A class for all ages!

We have had the privilege of being Steve & Debi Douglas' sending church for many years; first as missionaries to Peru and now as Regional Administrator of Spanish Speaking South America with ABWE. Steve's duties as Administrator will take them to several countries in South America including Argentina, Uruguay and Chile with expenses totaling around \$10,000. This week's Sunday School Missionary Offering will be to help with these travel expenses.

Prayer Request of the Month

Please pray for our local medical and healthcare employees. Pray that these men and women would come to know the One who "rescues and heals"; pray for our continued impact through visits, words of encouragement, and outreaches we provide; pray for them not to be overworked; pray for safety, health and compassion.

Dear Church,

Joe and I would like to thank all who came to the picnic – God held off the rain and the weather was beautiful. He also has richly blessed us with our property and we love getting opportunities to share it. I absolutely love watching those kids in the lake and attempting to catch fish. And then always to my surprise coming in and finding everything cleaned up and put away. Kids were still fishing at seven and caught a couple big ones. It's a great day of fellowship and we hope even more come next year.
