTIMONY TO
INFLUENCE WOMEN IN NASHVILLE

Our own Kelry Kirschenmann went to Nashville, TN and represented Hollywood Prayer Network in a co-sponsored event with Influence Women Nashville. She spoke to a room of 50 Christian creative professional women and shared her powerful and unique story, including her journey from the streets, to adoption, to jail, to Jesus, to Hollywood!

KAREN & JIM HAD AN INCREDIBLE EXPERIENCE IN FRANCE

We are praising God for what God did for Karen and Jim while they spent a week at an Artists Retreat in Normandy France. He revealed to them two things: What they are doing in Hollywood is right and good! They are following God's plan to pray for,

encourage, uplift and challenge industry professionals to either find Jesus or fully commit to Him while living and working in the global entertainment industry. And secondly, to be free to use more art, creativity and curiosity to inspire and empower industry professionals to discover the abundant life that God has and wants for all of us. Artists are prophets and HPN is committed to unleash God's creativity on all the creative professional artists so that they can fully live out their divine purpose and impact the world through their art. Would you pray with us for this to happen more and more in Hollywood and beyond!

CHRISTIAN INFLUENCER KAI CENAT TOPS THE TIME 100 CREATORS LIST

TIME's list of the 100 most influential creators reveals the cultural voices shaping our generation. Among them are believers—creators like Kai Cenat, Olivia Dunne, Charli D'Amelio, Keith Lee, and Devon Rodriguez—who have spoken openly about their faith in God, their prayer lives, and their positive connection to church. As Christians, we should want to be the best—not for recognition, but for Kingdom influence! So, let's pray for these top creators, 15 of which are Christians! And let's praise God for this new generation of believers who are standing confidently in their faith while at the top of their game in media and entertainment.

SAM HASKELL JR. DIES BY SUICIDE WHILE INCARCERATED

We are saddened to share the news of the passing of Sam Haskell Jr., son of longtime HPN member and friend, and former agent Sam Haskell Sr. We ask our community to join us in praying for Mary and Sam Sr. and the entire Haskell family during this difficult time, so that they can feel God's supernatural love, comfort and miraculous strength. And pray for people to come around them with loving support and care.

SUMMER VIEWING LIST

We're in the middle of the summer blockbuster season, new shows streaming on too many platforms to list and an outpouring of documentaries. Would you pray for the millions of summer viewers who are choosing what to spend time watching. We want media and entertainment to enlighten, encourage and inspire the audience and your prayers are needed to make that a reality. God can open and shut eyes, steer people in a healthier direction and lead them to watch only what's best for them. So, let's pray for the summer viewers in our country and around the world, to be wise in choosing how they spend their time on entertainment. Here is a list of some of the new and talked-about summer shows:

JUSTIN BIEBER DROPS NEW ALBUM

Let's pray for Justin Bieber since his new album that he dropped this past Friday – SWAG – has gone viral. This album, though not outrightly Christian, is a powerful tool that Justin is using to communicate about marriage, mental health, and inner struggle as he navigates the challenges of the industry and adulthood. We appreciate his vulnerability and boldness to express his personal and spiritual journey through his music. We want Justin to experience full breakthrough, healing and joy! Thanks for your continued prayers for this talented young man!

WARNER BROS/DISCOVERY IS SPLITTING IN

TWO

Warner Bros/Discovery announced on June 9th that they have plans to separate the mega studio into two companies. One will be for Streaming and to run the studios, and the 2nd company will be the division to include all of their global cable, Discovery brand and products, and sports Networks. Let's pray for this big shift as they start moving all the pieces, knowing that this will impact jobs, families and the viewers. The split will take about a year, and the changes will be massive in our industry. So, let's pray that as the entertainment industry constantly changes, the Lord will bring in more qualified, solid, visionary, wise, talented Christians into key decision-making positions.

***THE PAPER* IS BEING RELEASED ON SEPT. 5th**

For all you fans of *The Office*, the classic TV series that lasted 9 seasons in the 2000s, the buzz this summer is that it's being followed up by *The Paper*, a new mockumentary series about a Midwestern Newspaper and it's staff. It comes from the same team that produced *The Office*, which was the number one comedy series for years, so Peacock has decided to air *The Paper* on their platform this fall. Let's pray for the writers, directors and actors to seek excellence, great entertainment and comedy for the whole family to watch. Our prayers can make a difference!

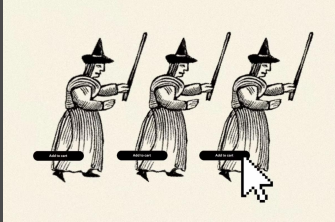

THE FUTURE OF YOUTUBE IS VTUBERS

VTubers, fueled by artificial intelligence, are taking over YouTube. They actually started in Japan in 2010 and now they have taken over in America and around the world. Would you pray that the VTuber named Bloo and many others will be touched by and led by the power of God as they create content and influence their viewers through their images and stories. Read the details here as you pray.

ETSY'S GROWING MARKET OF WITCHCRAFT

**READ
MORE!**

Witchcraft is trending among young adults, with thousands turning to Etsy, TikTok, and Instagram to buy spells for jobs, relationships, and success—treating it as harmless fun. But this rise in subtle spiritual manipulation is deceptive. Pray that God would expose and shut down these counterfeit practices, awaken spiritual discernment, and draw hearts to the true power and freedom found in Jesus alone.

Thanks SO MUCH for praying with us and for us today. We are honored to have you walking with us and want to encourage you to keep praying and believing that God is working miracles in and through the lives of industry professionals all over the world. We'll see you in two weeks!

With love,
Karen, Kelry, Myesha and Melody
