A Movement of Prayer for the Entertainment Industry

Dear HPN members,

It's almost Thanksgiving so we want you to know how thankful we are for you. We thank the Lord for every single person involved with HPN and we pray for you to feel God's pleasure, His comfort, wisdom, discernment, abundance and love! Let's pray this week through this Call Sheet with an attitude of PRAISE and THANKS!

Would you consider your END-OF THE YEAR GIVING to go towards HPN? We are so grateful for our prayer warriors and our donors, and we would love to challenge you to pray about joining our giving team. HPN is seeing such growth, changed lives and opportunities, and there are so many open doors ahead for us. So, would you help us to make more of an eternal impact in our creative Hollywood community? It would mean more to us than we could express, but we know you will see that your gifts are being used for supernatural changes on the people, the projects and the issues in Hollywood: the world's most influential marketplace and mission field. Thank you for being a part of HPN!

PARAMOUNT CHIEF, DAVID ELLISON, INCREASES FILM PRODUCTION

Just when we thought people were no longer going to the movie theatres, Paramount Studios announced that they have upped their number of theatrical releases annually, starting in 2026, to at least 15 feature films. This comes right after our last Call Sheet prayer request regarding the purchase of Paramount by the father and son team, Larry and David Ellison. His first 100 days at Paramount produced a whirlwind of ideas, changes and plans. Let's continue praying for the Lord to impact David and his team as they rework the studio, its employees and their creative projects.

THE GRAMMYS HAVE NOMINATED 17 CHRISTIAN ARTISTS

Capitol Christian Music Group (CCMG) just announced 17 total nominations for the 2026 GRAMMY Awards, celebrating honorees in five categories of Christian music: Best Gospel Performance/Song, Best

Contemporary Christian Music Performance/Song, Best Gospel Album, Best contemporary Christian Music Album and Best Gospel Roots Album. It's exciting to see the acceptance of Christian music in the Grammys, and we Praise God that 17 of the nominees are Christian artists. Would you be praying for these nominees and ask the Lord to touch their lives with a hope that will not disappoint them. Music is an international language of the soul and we want all of the artists coming to the Grammys to know that these artists' songs come from Him! The 2026 GRAMMY Awards will be held at the Crypto.com Arena in Los Angeles on Sunday, February 1, 2026, and will be broadcast live on CBS and on Paramount+.

ISOLATION IS AS DEADLY AS SMOKING 15 CIGARETTES A DAY

We want you to pray for the three greatest weapons of the enemy against artists. We are all attacked by Isolation, Discouragement and Fear. The Surgeon General discusses a recent study that came out that says Isolation is just as deadly for a human being as smoking 15 cigarettes a day! Read this article as you pray for Christians to see the spiritual battle of loneliness, push through it, and help others around them to push through it as well. This is why HPN builds community in Hollywood, because community stops Isolation, Discouragement and Fear!

SONNY SANDOVAL LOVES JESUS

American singer and rapper Sonny Sandoval, of the nu metal band P.O.D., understands how people don't embrace organized religion, or have walked away from God because of being hurt by the church, but he will never turn away from Jesus. He is a radical musician who is sold out to his Christian faith and we are grateful to him for his boldness and deep conviction. Would you please pray that Sonny is empowered to keep standing firm, to having open doors to share his faith with the people around him, and to be a role model for professionals in Hollywood who love Jesus but might be afraid to talk about Him! Sonny needs our prayers of encouragement!

IRELAND'S RTÉ HIRES A CHRISTIAN TO PRODUCE WORSHIP SERVICES CONTENT

HPN friend and member Liam McGrath, owner of Scratch Films, has been hired for a three year contract with RTÉ, Ireland's National TV & Radio Broadcast, to produce Christian Worship Content for national programming. Liam asks us to pray for his team over the next 36 months as they shoot worship services all over Ireland.

They will also be recording testimonies of believers to be aired with the worship services broadcasts via the RTÉ Player. And pray for the leaders of Ireland's TV and Radio stations to be touched by God while they promote these worship services. May it start a revival all over their country.

ANTHONY HOPKINS IS ASKING THE TOUGH QUESTIONS OF LIFE

In a podcast 3 weeks ago, Anthony Hopkins talks about how he had a spiritual epiphany on a drunken drive over 50 years ago. From being an alcoholic to hearing God's voice deep within him, he knew it was time to change his life. He likes to be called Tony, so we ask that you pray for Tony, at 87 years old. As a child in Wales, he was called "Dennis the Dunce", and now he is a respected world renowned actor and personality. We ask that Tony fully experiences the deep love of God as he looks back over his life. He knows God and we want him to experience all that Jesus has for him!

SYDNEY SWEENEY

Sydney Sweeney, at 28 years old, is currently the 6th most famous name in Hollywood on IMDb. Let's pray for Sydney, who is most known for her very controversial roles in the TV series *Euphoria*, *The Handmaid's Tale* and *The White Lotus*, and her more recent very politically disputed commercial for American Eagle jeans. We want her to experience the unconditional love, peace, joy and hope that only Jesus gives and that she finds her identity in Christ and not her global fame.

LIVE ACTION *MOANA* IS IN PRODUCTION

Disney just released the first Trailer for their live-action version of *Moana*, starring 17 year old Catherine Laga'aia and Dwayne Johnson. It marks the fastest turnaround of barely 10 years – between an animated Disney film's original release and the live-action remake. Let's pray that this film is a family favorite and that it will bring joy to children and families all over the world when it's released in July, 2026.

Quote

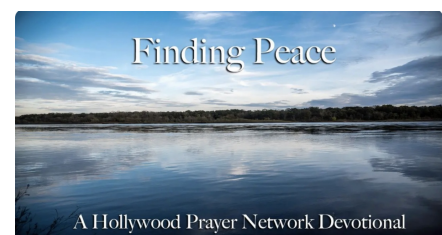

"If you have ever been on a coast in a storm and seen the waves come in and hit the rocks, sometimes the waves are so large that they cover a particular rock, and you think, 'That is the end of that rock.' But when the waves recede, there it is still. It hasn't budged an inch. A person who feels the 'peace that passes understanding' is like that. No matter what is thrown at you, you know it will not make you lose your footing."
-- Timothy Keller

Scripture

"And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."
-- Philippians 4:7

Weekly HPN Devotional: PEACE

PEACE is an emotion we all hunger for, and yet is so difficult to attain, especially for long periods of time. Join us this Thanksgiving week as we seek PEACE in our daily lives, in

our decisions, and in our relationships. May you find God's PEACE that surpasses our understanding as you spend time with Him.
