A Movement of Prayer for the Entertainment Industry

Dear HPN,

It's September! So many of you are getting up earlier now to get your kids to school, And we're all aware of stores full of pumpkins and turkeys. Let's keep our eyes on Jesus this Fall so that we don't miss all that He has for us. And let's keep praying for the people, the projects and the issues in the world's most influential marketplace and mission field – HOLLYWOOD! Don't forget that we love you for praying with us and for us! Let's pray....

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. But first, let's get into this week's praises and prayer requests! LET'S PRAY!

THE "UNKNOWN" USHER

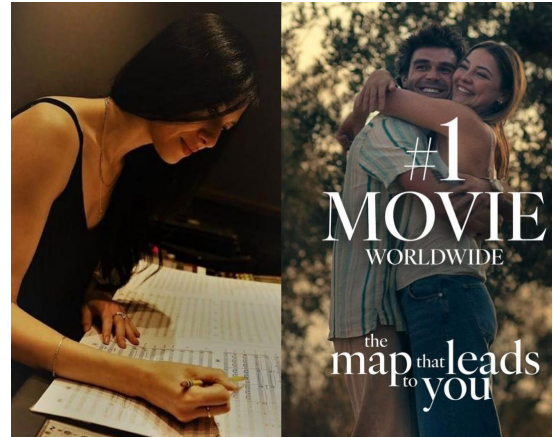

We praise God for people who are sold out to Jesus and make an eternal difference, and yet they never become famous. Here is a beautiful video of an unnamed tent revival usher, who helped the teenager, Billy Graham, find the Lord! Let's remember to pray for the "unseen" and unknown heroes as we pray for the most famous people in the world. It's often the total

unknown yet obedient person who can change more lives than any celebrity can, or change the life of that celebrity! Watch and be inspired.

COMPOSER SARAH TREVINO

We are overjoyed to celebrate the incredible life of our longtime HPN member and cherished friend, composer Sarah Trevino. This past August, Sarah's hard work and creative excellence shone brightly as the film she scored, *The Map That Leads To You*, rose to the #1 film on Amazon Prime. Sarah's dedication as a composer has borne remarkable fruit—her music can be found on hundreds of tracks, major national brands, and the professional libraries of Universal and Elias Arts. We praise God for the way He continues to bless Sarah's gifts but also for her life as a sold-out follower of Jesus and a faithful and loving friend to everyone she's with. Please join us in praying for Sarah's continued professional, spiritual and personal journey, and that her music and life will continue to carry the beauty and light of Christ into the world.

PRAY FOR INDIE FILM MAKERS IN CA

In this season, creatives who feel called to tell stories are struggling to find work, moving away, or leaving the industry altogether face challenges. Our friend, director Jeff Deverett, reminds us that this is a real crisis for independents, and he tells us why! As we hold fast to the truth that God is our ultimate provider, let's pray for new opportunities, fresh provision, and renewed courage for independent filmmakers in California. We pray that their art would shine light and bring hope and transformation to Hollywood and beyond.

VENICE FILM FESTIVAL HIGHLIGHTS

[READ MORE](#)

The Venice Film Festival has launched many of the films and stars that will shape this year's awards season, from Guillermo del Toro's *Frankenstein* to new projects by acclaimed international directors. As these stories capture global attention, let's pray for the actors, filmmakers, and creatives behind them—that they would encounter Jesus in their journey, steward their influence wisely, and create work that reflects truth and beauty. May this season in cinema open doors for deeper conversations about faith, identity, and the power of storytelling.

NEW CAST MEMBERS JOIN SNL

In the midst of upset regarding multiple SNL cast members departing or being cut from the cast, several fresh faces are joining the cast. Please be praying for

Ben Marshall (who joined SNL writing team in 2021), and newcomers Tommy Brennan, Jeremy Culhane, Kam Patterson, and Veronika Slowikowska. SNL is kicking off it's 51st season, and we want Christian writers, comedians, and production team members to show up, shine and have an impact on set and during filming!

PRAY FOR LIL NAS X

Let's pray for rapper/performer Lil Nas X. He was found wandering the streets of LA, confused and in need of medical help. He is now released on bail, facing 4 felony charges. We are not certain what caused this episode of behavior, but mental health issues among artists are a huge problem in our industry, and we pray for artists to find Jesus, and receive the help they need!

PRAY FOR RICK SPRINGFIELD

Let's pray for Australian-American Grammy Award-winning singer, whose 1981 hit "Jessie's Girl" put him on the map. A friend went to a live Rick Springfield concert just a couple of weeks ago and wrote in asking for us to pray for Rick. He was talking at the concert about his chronic depression and his journey with drugs. And Rick was drinking beer during his performance on stage. It made our friend so sad that I said we would pray for Rick to find the love, hope, peace and joy of the Lord. In the following article Rick admits: "... I'm not averse to anything that helps me be happier and a better person. I could use some help in that area. I'm always searching."

LIFETIME HAS OPENED A FAITH DIVISION

Let's pray for the leaders at the Lifetime Channel who lead their new Faith Division. They are choosing projects to meet the Christian audience and we are thrilled about that, but we want them to use wisdom, discernment and an understanding of Christian content as they plan their slate of films. As you pray, read through their plans here...

Thanks so much for praying with us and for us in Hollywood. We hope you have a fabulous September and know that we are always here for you for prayer, encouragement and insight into what God is doing in Hollywood!

With love,
Karen, Kelry, Myesha and Melody

Quote

"I still believe that standing up for the truth of God is the greatest thing in the world. This is the end of life. The end of life is not to be happy. The end of life is not to achieve pleasure and avoid pain. The end of life is to do the will of God, come what may."

-- Dr. Martin Luther King, Jr.

Scripture

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect."

-- Romans 12:2
