### About the Riverside County Suicide Prevention Coalition (SPC)

The SPC is made up of eight sub-committees and workgroups that focus on goals and objectives to eliminate suicide deaths and suicide attempts and increase resources, support and education in Riverside County. The work focuses on prevention, intervention and postvention (for those who have suffered a suicide loss). Additionally, the SPC offers a variety of free workshops and training to help members of the public learn when someone may be at risk of suicide and how to help.
