Prayers for Fall and Thanksgiving: We give all thanks for our God is always near, providing for us and drawing us closer to Him and to one another. May we take time in the coming month to connect, serve and show the love of Christ to our neighbors. This is a time where we gather together with fellow church members to volunteer at a local food bank, to think ahead for those who are experiencing food insecurity, and prepare for those in the community who are in need of support. Just as the harvest season brings abundance, let us gather in joy and gratitude, knowing that we too, are part of God's harvest in this world. We are grateful to live in a community who join with other people of peace and want to help provide for the needs of others. May our ministries in providing the basic necessities of life bring a new community sense of feeling loved that sparks new hope for this season of Thanksgiving with joy and peace.
