A Movement of Prayer for the Entertainment Industry

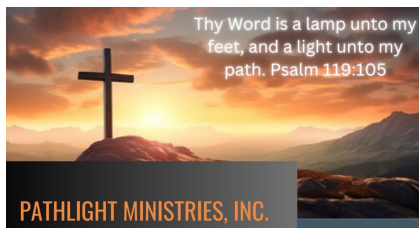

Dear HPN Family,

What a powerful month for all of us to be praying for Hollywood! *World Mental Health Day* was on October 10th, and it reminded us how many artists quietly carry heavy emotional and spiritual burdens. Let's be intentional to pray for rest, resilience, and renewal for every creative who feels weary on their vocational and spiritual journeys!

As Halloween approaches, we encourage our HPN family to keep our eyes open for divine opportunities to share the hope and light of Jesus with those around us who are seeking truth, as we pray against witchcraft and occult practices that seek to influence our culture.

Lastly, we're kicking off **21 Nights of Thanksgiving**, from NOVEMBER 1st – NOVEMBER 21st, believing for miracles, breakthroughs, healing, and revival in Hollywood! For three weeks, we'll gather every night from 7–8 PM PT on Zoom to lift our PRAISE & THANKS to God, knowing that there is power in Praise and Prayer! Join us as we praise our way into Thanksgiving, asking the Lord to move beyond what we could ask or imagine! [SIGN UP NOW](#) TO JOIN THE 21 NIGHTLY ZOOM CALLS!

But first, let's get into this week's praises and prayer requests! LET'S PRAY!

PATHLIGHT MINISTRIES

We want to celebrate a partnering ministry that is incredibly generous to HPN both in prayer and support. Pathlight Ministries, Inc., led by Robert and Madelyn Maine, is a loving ministry out of

Newhall, California that was founded in 1987 to spread God's word and provide outreach services to anyone in need. With love gifts, the Maine's have been able to assist thousands of underprivileged and disadvantaged people all over the world with food, water, shelter, housing, education, medical care, prayer, and most of all, the love of Jesus. Robert and Madelyn have a heart for all people in the entertainment industry and know how difficult it is to live the life of an artist in our culture. So, we honor them, thank them, and pray for them as they make an eternal difference. Check out their website as you pray blessings over them!

PRAY FOR BROADWAY

We want you to know that NYC's Broadway is a part of our Hollywood Prayer Network. Theatre is an important art form and many performers, producers, and directors work in all mediums: Film, TV, Music and Theatre. So, if you are a theatre buff, be sure to pray through **THEATERMANIA**, a website that lists shows, posts articles about the people on Broadway,

and updates us on what's happening. And a news update: HPN is coming to NYC December 6th and we want to gather all of our HPN creative professionals there for a night of encouragement prayer and connection. If you would like to be there just click [HERE](#) for more info!

PRAY FOR LOVED ONES OF DIANE KEATON

We lift up Diane Keaton's family, friends, and every person mourning her death this week, giving thanks for her profound contributions to film, artistry, and the cultural tapestry of Hollywood. May God's comfort surround those grieving her absence, and may He bring them a peace that transcends understanding. We also pray that in remembrance of Diane's life that was widely admired, many people would turn their hearts to Christ, recognizing that legacy is eternal when rooted in the

salvation and hope found only in Jesus. In her memory, may we proclaim boldly the gospel's power to redeem, restore, and inspire beyond this life.

VOGUE WORLD: HOLLYWOOD + Adorned Fashion Fellowship

As Vogue World arrives at Paramount Studios this month, we invite prayer for divine encounters and holy influence among the artists, designers, and visionaries gathering from fashion, film, and media. Pray that God's presence would rest upon the event, and empower His people to bring light, beauty and

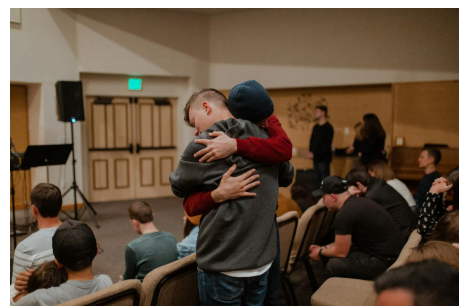

creativity into a culture that shapes global identity and fashion standards. Join us in praying for the launch of Adorned Fashion Fellowship, HPN's new initiative uniting fashion professionals in prayer and purpose, debuting November 9. May this new community serve as a radiant expression of faith, artistry, and calling within one of the world's most influential industries: Fashion.

HAVE YOU INVITED A SEEKING FRIEND TO CHURCH?

According to *RELEVANT Magazine*, 80% of non-believers would attend church if simply invited – reminding us that many are just waiting for someone to reach out, love them, and invite them to church.

Let's pray for Christians in Hollywood to be filled with courage and compassion to share their faith openly, both on and off the screen and to invite their friends and co-workers to come to church with them! As Jesus said in *Mark 16:15*: "Go into all the world and preach the gospel to all creation." May our words and lives spark curiosity, conversation, and ultimately transformation in an industry hungry for truth and hope. And may we boldly take opportunities to share about Jesus and include others into our lives.

MENTAL HEALTH FOR ARTISTS

Across Hollywood, countless artists quietly wrestle with anxiety, depression, and burnout while trying to create beauty for the world. As the pressures of performance and comparison weigh heavy, we pray for God's healing

presence to touch their minds and hearts. May the Church rise to offer empathy, prayer, and tangible care. Join us in praying for HPN's upcoming mental health gatherings, Stress-Resiliency Mastermind for Creatives and Artist Wellness Workshop; that these spaces would become lifelines of hope, conversation, and community for creatives who need to know they're not alone. Don't miss what HPN is offering this month.

APPLE TV HAS DROPPED THE + IN ITS NEW BRANDING

Let's pray for the many and confusing changes that corporate Hollywood is making these days. In a new branding for APPLE TV+'s SVOD (Subscription Video On Demand) service, they have dropped the +, so it is now just APPLE TV. However, it gets confusing because APPLE TV is also a connected TV device, like a SMART TV, to receive direct streaming services. So, sometimes we are going to watch APPLE TV on our APPLE TV! We pray for more simplicity, less competitive marketing between services that causes chaos, and less expensive choices for today's viewers.

Weekly HPN Devotional: ANXIETY WORRY

God tells us over and over again in His Word that we are not to worry, we're not to feel anxious, and yet we struggle with it

every day. If we could truly trust God to give us wisdom, guide us in our thoughts and conversations and have the faith to let Him take care of the details of our life, we would feel freedom and joy, despite our circumstances. Let's try to master a sense of peace by giving our anxiety and worry to Him this week!
