Sunday School

A class for all ages!

This week's Vacation Bible School Offering, as well as next week's Sunday School Missionary Offering, will be our gift to the Seminary in Myanmar where our missionary Lian Kim is the president. Because of limited electrical supply (sometimes just 5 hours of electricity a day) they are in need of a solar power plant. For \$6,000.00 they can set up a solar power plant that can give light for all the Seminary's rooms. Any money received beyond the \$6,000.00 need will go towards the seminary building project.
