

Ten Mile Christian Preschool and Kindergarten Policy Regarding Special Needs/Services
Mission: for full inclusion and education support

We are so grateful to partner with you in your child's education and development! The TMC Preschool and Kindergarten Directors and Classroom Teachers feel that in order to give your child the best quality help and assistance in the classroom, we need to be able to communicate with those providing outside services to your child. This information allows us to have a whole-picture perspective of your child's strengths, preferences, and needs in the learning environment. As such, if your child currently receives or has previously received such outside services, we are requesting the sharing of such information.

These services and assessments include, but are not limited to: Speech/Language, Occupational Therapy, Developmental Assessments, Cognitive Assessments, Individualized Education Program (IEP) and/or Individualized Family Services Plan (IFSP).

Per our partnership in your child's education, we are requesting that you please sign a confidentiality agreement prior to admitting/maintaining your child in our program. This confidentiality agreement will provide our Director with the appropriate information to contact agencies providing these outside services, with agreement to consider sharing any information or results you have relating to your child's outside services and assessments that can supplement and guide our supports for your child.

Without the agreement of this partnership we may not be able to properly meet your child's needs and may effect your child's eligibility for enrollment.

Thank you for allowing us to be such an integral part of your child's development and education.
