PHOTO/VIDEO RELEASE

Throughout the school year, there may be times when CCCA staff, the media, or other organizations, with the approval of the school principal, may take photographs of students, audio/video of students, or interview students for school-related stories. Those photographs and/or audio/video images or interviews may appear in publications; in video productions; on the Web site; or in the news media. I hereby give permission to CCCA to use my child's photograph and/or audio/video image for the purposes mentioned above. I understand and agree that CCCA may use these photos and/or audio/video images in subsequent school years unless I revoke this authorization by notifying the school principal in writing. I also give CCCA permission to allow my child to be photographed, recorded via audio/video, or interviewed by the news media or other organizations for school-related stories or articles.

STATEMENT OF FAITH

I have read and understood the school Statement of Faith, in the Student Handbook, and the impact it will have on my child's education. I agree to my child learning the lessons of the Holy Bible and understand that each student will be individually educated using their own unique abilities and personalities to live and work with others at home, in the church, and our changing society.
