## A Movement of Prayer for the Entertainment Industry

Dear HPN members,

Welcome to the end of summer! The children are all starting school and we are jumping into a new season of network television shows, a continued slate of cable, VOD, streaming and YouTube programming, and the industry is already revving up for Christmas movies. So, please keep praying for us and with us as we continue to pray for, support, love and encourage both Christians and Pre-Christians in the global entertainment industry. We love you and are so thankful for your prayers and your partnership.

We also want to invite you to consider [GIVING](#) to Hollywood Prayer Network. For 24 years we have stood in Hollywood as a light and a love for creatives, and it's only possible because of friends like you who pray, stand with us, and give! Your generosity allows us to keep building community, resourcing artists, and creating opportunities for God's love to reach the heart of the entertainment industry. And it's tax deductible! Together, we can continue shaping stories and lives for eternity! Would all of you on our praying team also pray about joining our giving team? Thank you for considering. We're so grateful.

Let's pray...

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. But first, let's get into this week's praises and prayer requests! LET'S PRAY!

## HAPPY BIRTHDAY HPN!

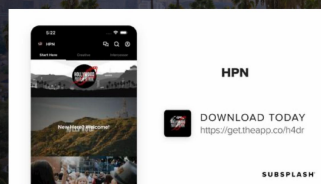

We are celebrating our 24th birthday this month! We started in 2001 asking one person at a time to PLEASE pray for Hollywood. And now, we are in 42 countries with thousands of people praying, meeting, networking, growing and creating together across the globe. Please praise God for all He's done FOR and WITH HPN and know that we are celebrating you!

## DID YOU KNOW ABOUT CINESPIA?

"Cinespia" is an LA organization that screens classic films across the city all year long. Their August film series is located on the grounds of the Hollywood Forever Cemetery, where many of the great Hollywood stars are buried. They screen old classic films outside in the middle of the Hollywood Forever Cemetery where film viewers sit on the ground by the tomb stones, with picnics, and watch the films together under the stars. If you are an LA LOCAL, don't miss the fun...

# PRAISE GOD FOR HPN's IMPACT

## A TESTIMONY FROM AN HPN COMMUNITY GROUP, HOMEBASE

*Three months ago, one of the women, Faith prayed for a new job, a new housing situation, and a new roommate. I was in her prayer group that night. Then at this past Sunday's HomeBase, she told me that she had just gotten a new job, new house, and new roommate – such big answered prayer! And to make it cooler, one of the other women, Steph from our prayer group three months ago – met Faith during that prayer group – and then Steph became Faith's roommate! So not only were Faith's prayers answered, but she literally met the answer to one of her prayers during that prayer group. Go God, right?!*

## A TESTIMONY FROM 1ST MONDAYS PRAYER AND WORSHIP NIGHTS

*I received prayer from 2 HPN Prayer Leaders tonight. They both were totally flowing and God showed up through their prayers. The first prayer leader confirmed a scripture about REST and the second prayer leader prayed for clarity which I was literally speaking with a friend about yesterday! I came rather tired and weak, and I feel like I was strengthened through that time. And the WORSHIP was so wonderful. Grateful for you and the team for putting this on!*

## PRAYERS FOR BRAD PITT AND HIS FAMILY

Let's pray for Brad Pitt as he mourns the loss of his beloved mother Jane Etta Pitt, who passed away on August 5th at the age of 84. She was loved by everyone in her family, including her husband William, Brad, her two other children Doug and Julie, and 14 grandchildren! Jane was a committed Christian and her granddaughter Sydney wrote a sweet post for her after she passed saying how she gave so much of herself to everyone, including Jesus. Jane was formerly a school teacher and became a generous philanthropist. Let's pray for the whole Pitt family as they adjust to life without "Grammy."

## LEGENDARY PICTURES IS MAKING A DEAL WITH PARAMOUNT

Legendary Pictures is in deals with Paramount Studios to distribute all of Legendary's films. They are known for producing *Godzilla*, *A Minecraft Movie* and *Dune*, amongst others, so they are a hot commodity right now. Legendary was partnered with Warner Bros., then moved to Sony and now they are in negotiations with Paramount. Let's pray for CEO and President Joshua Grode and the leadership team of Legendary. Their movies have a powerful influence on our world and so we ask that Joshua makes wise decisions, both with his business partners and with the content of the films they produce.

## PEOPLE TRYING TO BREAK INTO HOLLYWOOD

Please pray for the people trying to break into our business from all over the world. It is such a difficult business to get established in. Would you pray that people of integrity and talent would be given the opportunity to enter the

business and make an eternal difference through their work and their lives. The conversation started in our industry when the LA Times promoted the release of this book, below. From a secular perspective it's got an insightful approach, reminding us that we need to pray for all of the new people coming into this industry which is full of spiritual warfare, fierce competition and temptations.

## DANIEL DAE KIM and *BUTTERFLY*

Pray for Daniel Dae Kim and his new six episode series released today called *Butterfly*. It is part of “the wave of Korean content that is currently sweeping the entertainment industry”, full of intense action and violence. We want to pray for *Butterfly* and other shows that are shooting in South Korea and represent Korean American culture, and for the Lord to bring more Christians onto the creative staff, so that the content will be uplifting, insightful and full of truth, beauty and goodness. And may Daniel Dae Kim feel the presence of God as he executive produces and stars in this new show.

## TAYLOR SHERIDAN CO-OWNS A STUDIO IN TEXAS

Probably the most successful writer/producers in television today is Taylor Sheridan. David Ellison, CEO at Paramount called Sheridan “a singular genius with a perfect track record.” He created *Yellowstone*, *1944* and more. His new show, *Madison*, starring Michelle Pfeiffer, will be shooting on a new studio in Fort Worth, co-owned by Sheridan, Paramount and Hillwood, on 27,000

acres, and is the largest operating studio facility in Texas. Let's pray for Taylor and ask the Lord to bless his creativity, his new studio and his shows, and touch his heart with His unconditional love, peace and hope. What a privilege it is for us to lift up this man whose work is seen across the world.

We want to thank you for praying for us this week. It's amazing how our prayers are touching the lives of people creating our culture and influencing every people group across the globe. It's a big job, but we can do it, with the help and power of the Holy Spirit. And we couldn't do it without all of you!

With love,  
Karen, Kelly, Melody & Myesha
