DAILY PRAYER GUIDE

3/29: Pray for smooth and safe travels. Pray that the Holy Spirit would prepare the team, as well as those that they will meet during their time.

3/30: Pray that relationships and meaningful connections are quickly built between our team and the Back2Back team that would create a thriving partnership during their time and in the future.

3/31: Pray for Back2Back's Strong Families program and the families that the team will work with there. Pray for opportunities for sharing the Gospel and for the Holy Spirit to move.

4/1: Pray for Back2Back's education program, that children there would receive a great education and would grow in love for Christ as they learn. Pray that our team would experience the Holy Spirit moving in miraculous ways.

4/2: Pray for the Back2Back Home program and for the vulnerable teens they care for. Pray that the team would be able to speak truth and life to them and over them and that the Lord would break chains and bring freedom to these teens.

4/3: Pray for smooth return travel and transition back to Cincinnati. Pray that as the team has experienced fresh passion for the work the Lord is doing in Mexico, that their passion and vision would spread in our church and our city.
