## A Movement of Prayer for the Entertainment Industry

Dear HPN members,

Oh my goodness, It's AUGUST! How does time go by so quickly? I think it's because we are made for eternity and our life on earth is only the blink of an eye. So, let's use this very short time to serve Him, love others, make choices that make a better world, and PRAY, keeping our eyes on heaven.

This month is extra special because all throughout August, we're celebrating 24 years of ministry!! From 3 people praying in 2001 to a global network of 20,000+ intercessors and creatives, HPN has been a place for prayer, friendship, and community both in Hollywood and around the world. We'd love for YOU to be part of this celebration! All month long, we're collecting written and video testimonies of how HPN has impacted you—whether it's deepened your prayer life, built meaningful community, or strengthened your faith in God's calling to Hollywood. Your stories will inspire others to join the mission and remind us of the countless ways God has been faithful over the years!

And – we're not slowing down!! At the end of the month, we'll be sharing a BIG ANNOUNCEMENT about our 25th Birthday party next year, and a full Year of Events in 2026 to mark this milestone!!

With that thought, let's Praise God and Pray....

Don't forget to scroll all the way through this newsletter, where we have exciting

## Praises

### PRAISE GOD FOR OUR GLOBAL CHAPTERS!

We praise God for the 174 Global Local Chapters launched over the past 24 years! From our very first U.S. chapter in **Nashville** to our first international chapter in **London**, and

thriving communities like **DFW** and **Prague**, that faithfully gather for prayer and relationships, each chapter is a testament to God's heart for creatives worldwide. We celebrate the new chapters launched in the past year and look ahead with excitement to our exciting networking event in **Atlanta** on **September 20th**.

### PRAISE GOD FOR HPN COMMUNITY GROUPS

We're praising God for one of HPN's most unique and exciting achievements—our 15 (and growing!) craft, vocational, and special interest community groups for Christians working in entertainment here in Los Angeles. These groups are spaces where believers can encourage one another, pray together, and sharpen their skills in the areas God has placed them. Just this month, we celebrated

the successful launch of our "Praying Producers" group—our *best attended group launch to date!* And there's more to come! We're relaunching our **Actors** and **Tech** groups, and actively preparing for the launch of **Fashion/Beauty**, **Directors**, **Executives**, **Gen Z Creatives**, and **Studio Operations**. Each new group represents another corner of the industry where prayer, collaboration, and Christ-centered community can take root and flourish.

**PRAISE GOD FOR HPN's IMPACT –  
TESTIMONY**

In 2011, I received a call for a special assignment from a top Hollywood movie studio to work with a well known Hollywood A Lister actor. As I was calling to turn down the assignment, before I dialed I prayed. God had other plans. I sensed I was the one called for such a time as this so I accepted the assignment. Years prior, I was teaching voice lessons for professional studio and touring musicians. It was one of these clients that referred me to work in the movie industry. I always saw teaching voice as a calling, mission field and ministry. Yet I could not understand why churches and Christians did not see Hollywood as a mission

field.

When that assignment was over, I searched for ministries who ministered to people in the entertainment business. I went to a church Hollywood and Media conference in which it mentioned Hollywood Prayer Network. I attended a Hollywood Prayer Network event and met Jim and Karen Covell who also have my same heart to reach the Hollywood entertainment industry. HPN has encouraged me as I use my gifts, talents and skills to reach others in the entertainment industry.

I support HPN by attending events, zoom prayer calls and also by giving financially. I encourage everyone to give because you could be sowing into a ministry that is reaching souls in the entertainment industry in Hollywood and globally.

### REMEMBERING OZZY OSBOURNE

Ozzy Osbourne, the world renowned heavy metal singer/front man of *Black Sabbath* and a Christian, died from Parkinson's Disease on July 22nd at the age of 76 in his home in the United Kingdom. Ozzy was diagnosed with Parkinson's in 2019 and it's been a difficult journey for him, so we thank God that Ozzy is now home with Him. But we want to pray for his wife Sharon, his children, friends and fans who will miss him deeply. We also pray that people who read about Ozzy's death will know that he loved Jesus, and that his life eternally influenced other entertainment professionals to seek the Lord.

## HONORING THE LIFE OF

## MALCOLM JAMAL WARNER

We are heartbroken to hear of the passing of Malcolm-Jamal Warner, best known as Theo on The Cosby Show, who died at 54 in a tragic drowning accident while vacationing with his family. A gifted actor, poet, and advocate, Malcolm left a legacy of creativity, compassion, and authenticity. As we grieve, let's pray for peace and comfort for his loved ones, for friends in the entertainment industry to be drawn to the hope of Christ, and for God to continue using Malcolm's life and voice to inspire healing and truth.

## THE ICONIC HULK HOGAN DIES

We're saddened by the passing of Hulk Hogan, legendary Hall of Fame wrestler and actor, who died at 71 from a heart attack while privately battling leukemia. Known for his larger-than-life persona and impact on pop culture, Hogan

inspired generations inside and outside the ring. Let's lift his family—especially his wife Sky and children Brooke and Nick—in prayer during this time of loss, and ask that many people would find peace, comfort, and eternal hope in Christ through this time of reflection.

## PRODUCER LORI McCREARY UNDERSTANDS AI

Producer and HPN member and friend, Lori McCreary, speaks about AI and producer's role and responsibilities with this exponentially growing tool in entertainment. Lori was speaking at a conference in France and laid out the issues, struggles and open doors with AI. She also talks of protecting her business partner, Morgan Freeman's voice and image from being used in AI without approval and how to control that. Let's pray for this powerful tool that is accessible to everyone, but understood by few. Let's also pray for Lori, as a voice of God's wisdom, to help navigate the world of AI in our industry and our world.

## ALEX WARREN, A TIKTOK INFLUENCER

## LOVES JESUS

Alex Warren, at 24 years old, is an outside the box Christian and Tik Tok Influencer and he and his new wife Kouvr, are standing strong against a lot of criticism from both inside the church and inside the industry. Let's pray that Alex and Kouvr fall more in love with each other and with the Lord as he grows in popularity across the globe. And may they be surrounded by solid Christian friends who love them, pray for them, hold them accountable and encourage them. With God, all things are possible.

## TV VETERANS CRAFT NEW YOUTUBE HITS

Let's pray for three visionary producers, Jeff Kmiotek, Michael Zinman and Andrew Watnick, who are unknown to the average TV viewer. They all come out of unscripted TV production and are now producing for YouTube, because it's the platform of the future for entertainment. Jeff, Michael and Andrew figured out while producing *Masked Singer* and *Amazing Race*, that they had to jump into a fresh new format: YouTube. Stats say that "Online creator driven revenue is up 20% from 2024 and is expected to double next year, while TV revenue is expected to increase by only 1%." So, let's pray that Jeff, Michael, Andrew and other producers will have an encounter with Jesus as they create new short-form programming and that they can become positive role models for viewers and all the young creatives coming up into the business. These men are more powerful role-models than we realize.

## RACHEL BROSNAHAN HAD A WITCH REMOVE HER TRAVEL CURSE

Actress Rachel Brosnahan (*Superman & The Marvelous Mrs. Maisel*) recently shared that she believed she was under a travel curse and turned to a witch for help before she went on her *Superman*

Press Tour. Rachel, who plays Lois Lane in the new *Superman*, publicly affirmed her belief in both witches and curses, reflecting a growing trend of spiritual confusion in Hollywood. Let's pray for Rachel—that she encounters the truth and love of Jesus—and for the Christians around her to be equipped to minister to Rachel with power and clarity. We pray that Christians are prepared to handle any spiritual battle that come at us, especially in Hollywood. May we be known as the

ones to come to when someone is afraid, confused, desperate, in trouble or in need.

HPN member and friend Rob Loos wrote and produced a documentary on the infamous Henrietta Mears, who came out of the First Presbyterian Church of Hollywood. We wanted to make it available to all of you since HPN was launched at FPCH and continues to live on campus and minister along with the other Entertainment Ministries there. So here is: *MEARS – How One Woman Changed American Christianity* – With God's help, Henrietta Mears ignited a movement that transformed modern Christianity.
