New Life Island Bible Camp is located on an island in the Delaware River. Nate & Karol Watkins, our missionaries serving the Liberian community and others in Staten Island, NY, served as guest missionary speakers there for many years. Now, New Life Island gives their church 10 scholarships each year for kids who otherwise could not afford to attend. The organization that usually pays for a portion of those scholarships has decided to invest in other projects this year. New Life Island already raises \$200 per scholarship from their supporters. They have already decided to allow the kids to attend, trusting in God to provide the remainder of the funds. Next week's Sunday School Missionary Offering will go towards those remaining funds.

### **Prayer Request of the Month**

Please pray for our local government officials. Pray that they would make decisions that recognize God's authority over our lives; pray that they would seek the high ground in morality and ethics; pray that our church would find ways to share the gospel as much as we can to them.

It was a privilege to have Family Life's Youth Theatre ministry with us this past week! Around 30 kids presented "The Warriors Journal", a drama that led the audience to understand their need for Christ on their journey in life. The Lord is at work in the lives of our children! Praise God for the fruit of this ministry.
