

## A Cosmic Hope | Revelation 12:1-6

### Study Questions

Before answering these questions, take some time to read the passage from the sermon together or on your own.

What did this sermon tell us about God?

What did this sermon tell us about us as people?

What did you hear in this sermon that applied the most to your own life?

Why is maintaining the kind of hope (a hope that is certain of the future) so important for the Christian life? How can God's power, victory, and protection foster that kind of hope in your life?

Which of the three things we discussed (God's power, victory, and protection) are the easiest for you to trust? Which is the most difficult? Why do you find it easier to trust one of these and harder to trust the other? How can you build that trust?

Who is someone you know that needs to hear about this hope Jesus can give us? Pray together for that person and look for an opportunity to share with them this Christmas season.
