A Movement of Prayer for the Entertainment Industry

Dear HPN members,

We recognize that our nation is in a deeply polarized moment, and for that very reason we want to be clear about the heart of Hollywood Prayer Network. **Our mission is simple: we lift up prayer requests and encourage conversations about Jesus and the Entertainment Industry.**

There are countless prayer networks faithfully engaging with the political sphere, but **HPN is uniquely devoted to interceding for storytellers, content creators, creative professionals, and the business leaders of entertainment.** We often say we are like a “specialized dry cleaner” rather than a “general laundry.” Washington, D.C. may be the global seat of power, but Hollywood is undeniably the global seat of influence!

Artists are today’s prophets, shaping the way the world sees itself through story, image, and song. That is why your prayers matter so deeply for the people, the projects, and the issues within arts, media, and entertainment. We are honored to be a diverse community that gathers around this calling, and we are grateful to have you standing with us in prayer for those who shape culture and imagination across the globe!

Don’t forget to scroll all the way through this newsletter, where we have exciting news in our **FEATURES** section. **SPECIAL ATTENTION:** We are Launching a GenZ Fellowship and Fashion Fellowship Group! Fill out the interest forms to join!

HPN EVENTS IN DALLAS & ATLANTA WERE GREAT SUCCESSES

We had two amazing HPN events last week-end in both Dallas, TX and Atlanta, GA and we praise God for the hundreds of people who attended both events, celebrating their faith and their creativity together in vital communities! Karen and Jim had a wonderful time in Atlanta with that incredible family and Dallas was packed with loving creatives!

Our Dallas and Atlanta Chapters want to add members to their amazing leadership teams. Do you have a passion for prayer and Hollywood, love bringing people together, assisting with admin needs, or event planning? Let us know!

To find out more about being on either city's leadership team or to join the Dallas chapter, email us at info@hpnewsletter.org

HKM FAITH, SEX & MARRIAGE

This past weekend, our Faith, Sex & Marriage event was nothing short of a Holy Spirit mic drop. A FULL HOUSE of singles packed the room, hungry for truth, encouragement, and community—and the Lord showed up powerfully!

We praise God for our incredible speakers—Mia Fieldes, Joren Dunnavant, Ted Chen, Hiram A. Murray, and Jessica Oyelowo—who poured out wisdom, built up faith, and didn't shy away from tackling the struggles singles face every day. Their hearts to serve

the Christian creative singles of LA was evident, and their words left all 200 people both convicted and deeply encouraged.

From start to finish, the day was a reminder that God cares about every detail of our lives—including our desires, our relationships, and the pursuit of holiness. To Him be all the glory for what He has begun and what He will continue to do through this community.

JIMMY KIMMEL TALKS ABOUT JESUS

We want to praise God for late night talk show host Jimmy Kimmel, who told the world in his monologue last week that he follows the teachings of Jesus and if everyone would do that it would be a better world. He cried as he talked about how moved he was that Erika Kirk forgave her husband's killer and the clip went viral. Praise God for Jimmy's heart as you watch this powerful clip.

TIM ALLEN FORGIVES HIS FATHER'S KILLER

We praise God that after Tim Allen heard Erika Kirk forgive Charlie's assassin, he was able to forgive his father's killer from decades ago. It's so exciting to see the Lord moving in Tim and Jimmy's hearts and the hearts of so many industry professionals. And we praise Him for what He's doing in our Hollywood community and for reminding us of the incredible power of forgiveness!

HPN IOWA AUTHOR, MARCUS EMERSON

Meet HPN member, Marcus Emerson, who lives in Iowa and is making an eternal difference through writing books in the Middle Grade genre. His three book series are: The *Kid Utuber* series, *The Super Life of Ben Braver* and *Diary of a 6th Grade Ninja*. We want to pray for Marcus' eternal significance and impact to young people through his writing and through his life, and for so many others who are using their gifts and talents to make the world a better place!

ENTERTAINMENT PROFESSIONALS NEED

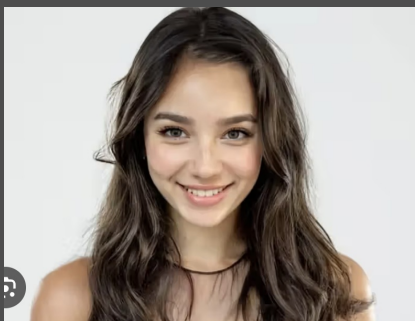

WORK

Would you keep praying for entertainment industry professionals who are struggling with getting work? Karen was just in Atlanta, GA and though the sound stages and production facilities have grown so much there that they now have more square footage of soundstages than California, the professionals in

Georgia need work. We would love to have you pray with us through 1 Corinthians 9:7 that tells us that soldiers should not have to pay to work. We believe that the Lord will supply for each one of us financially through His manna. So, please pray for Christians who work in entertainment to be able to make a living and be paid for their work, not to work for nothing, pay to work, or not work at all! Let's pray through this verse as we pray for the unemployed in the entertainment industry. "Who serves in the military at his own expense? Who plants a vineyard and does not enjoy the grapes for himself? Who would nurture and shepherd a flock and never get to drink its fresh milk?" 1 Corinthians 9:7 TPT

AI "ACTRESS" SPARKS CONTROVERSY

Hollywood is grappling with backlash to AI-generated actress Tilly Norwood, as creator Eline Van der Velden insists the character is "not a replacement for a human being." Let's pray for studio leaders, guilds, and technologists to pursue innovation that protects human creativity, fair labor, and truthful representation as AI tools advance. And pray that Christian creatives in this moment lead with wisdom, courage, and grace—advocating for dignity, transparency, and the flourishing of real people across our industry. Quote

"God himself does not give answers. He gives himself."
-- Frederick Buechner

Scripture

"And he said, 'My presence will go with you, and I will give you rest.'"
-- Exodus 33:14

Weekly HPN Devotional: REST

The word rest is used throughout scripture to show God's love, peace and comfort. God is very strong and very clear on wanting us to have a day of rest. He commands us to observe the Sabbath and He even tells us that His Holy Spirit rests on us. How good are you at resting?
