

New Song Notes

**July 2025
Issue 7**

Do you ever find yourself automatically responding to others? It is almost like your brain has the automatic email response you can schedule. “I will be gone on vacation until July 30th. I will get back to you after that.” Except, it isn’t just about spacing out, and not being present, for me it is about a behavior or saying that is so ingrained in one’s life that the two are associated. These sayings for me have been like the Pavlovian response. My automatic replies have more to do with hearing someone else’s automatic replies for so long, that they are mine. Need an example?

In my home growing up, whenever something fell and made a loud noise my father would yell “save the pieces!”

When someone would say “I’m going to run to the store,” my father would reply “why don’t you walk instead?”

More recently my father began responding to “I’m going to use the restroom” with “don’t fall in! ... and if you do, don’t pull the lever!”

To be honest, these sayings get annoying when they keep coming up over and over again, but then at some point they stick. I will never get my Dad’s comments out of my mind whenever someone says those words.

I think Jesus meant for this automatic response to happen whenever we ate bread and drank (wine or juice... or water!) I think we were meant to remember Jesus and his saving acts at all meal times. I believe that even something like that, something that gets to be so ingrained in our daily behaviors will bring us comfort when we need it.

Perhaps that is why we say the Lord’s prayer every Sunday. Perhaps that is why the liturgical (church season) calendar is so important. We celebrate Easter and Christmas every year, so we can associate those most important things about God and God’s love on a yearly basis and have them laid on our hearts.

(Pastor's Message - cont. from pg 1)

The following verses remind us to keep God's messages close.

Hebrews 8:10 (similar to Jeremiah 33)

For this is the covenant that I will make with the house of Israel after those days, declares the Lord: I will put my laws into their minds, and write them on their hearts, and I will be their God, and they shall be my people.

Proverbs 3:3

Let not steadfast love and faithfulness forsake you; bind them around your neck; write them on the tablet of your heart.

These repeated messages reinforce why John Wesley told us to do communion as often as we could. This is why you will hear me preach about love so much. I want you to know that "God is love" so well that it's written on your heart.

Many people choose to memorize scriptures and have different methods of doing that. What ways do you practice and train yourself to know God and what is important to God? Share with me any practices you have that have helped you!

Blessings Always,
Pastor Misty Howick

“Oh! Thank you, God, for a lovely day. And what was the other I had to say? I said “Bless Daddy,” so what can it be? Oh! Now I remember. God bless Me.” ~ A.A. Milne

Health as defined by the World Health Organization is “a state of complete physical, mental, and social well-being.” The purpose of Men's Health Month is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys.

Statistics show that men's health is at great risk. On average, men die almost 6 years younger than women and suffer higher mortality rates for the top causes of death. Currently, men are dying an average of 5 years younger than women and lead 9 out of 10 of the top causes of death.

Men have a higher suicide death rate than women. Men account for 92% of fatal workplace injuries. Men do not see physicians for a physical exam as often as women and men are more likely than women to be uninsured.

ACHIEVING HEALTH

Make Prevention a Priority. Many health conditions can be prevented or detected early with regular checkups from your healthcare provider. Regular screenings may include blood pressure, cholesterol, glucose, prostate health and more.

Eat Healthy. Start by taking small steps like saying no to super-sizing and yes to a healthy breakfast. Eat many different types of foods to get all the vitamins and minerals you need. Add at least one fruit and vegetable to every meal.

Get Moving. Regular physical activity has many benefits. It can help control your weight, reduce your risk of heart disease and some cancers, and can improve your mental health and mood. Adults need 2½ hours of physical activity each week.

Choose not to smoke.

To quote Congressman Bill Richardson (Congressional Record, H3905-H3906, May 24, 1994): “Recognizing and preventing men’s health problems is not just a man’s issue. Because of its impact on wives, mothers, daughters, and sisters, men’s health is truly a family issue.”

Animals 4 God would like to wish everyone a **HAPPY** and **SAFE 4TH OF JULY!**

As most dog parents know, your dog may shed. Depending on the breed, your dog may shed A LOT! I always joke that we have wall-to-wall fur in our house, and I am not exaggerating! Dog fur can be very annoying for humans. It gets into EVERYTHING! But, according to the AKC (American Kennel Club) Staff, there are seven (7) uses for dog fur. Here is their “take” on how to use dog fur.

- “Knit Clothes” (AKC Staff). “Not all dog hair can be spun into chiengora, the official term for wool spun from dog fur. The best fur for spinning is the undercoat of longhaired, rough-coated dogs, such as the Golden Retriever or Newfoundland. The longer the undercoat, the better it spins” (AKC Staff).
- You need the entire hair shaft, so you can only use fur that has been brushed out. “Once you gather your fur pile, you can card and spin it yourself, or take advantage of companies, such as Knit Your Dog, that will make the wool for you and even knit a garment of your choosing” (AKC Staff).
- Give it to the Birds – You can put your dog’s fur into a suet cage or wrap it around the tops of fence posts and bushes and the birds will use it to insulate their nests.
- Make Felted Crafts – “Felting is a traditional way of making material. Wet felting requires nothing but hot soapy water and some sort of fiber, like your dog’s fur. The method is relatively easy—just lay the fur out flat, then rub it together using your fingers and the water. The fibers will eventually tangle into a sheet, just like the felt you can buy in a craft store. As you are felting your dog’s fur, mix in a few essential oil drops to give the project a fresh scent” (AKC Staff).
- Protect Your Garden – If a rabbit or other small animal smells a dog’s fur, he/she may think the dog is nearby and will avoid entering your garden altogether. You should add fresh fur periodically as it will lose its pungent smell after a few days.
- You can also “pack loose fur around the roots of plants and vegetables. Not only will the smell discourage animals from nibbling on your garden treasures but the loose hair also serves as a trap for slugs, snails, and small bugs” (AKC Staff).
- Clean Oil Spills – Fur is excellent for soaking up oil spills. You can donate fur to “Matter of Trust, an ecological non-profit that collects hair, fur, and fleece clippings” (AKC Staff) and helps to create containment booms (temporary floating barriers) and mats to aid in cleaning up oil spills. “Donations can be made through their Clean Wave Program” (AKC Staff) at matteroftrust.org.
- Stuff Dog Toys or Pillows – Rather than using synthetic stuffing, try using your dog’s fur to stuff a dog toy, bed, or pillow for the couch.
- Fertilize the Soil – An essential nutrient for plants is nitrogen, and pet fur has a lot of it. Nitrogen helps the ground regulate plant temperature and retain moisture. Eventually, the fur will break down and nourish your garden with nitrogen when this happens.

CAN YOU HELP?

We are passionate about bringing the healing effect of dogs’ unconditional love into the lives of people in the community, especially those who are home-bound or in a medical facility.

Becoming a therapy dog team involves a bit of work beforehand, but the effort is well worth it.

If you or anyone you know is interested in becoming a Dog/Handler team for therapy work, please contact us at: Animals4God@gmail.com.

Interested in becoming a part of our ministry?

You don’t have to own a pet or be a member of New Song to join.

You just need to have a desire to serve God by planning and participating in activities which enrich the lives of others by sharing our pets. We also strive to do God’s will as He challenges us to care for all the animals of the Earth by hosting educational activities with guest speakers and organizing collection events to donate to area shelters. We meet at the church on the 2nd Tuesday of the month at 5:30 pm. We also host the Reading Program on the 2nd Tuesday at 6:00 pm when school is in session.

CHILDREN'S MINISTRIES

As usual, VBS was great again this summer! We had 8 kids and 11 volunteers. We learned about God's plans for Joseph, how he went from being a prisoner in Pharaoh's palace to his right hand man, and how he used Joseph to save the Israelites.

Up next is the Blessing of the Backpacks on July 20th during the worship service. Hard to believe school time is coming up that fast! Children should bring their backpacks to church on July 20th to be blessed for the coming year.

Leslie Oredson

YOUTH MINISTRIES

A portion of our youth are just back from **It's Their Mission** in San Diego, while others are just back from traveling with their families, and some are still traveling. If you see a youth at church, ask them how their travels have gone. Unfortunately the deadline for this article is before our trip, so the complete story will be told in August.

July is a quiet time for youth. We are working to meet once this month and will send out the date when it is chosen. We will also have a launch of our 2025-26 year with a planning meeting in August. Watch the Blast and bulletin for details.

For all who have supported us, THANK YOU! Our **It's Their Mission** celebration and Ice Cream Social will be held on Sunday, August 10 at 1:00 p.m. at Dove of the Desert United Methodist Church, 7201 W. Beardsley Rd., Glendale, AZ. We will be showing the video of our adventures as well as eating amazing ice cream.

May God surround you with love and support, just as you have surrounded us.
