

Welcome to the family- BAPTISM

Dear First-Time Guest,

We're excited you visited and inquired about baptism! This newsletter answers your question on the baptism in the Holy Spirit—a biblical empowerment for believers. Drawn from our Biblical Foundations class on Acts 2, it's a promise for today that brings power, comfort, and victory.

1 Why It Matters

Acts 2:38-39 promises: Repent and be baptized... and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off.

This hasn't passed away—it's for you! Jesus said in Luke 24:49 and Acts 1:8: Receive power (ability, efficiency, might) to be witnesses, live victoriously, and navigate daily life (even Walmart trips!).

2 The Holy Spirit's Role

The Holy Spirit's Role

- Empowerment: For purity, holiness, and victory in Christ.
- Comforter & Teacher: John 14:16-26 calls Him Counselor, Helper, Intercessor, Advocate, Strengtheners. He teaches, reminds, and comforts—often through praying in tongues (1 Cor. 14).

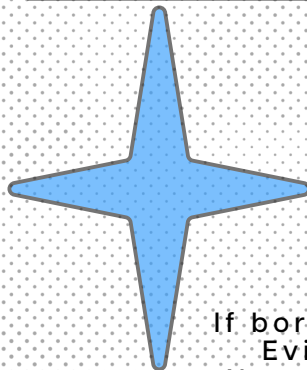

3 Testifier: Always magnifies Jesus

(John 15:26; Acts 2:11).

Praying in tongues is a personal prayer language that edifies you and connects deeply with God. Biblical Evidence: Speaking in Tongues On Pentecost (Acts 2:1-4), believers were filled and began to speak with other tongues as the Spirit gave utterance. Heard in native languages, praising God!

4 Real Life Impact

Stories: A member spoke fluent unknown Spanish; praying in tongues saved a father and son from a drunk driver; holy spirit prompted checking a trailer hitch to prevent disaster. The Spirit guides, convicts, and protects (John 16:13).

Prayer

**READY
TO
RECEIVE?**

If born again, ask God to fill you (Luke 11:13).

Evidence: Speaking in tongues by faith.

Next Steps: Wednesday services for prayer;
