Prayers for our Nation and the World – Peace! Pastor Misty has helped us embrace the Homecoming season and we welcome our winter residents back home. We see the way that our Lord designed the earth to bring forth the Harvest. We give thanks for a good harvest, and we celebrate a new Farmers Market on Saturday and continuing every Sat. until May. We look forward to celebrating Halloween with Trunk–n–Treat, and remember All Saints Day. We gather for Thanksgiving to spend time with friends and loved ones and extended family. May we see changes in the season as we gather together and share in the work that will bring comfort to those who need shelter, food, jobs, education, grief support, health care, help centers for drug or alcohol abuse, mental health and any other challenges that make life feel hurtful. We give thanks for all the churches who help to show God's love to their communities. We pray that each community *in the world* will remember the celebrations that bring people together with peace and goodwill toward each other.
