West Shore School District provides yellow bus service for students Kindergarten through 8th grade within a 10 mile radius.

If you are not sure about your plans for next year, please request bus service. It is easier to remove a student from the bus roster than add them later. Bus requests received late take several weeks to set up and may not be available for the beginning of the school year. The local school districts set up bus stops and times and give CCCA deadlines for our requests. **If you are planning to move during the school year, please let us know in advance of your move.** CCCA can request your transportation ahead of time and hopefully have a bus at your new location upon your arrival.

If you have any questions, please contact pastor Bill McCann, Principal, at 717-980-5514 or academy@ccharrisburg.org.

Thank You!
