

A Royal Priesthood | Leviticus 8-10

Study Questions

Before answering these questions, take some time to look over the passage from the sermon together or on your own.

What did this sermon tell us about God?

What did this sermon tell us about us as people?

What did you hear in this sermon that applied the most to your own life?

How do you respond/think about the idea of priests? What might that cause you to miss when it comes to reading the scriptures? How does Jesus being our High Priest shape the way you think about the idea?

How do you tend to respond to passages like Nadab and Abihu in the scriptures? Do they make you recoil? Frustrate you? Cause doubt? Something else? How can taking the time to dig into the passage despite our offense help you understand these kinds of passages in a way that can bolster your faith rather than detract from it?

Is there something or someone in your life that has more control over you than Jesus? Take some time to identify it and figure out how your group or someone you know can help change that.
