Prayer Request of the Month

Please pray for our local medical and healthcare employees. Pray that these men and women would come to know the One who "rescues and heals"; pray for our continued impact through visits, words of encouragement, and outreaches we provide; pray for them not to be overworked; pray for safety, health and compassion.

Attention Ladies:

Some of our newer church family may not be familiar with our **Ladies Missionary Fellowship** group that meets once a month. We are involved in several different ministries, including encouraging the church family by visitation, cards, meals for new mothers, funeral meals, etc. We also help our missionaries financially and with encouragement gifts. We send care packages to college students who attended IBC, or have a family member that attends. We also send out care packages to military service members six times a year.

We're a relatively small group of women and depend on our church family to help pay for these ministries. **If you are interested in finding out more about us, or you would like to contribute**, please see Becky Hauser or Roberta and Lois at the Welcome Center, or anyone who has been around awhile. They will be able to steer you to a LMF member. We welcome your interest and prayers.
