A Movement of Prayer for the Entertainment Industry

Dear HPN Family,

Happy November – the month of Thanksgiving! We're so excited to invite you to join us for **21 Nights of Thanksgiving**, happening *right now* on Zoom *every evening* from 7–8 PM PST. Each night, believers from across the globe are gathering for an hour of gratitude and praise leading into Thanksgiving. We'd love for you to be part of it – join us for one night or all 18 nights that are left. It's already been powerful with our growing community of pray-ers!

☐ **[SIGN UP HERE TO JOIN THE NIGHTLY CALLS!](#)**

As we step into this season, let's be intentional about having a heart of gratitude – thanking God daily for His goodness, and thanking the people around us for their friendship, kindness, and prayers. Together, we can shift the atmosphere of our city and our industry by filling it with thanks and praise.

Don't forget to scroll all the way to the bottom of the email for amazing events and exciting announcements – including what's coming from HPN in 2026!!

Let's be known as a people of praise, overflowing with gratitude, especially this month. Now, let's lift our hearts and pray...

Praises

THE "RESURRECTION" OF THE BEAST WAS DRAWN BY A CHRISTIAN!

We praise God for thoughtful Christians in our industry who are creating works of art that reflect the heart of God. We praise Him for Glen Keane, a committed Believer, a friend of HPN, and one of the world's great animators, who created the "resurrection" of The Beast in *Beauty and the Beast* out of his love for Jesus and His resurrection. The world is a better place because of the Christian storytellers in our industry, so, let's praise Him! For more information on what inspired Glen to draw The Beast click [here](#).

THE INDUSTRY IS NOT DYING, IT'S DIVERSIFYING

We want to encourage you with a positive perspective on the state of our industry in California and in the world. There has been great doom and gloom about losing work in California; no tax incentives, professionals shooting in other states, and countries and people moving away from our business and city. Will you pray that the Lord brings HOPE to the people who are looking for work as you read this hopeful, uplifting perspective on the state of our industry and for California! We want you to see what's happening through God's eyes.

HPN FRIEND LINDA SEGER NEEDS OUR PRAYERS

Our dear friend and HPN member, Dr. Linda Seger is struggling with cancer. Because it has spread to her liver she is going through a new treatment that specifically targets the cells. Linda says: "I keep a good attitude and I nestle with God and I have no problem with any of God's decisions with me. But prayers are always helpful!" Let's pray for this mighty former

industry professional, Creative and friend, and ask the Lord to do a miracle in her life! If you want to send her a word of encouraging email it to info@hpncemail.org.

MSNBC IS SPLITTING FROM NBC NEWS

MSNBC is in the process of changing its name to MS NOW which stands for “My Source For News, Opinion, and the

World.” The split is a result of MSNBC's move from NBCUniversal's parent company, Comcast, to a new entity called Versant, and MS NOW will no longer use the NBC peacock logo. Let's pray for these major changes in our nation's news that take place on November 15th, as they hire and fire people and promote the new branding. Everything on the news impacts our lives and the different narratives that we hear as viewers, and only our prayers can bring unity, truth and beauty to our country.

AFM RETURNS TO SANTA MONICA

The American Film Market is returning to Santa Monica this year after a very poor turn-out in 2024's market in Las Vegas. So, from Nov. 11 – 16 this international Film Market will be at the Fairmont Century City Hotel for the week. Let's pray for the buyers, sellers, promoters and producers to experience the love, peace and wisdom of God as they hustle to get their films produced and distributed.

LARRY & DAVID ELLISON – FATHER/SON POWER PLAYERS IN MEDIA

Larry Ellison and his son, David Ellison, now stand among the most influential figures in global media, with their recent acquisitions shaping the

future of film, television, technology, and social platforms. Their leadership touches what the world sees, hears, and engages with every day. Let us pray for wisdom to guide their decisions, for integrity to shape their influence, and for a meaningful encounter with God that draws their hearts toward what is good and life-giving. May their leadership bring clarity, creativity, and positive impact to the industry and to the culture they help shape.

DALLAS JENKINS ENCOURAGED AT HIS LOWEST POINT!

Let's take time in the month of Thanksgiving to pray for all the artists in Hollywood and around the world who feel like failures and want to give up, but the Lord has better plans for them. We don't know our future, but God does. So we have to seek Him and trust Him. Watch this interview with Dallas Jenkins, the creator of *The Chosen*, who was at the lowest point of his career when the Lord asked a stranger to send Dallas a short message to encourage him – and it changed Dallas' life. And be sure to thank the Lord for Alex!

PRAY FOR THE PEOPLE IN JAMAICA

Prayer requests and updates from our HPN Member Chaplain, Pauline:

"In the aftermath of catastrophic Hurricane Melissa, the people of St. Elizabeth Parish and communities across Jamaica are facing unimaginable devastation. Approximately 95% of houses and businesses have lost their roofs, and many homes are completely destroyed. Several churches, including one formerly

pastored by my father, Rev. Frederick Dawkins, have been severely damaged or wiped out entirely. Farms have been decimated, leading to growing food scarcity, and many families have lost everything. Children are traumatized and afraid, and drinking water is unavailable in many areas. Rivers have overflowed their banks, cutting off access to several communities, and the death toll continues to rise across the island. There are truly no words to adequately describe the devastation and the many dire situations unfolding. Thank you for your continued prayers for Jamaica ☐☐ and the Caribbean." Pauline

MEL GIBSON'S FILM *THE RESURRECTION*

Continue to pray for Mel Gibson and the team producing *The Resurrection* as the sequel to his 2004 film *The Passion of The Christ*. Mel announced that Jim Caviezel will not play Jesus in this film, but it will be played by Finnish actor Jaakko Ohtonen. Let's pray for this story to change people's lives as they watch the story of Jesus's resurrection in movie theatres all over the world.

Thank you so much for praying with us and for us this week. There are continuing changes, merges, sales, salvation, deaths, joys and sorrows in Hollywood and yet your prayers are making an eternal difference in touching the lives of our world's storytellers. We are SO THANKFUL for all of you! We send this with our hearts full of gratitude and pray that yours are too!

Quote

"I still believe that standing up for the truth of God is the greatest thing in the world. This is the end of life. The end of life is not to be happy. The end of life is not to achieve pleasure and avoid pain. The end of life is to do the will of God, come what may."

-- Dr. Martin Luther King, Jr.

Scripture

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect."

-- Romans 12: 1-2

Weekly HPN Devotional: FAITHFULNESS

What do you think of when someone says to be faithful? Having integrity, being a person of your word and honoring God. We'll look at the definition and God's Word to focus on how to be a faithful person. God tells us that if we are faithful we will "end well." *Karen Covell*
